

Welcome to WILLIAM EMERY, who will be operating out of Furniture Parts Stores. We also have several new people in the shop again this week, but we did not have a chance to get the list. We'll give you their names next week.

#### DAVID BRADLEY OFFICE FORCE -- 1928

Taken August 31, 1928, this is a picture of the entire "Office Force" of DAVID BRADLEY. Fortunately, we have the names of all in the pic, and here they are:

The "Chorus Line" (front row), left to right; PEG HANRAHAN, BETHIA PAHNKE, LUCILLE LORD, CLARISSA MUELLER, BERTHA THURSTON, MRS. R. E. MARTIN, ADELA SEBORG, FLORENCE MAGRUDER, EDNA ADAMS, RITA McGOVERN, MRS. O. R. SNEIDEKER, FLORENCE STOLTZ, EDNA STELTER, RUTH (BOULE) COLLINS, and ANNE PEZDIRTZ.

The "Murderer's Row" across the back are: ELROY SYKES, WALTER McGOWAN, J. C. HAGEARTY, O. L. LARSEN, H. C. HUDSON, VERNON DORAN, "ART" MINOR, F. K. WILLIAMS, J. C. BOHMKER, H.C. HORNBECK, and JACK WHEELER. Of this group, only RUTH COLLINS is still working here. VERN DORAN, of course, is a recent retiree, and get a load of that head of hair he was sporting then. This great group of people made major contributions to our plant during their time of working here.

## OLD TIMER OF THE WEEK.

HENRY W. NEHLS-- better known to one and all as "WHITEY" -- got real bashful when we told him that he was our next victim. He even tried to get us to by-pass him. Not a chance, WHITEY. His adjusted service date is October 15, 1932, and his first job here was working in receiving for Mr. CLARENCE LAGROW. From there he went over to our old paint line, and thence to the Assembly Department, where he has been ever since. Most of his time is spent in the Chain Saw area, but he has performed just about every assembly operation we have ever had.

HENRY and ALICE NEHLS are parents of two children, TERRANCE, married, and the Dad of two boys, and MARY ANN, who is still in High School (Bishop McNamara). We're proud that this genial "WHITEY" is our friend, and hope he has many more happy years here at Bradley.

WOW! Did we ever get reaction from our pic of the old "Foundry Gang" in last week's paper. We heard from many of the retirees, and they were all enthused. Also, many of the sons of these old timers are working here now, and were happy over the picture. In case you couldn't locate the two men we mentioned, ELMER WILKINS is fourth from the right in the back row, and LEE LaMONTAGNE is fourth from the right in the third row.

Speaking of retirees, our old buddy ELMER PAHNKE is as ornery as ever, cause the day it was so cold, we got a card from him from his "winter headquarters" - Florida - and he was bemoaning the fact that he puts in an eight-hour day. His schedule, according to him, is: 8 till 12, play golf; 12:30 till 2:30, play shuffleboard; and 2:30 to 4:30 (or so), watch the bikini clad girls on the beach. That's sure a tough life, Pal.

DICK BECK snapped up the best series that he has had in "a coon's age" to lead the FURNITURE team to three points. JENSEN had the high game, 221, and ESSINGTON won the series honors with 580 pins. FURNITURE had both the high team game and high series, 1015 and 2929.

Last week, we said that the league couldn't possibly get more hectic, but look at the standings now:

PAINT LINE	50	STORES	34

Today is the last day for the Print Shop's JOE DENAULT, who is leaving for the Navy.
