OFFICE MEN

BOWLING BY BAYLOR

The members of the Roper Office Men's Club were enthusiastic about the program for their monthly meeting. LOUIE DEAN, Resident Special Agent of the F.B.I. was the speaker and in his talk explained the history and duties of the Bureau. His talk was followed by a lively question and answer period.

SPECIAL EMPLOYEE STOVE SALE

The Roper Sales Co. is offering for sale 16 Roper Gas Ranges Model 1398-000 with a special catalytic oven coating. All units are white and the oven finish is not guaranteed. This is the same finish currently featured in competitor's 1969 models and advertised as "constant gleam".

All sales are on a "first come - first serve" basis. The price of this range is \$175.00 plus Illinois Sales Tax, F.O.B. Kankakee. Bradley employees interested in purchasing these ranges should contact BETTY MARSHALL in Personnel.

FAMILY SAFETY MAGAZINE

Within the next week you will receive at home, in the mail, courtesy of your Company, a fine little magazine entitled Family Safety. Dedicated to making the home and leisure hours more safe for all members of the family, it is a publication of the National Safety Council.

The Company hopes that all employees and their families will enjoy the magazine.

NEW ARRIVAL

Congratulations to PAT D/94 and SANDRA INMAN who are parents of their third child, a boy THOMAS JOSEPH, born March 10.

MATERNITY LEAVES

ELIZABETH ANDERSON (Engineering) and JOANNE HUMPHREY (Timekeeping) have left us temporarily while they await the arrival of the stork.

Standings:

Hi Game - JIM CAHILL - 244
Hi Series - GUS USEWICZ - 613
Hi Team Game - ROTO SPADERS - 926
Hi Team Series - Compacts - 2603

200 CLUB - KENDALL - 232 - 201, CAHILL - 244, TONY - 210, MENARD - 200, COTE - 205, USIEWICZ - 211 - 210, RICHARD - 213, VARBONCOUER - 202 - 212, BLAIR - 213, ALBERS - 201, PRINCE - 200, CRAWFORD - 215, BLANCHETTE - 201.

League leading Pool Tables increased their lead to 6 points by taking 4 points from the "Whiz Kids" (Subs.). Mowers paced by USIEWICZ'S 613 series moved from 4th to 2nd place by subduing a very courageous Dispatching crew, taking all 4. Saws by taking all 4 points from Furniture knocked them out of 2nd place. Furniture with just 3 bowlers have been staying right in there.

Stores with a 2966 series and Compacts shooting 2978 split for the evening. That's shootin' - Spaders displaying lots of spunk gave the Bulldozers all they wanted as they settled for two points each.

"BOWLING BANQUET APRIL 25th."

TETANUS TOXOID SHOTS

Approximately 335 of our employees were given Tetanus Toxoid Shots last week. The second in the series of three will be given on April 1. Watch the bulletin boards and these columns for further reminders or possible changes in schedule.

OLD TIMER OF THE WEEK

MORE GOOD NEWS

RAY LOVELL, the Sage of Cabery, came to work at Bradley on March 7, 1941. We did a little hasty figuring and estimated that in his twenty-eight years here, he has driven over 200,000 miles just going to work and returning home. His first job here was in the Foundry, then to the Sickle Department and the Shell Line, returning to Department 15 for good after the War. For 16 years he operated the slitter until its removal last year. Currently he operates a shear.

During World War II this Old Timer served in the Army for three years as a Combat Engineer. Half of this time was spent in Europe in such countries as England, France, Belgium, Holland and Germany. His rank at discharge was T3.

RAY and his wife are proud parents of ten children, five girls and five boys, ranging in ages from 26 to 8. (Shades of OSCAR HANSEN). Married for almost 28 years the LOVELL'S have two grandchildren, a boy and a girl. Oldest daughter CONNIE is the wife of MARVIN MULLETT, who works here in Purchasing.

RAY has few hobbies as most of his spare time is spent keeping up the family home. However, he looks forward each year with eagerness to his annual Canadian fishing trip. This trip has been a yearly event since 1957, and one that has been thoroughly enjoyed.

KEEP SMILING!

IT MAKES PEOPLE WONDER
WHAT YOU'VE BEEN UP TO.

LUCKY JOE

In an interesting story on Monday the Kankakee Journal told how Navy Photo Intelligenceman 3C, JOSEPH DENAULT, in competition with 2700 other sailors, won a date with Miss America recently. JOE is on a Military Leave from the Print Shop.

Injury and accident statistics just compiled indicate that February was a reasonably good month. We had one lost time accident for a total of three lost time days. Of course, we would much prefer to be able to say that we were accident-free. However, we cannot help feeling encouraged with three Lost Time Accidents for the first two months of this year, when in '68 for the same period we had sixteen. The Frequency Rate for February was 6.13 and the Severity Rate was 18.4. Again we want to thank all employees who contributed to this respectable record by working safely. Keep up the good work!
