MEN'S GOLF LEAGUE

SAFETY NOTES

Spring is here – the baseball season has opened, the bowlers are just about ready to give up the ghost and the golfers of the Roper Bradley Golf League will begin the season on April 30. New officers for the league are BILL SELF – President, JOE DOMINIAC – Vice-President, GUS LaROCHE – Secretary, and LEE HERSCHER – Handicapper. Twenty teams will make up the league as follows:

We have received a few comments on the Family Safety Magazine recently mailed to the homes of all employees. Without exceptions the employees who commented were high in their praise of the publication. Practically every family found at least one article that was particularly interesting and informative.

Very shortly now another mailing piece will be sent to the homes of all factory employees – a little device illustrating the correct way to lift. Again, this will not only benefit the employee, but also the members of the family.

~RSTUBLER~
"You're not lifting with your legs, dear!"

A boy sought a job in a drugstore.
"Your name?" asked the druggist.
"Patrick Henry."
"That's a pretty well-known name, isn't it?"
"It ought to be," the boy said. "I've been delivering groceries around this neighborhood for two years."

OLD TIMER OF THE WEEK

WENDELL (BILL) MILONE is a transplanted Southern Illinoisan having been born and raised in the Olney area and coming to Bradley shortly before he started his employment here on March 19, 1941. His first assignment was in the Foundry and he remained there until it closed. He then became a press operator in the chrome finishing end of the Furniture Operation. About 1964 his job was moved to the Cutting In Room where he presently operates a press.

BILL spent three years in the Army during World War II. He was part of a 105 Howitzer Artillery Battalion attached to the 27th Infantry Division. Two and a half years were spent in the Pacific in such places as the Marshall Islands, Saipan and Okinawa. When discharge time came he had attained the rank of Sergeant.

BILL and his wife PAULINE have two boys. BRUCE, 17 is a junior at Bradley Bourbonnais High School and JAY, 11 is in the 6th grade at Bradley Central.

This Old Timer once loved to hunt, but has been unable to do much of it the last few years as fixing up around the house at 335 North Cleveland has occupied most of his spare time. He also likes to tinker with cars having formerly worked part time in a garage. Active in Union Affairs he has been a trustee for the past five years in Blacksmith's Local 1184 and was recently elected Co-Chairman of the Committee.

We express our sympathy to RUSS SADLER D/74 on the death of his Father-in-law.

And to DANNY MORRIS D/34 on the death of his Grandfather.

Splits picked up - BLAIR 4-7-9-10 and the 5-7. BRINKMAN 6-7-10.

First of all lets congratulate the champions - Pool Table team of MENARD, GIBSON, MARTIN, REITMEIER and SEIFERT. Nice going boys! Led by PAUL GIBSON they won all 4 from Dispatching who went down fighting. PAUL might be a 138 average bowler but he sure came through when it was needed.

The hottest team the past few weeks, Compacts made a battle all the way as they and the Suburbans split for the evenings work. HACKLEY had a 587 series. Those pesky Roto Spaders won all 4 points from the Mowers. Stores won 3 points from Furniture.

Saws with Old Pro (39) HERB BLAIR shooting a record 267 game and a 631 series could manage only 1 point from the Bulldozer crew. HERB is having another fine season averaging 185. He has averaged in the 180's for many many years.

A very good bowling season will come to the end next week as it will be position night and sweepstakes. Good Luck you all!
