NEW GENERATION

Always kinda' thought we were "with it" as far as staying abreast of "younger" thinking, but were taken aback when swapping riddles with seven year old grandson. Sprung the ancient "What's black and white and read (red) all over?" on him. Of course, the old answer was "A newspaper". 'Taint so any more, cause the immediate answer I got was "What's black and white and read all over?", "A skunk with diaper rash!!" Phew!!!

HATS OFF TO:

BARB LECLAIR, PAT MOORE, BONNIE DUFFY, LOUIS GINERIS, MARV MULLETT, MARVIN SUBBERT, DOROTHY CURRIE, ROD LEGRO, DON MATHIS, MARION PRESSLEY, EVERETT REED, HAROLD MARTELL, B. GREY, RON HIRT, MILTON HULL, ELWOOD WEISKE, GARY PEELER, MIKE KRAMER, RON IRELAND, JERRY ALBERTS, M. COLETTE, and BOB CRAWFORD. HATS OFF!!! Why? These are the people who gave blood last week at the Bloodmobile. Let us list YOUR name next time. If we have missed anyone, let us know, and we will make amends.

OLD TIMER OF THE WEEK

CECIL ELSEY started to work at Bradley on May 14, 1941 after a succession of part time jobs, this being the only real job he has even had. His first assignment was Shipping, in the basement, for LEO BRAIS. Then to the Forge Shop where his boss was RAY KING, and finally the Cutting-In Room where he still holds forth as Set-Up Man.

During World War II CECIL started his second career although he probably didn't realize it at the time. His wartime service consisted of three years in the Army as a member of the 104th Infantry Division which spearheaded General PATTON'S invasion of Europe. He participated in four major engagements and saw service in France, Holland, Belgium and Germany. CECIL has been a member of the National Guard since the end of the war and was called back for Korea spending two years as a 1st Sgt. training troops at Ft. Lewis, Washington. He is now Master Sgt. of B Co. 129th Infantry, Illinois National Guard.

CECIL and his wife MADONNA have been married 24 years and have three children - LINDA 22 and married, CECIL JR. 15 and DENNIE 13 at home.

This Old Timer who says he has enjoyed all of his years here has only one real hobby, the National Guard. He keeps threatening to quit, but we're afraid it's in his blood.

FOR SALE: 1965 Chev. Impala, 2 door HT., V8, Automatic, power steering, good condition. Call 932-7850 anytime.

BOWLING BY MEYER

BUD MENARD and JOE COTE tied for high game, with 235 each. An oddity of this is they were bowling against one another and had their 235 both in the second game. JOE had a little more help from his teammates as the MOWERS won that game. Third high went to JOE COFFMAN with a 204.

FOR SALE: Canna bulbs by the clump, 25¢. Call 932-4365 anytime.

Of course, it was BUD MENARD again with high series as he threw a 609. Second high went to PAUL JENNINGS with a 572, followed by LOUIE CONNOVER'S 550.

FOR SALE: Dachshund puppies, AKC registered, 6 weeks old. Call 937-9558 anytime.

STORES must like first place, taking three points from the BULLS and are now leading the league by 6 points. Moving into a tie for second place was COMPACTS, who are tied with MOWERS.

FOR SALE: 1 pair of snow tires, 650 x 13. Call 933-2638 anytime.

The BULLS are maintaining one of the highest team averages, but just can't seem to win. They are in last place, 11 points out, but it is not that they are not bowling respectably.

FOR SALE: 1965 Ford Galaxie 500, 4 door. Call 933-5705 after 4:00.

BUD MENARD is now carrying a 191 average, which is some pretty sharp bowling. Next highest average is JOHN COFFMAN'S 179, followed by TOM LaFLAMME'S 175 and PAUL JENNINGS 173.

FREE TO GOOD HOMES: Three "parti" puppies -- Part Rat Terrier - Part Beagle. Please call 932-8781 after 5:00.
