FAMILY PICNIC BY DON BLANCHETT

SATURDAY - AUGUST 22, 1970

All the chairmen of the various committees for the picnic have been named, games, rides, food etc.

These chairmen will be seeking additional help so that all the activities will function properly and on schedule. If you are approached to assist in the events, we hope you will donate a small portion of your day in helping.

It's equally important that if you agree to help you should fulfill your commitment for that event and please be on time.

Thank you in advance for your usual fine cooperation

People on layoff are again reminded that no tickets will be sent them for the picnic, unless they notify personnel as to the number of tickets needed.

BLOODMOBILE

The July visit of the Red Cross Bloodmobile came during our shutdown. A very special thanks to the only Roper Bradley employee who donated - JOHN HENGL of department 35.

SYMPATHY TO:

The family of ALEX KOPLINSKI, D/25, who died suddenly Wednesday night.

JOHN DOCKEMEYER, D/35, on the death of his father.

JAMES HAZZARD, D/35, on the death of his brother.

TOM CROMWELL, D/94, on the death of his brother.

OLD TIMER OF THE WEEK

This weeks honored employee is RENE SURPRENANT, machine operator in department 25, who first came to work at Bradley on September 28, 1942. His first assignment was in the wood shop making shell boxes. After service he returned to the machine shop where he has remained ever since.

During world war II RENE spent three and a half years in the service of his country, three of which were spent overseas in Europe. A member of the 385 th. AAA Battalion he served in Belgium, France, Holland, and Germany.

On November 26, 1936, RENE married the former CLARA BELLE REGNIER (sister of FRANCIS and PAT of department 25). They have one son BRIAN who will be a sophomore this year at Kankakee Community College

This old timer has for hobbies fishing, hunting, gardening and baseball. Way back when, he was one of the originators of the West side Boosters and played centerfield on the first baseball team put on the field by the Boosters. MEL BOULE tells us in those days he was called "THE HAWK" because of his fly chasing ability.

"By golly, I haven't heard it called that since I was in the service!"

ROPER GOLF LEAGUE

After two nights of competition in the second half of the season, the team of BOB MULVIHILL and MIKE PUFFER has broken in front with a total of 81 points. Second is the team of LARRY DAWKINS and JOE GIUSTI with 73. MICKEY BOUDREAU and FRED DUST are in third place with 63. Low team net for the night was won by LEO WILLIAMSON and SAM PARTON with 62½ followed by MULVIHILL-PUFFER with 67½, and GORDON FRIETAG and JERRYALLIE with 70½.

In individual competition in class A LARRY DAWKINS had 33, DON SNYDER 35 and MEL BOULE 36. DON JENKINS led class B with 35, followed by JIM CAHILL with 36, and a tie at 37 by MIKE GOWETSKI and JOE COTE. The only bird of the night was by JENKINS.

MIRROR, MIRROR, ON THE WALL

Two hippies went to an art gallery and one of them stared at a display and gulped. "I hate this modern garbage!" The other said, "Get with it, man, that's a mirror!"

DECLARATION SIGNER

A junior account executive was drowning his sorrows one night in a tavern because his boss, a rough type, had fired him for no reason at all. It happened just after the boss had sent some prints of the Declaration of Independence to be used or put on walls or whatever.

"What's wrong with that?" the young man was asked.

"I dunno," was his reply. "All I did was read it, add my name to the bottom, and pass it out!"
