MEDICAL BILLS

It has been called to our attention that insurance bills, doctor bills, etc. have been turning up at Kankakee Division and Corporate offices that should be coming here to Bradley. Once again we would like to remind all our employees that, when they or their family have medical attention covered by insurance, they clearly specify to the doctor, hospital etc. that they work at the Bradley Division of Roper.

OLD TIMER OF THE WEEK

This week's honored employee ANTHONY BERNs is an extraordinary individual. In spite of a speech and hearing loss dating back to early childhood, and caused by an illness, this man has been able to successfully hold down responsible jobs here for twenty-seven years. He started at Bradley on May 3, 1944 after one year at Manco. His first job as a laborer in Steel Stores, but he has had a great variety of jobs since-- grinder, inspector, supplier, etc. For the past 15 years he has been an Assembler in Furniture transferring to D/35 when furniture left.

TONY and his wife RUTH have been married almost twenty seven years and have four children. DON, 20 and recently married, is a student at Illinois State University. RANDY 18, will graduate from Westview this spring and head for Eastern Illinois University in the fall. RICHARD 12 and DARLEEN 10 are still in grade school.

This fine Old Timer has an outstanding hobby in photography. He likes to photograph landscapes particularly. Also a lover of sports his first allegiance is to the Cubs.

Of his twenty-seven year career at Roper, TONY says he has enjoyed it, and we hope he has many more years to enjoy.

"Darling, you gave me the moon, the sun and the stars—now, I'd like a vacuum cleaner."

NO PROBLEMS

When disagreement rears its head,
My spouse and I don't fight.
We just talk it over calmly,
To find out why I'm right!
