A special "Thanks" to those employees who donated this month. They are:

PAUL AUVE, MERWIN BECKWITH, GARY MCCLURE, DAVID SMITH and JOHN WELLS.

"When everything is coming your way, you are probably in the wrong lane."

Returned Minnesota Viking quarterback Fran Tarkenton told Pete Pesci: "The first call I got after the trade was from Hubert Humphrey. He told me that from now on I should do all the passing and he'll do all the running."

### OLD TIMER OF THE WEEK

One of the nicest little guys in this or any other plant is ALFRED DIONNE, this weeks honored employee. His official employment date was June 23, 1948, but he actually was here in '47 for several months but resigned to work for the Illinois Central Railroad, which, in his words, was a mistake. His first department at Bradley was Stores, from which he went to Receiving and, twenty-three years ago to Assembly, his home department ever since. At present he is on a temporary assignment on the new electric chain saw line.

AL got in on the tail end of World War II serving one and a half years attached to an Armored Division with eleven months spent in the Philippines near Manila at a replacement depot. By the time he was discharged he had attained the rank of T5.

AL and his wife TERESA have been married twenty-two years and have three children, two boys and a girl. LARRY 21 works here as a dispatcher assigned to Department 15. GARY 18 is finishing up his junior year at St. Anne High School and MARY 9 is in the third grade at St. Anne Academy.

This fine Old Timer who is liked by everyone and considered a superior employee has farmed 80 acres since 1953. He has worked five years with a kids baseball program in St. Anne. The DIONNE's have never really had a honeymoon, since AL was laid off the day before his wedding, but this summer they plan to make up for it with a trip to Hawaii. A former member of the Plant Safety Committee he currently serves on the blood program committee.

The National Geographic quotes one long-suffering taxpayer as saying:  
 "Next to being shot at and missed, nothing is quite as satisfactory as getting an income tax refund."
