FIRST AID TRAINING

Due to the large number of people currently working in the Assembly area and the fact that a few employees have become ill on the job, a new portable oxygen unit has been purchased and will be kept in the Assembly Office. In addition on Wednesday, June 13 ten employees will attend a concentrated 8 hour course in 1st Aid at the local Red Cross Headquarters. The ten will be JIM HUDSON, LOUIE STEFANICH, BOB WILLIAMSON, STEVE SERVE, JERRY POWER, PETE LAFFEY, AL DIONNE, RAY ARSENEAU, DON MATHIS and one or two others to be named later.

OLD TIMER OF THE WEEK

The week's honored employee DON HISEL has only worked at one place in his life and that was right here at Roper Bradley. He started on April 2, 1953 on the Shell Line but transferred shortly after to Furniture where he stayed until it closed, working mainly as an upholsterer. Since then he has been in Assembly where he currently works on carburetor chambers in Chain Saws.

Immediately after he left school in 1947 DON entered the army and spent six years in service, at one time planning to make the military his career. Trained as a paratrooper he served all through the Korean War, but got no closer to the war than Japan. When discharged he held the rank of Corporal.

DON'S first marriage ended in divorce. He and his present wife DORIS have been married eight years and have a seven year old daughter Diana. He has a son Kevin, 17 years old, from his first marriage.

This Old Timer at one time was one of four Hisel brothers all employed at Bradley at the same time. Of the four, Delmar, Harold, Bob and Don only the last two now remain here.

DON admits to only two hobbies, camping and Falstaff. He is emphatic in saying that he has enjoyed his twenty years of employment here.

BIRTHS

Congratulations to ART D/72 and ROSETTA LANDRY on the birth of their fourth child, a boy BRAIN ALVIN born May 18.

And to LARRY D/94 and MARLENE HEAGLE on the birth of their fourth child, a girl MISTY RENEE born May 21.

IT PAYS TO ADVERTISE

When a man's pet hound disappeared, he put the following ad in the local newspaper: "Lost or ran away, liver-colored bird dog named Bill. Will show signs of hydrophobia in about three days."

The dog came home the following morning.

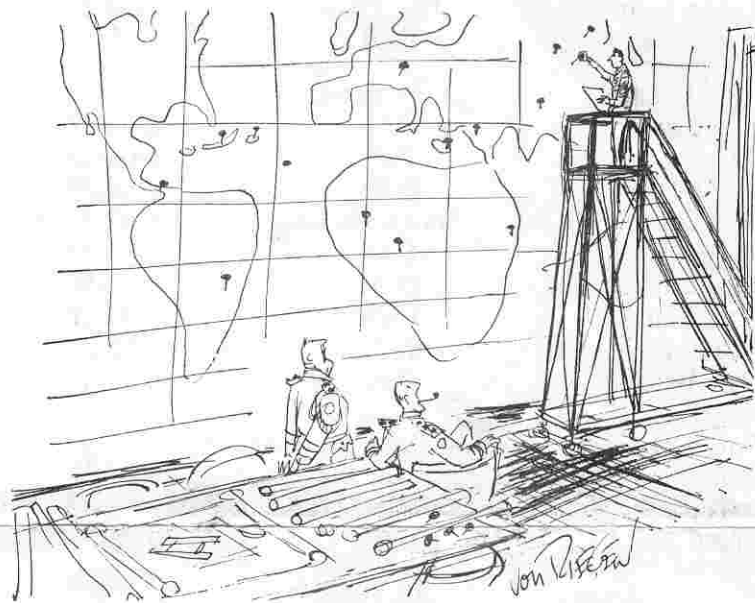

**THEY CALL IT GOLF
BY DON SNYDER**

With the first half of the Roper Golf League just over half complete, the team of D. CAMP and L. POWER have forged into a substantial lead with 162 points. They are followed by D. GRAF and D. JENKINS with 146 and R. SCHLEMMER and G. LaROCHE at 145.

Play was delayed slightly Tuesday while the Rules Committee of MIKE PUFFER and FRED DUST were hung in effigy for failing to postpone play due to the cold and rain. Despite this, there were some very good scores with the teams of MASSEY-BERGMAN and CAMP-POWER shooting net 74's and GRAF-JENKINS with a 76. NICK GINERIS, the BOBBY RIGGS of the golf league, was low net with a fine 33. Others with scores in the low to mid 30's were KRABBE, DOMINICK McNASH, BROWN, McKEEVER, BISHOP and SHELL.

DON JENKINS came back from the Indy 500 to birdie #7 and topped it off by winning the Anchor Club 500. W. DUPUIS had the only other bird on #14.

JOE DOMINICK was lamenting the fact that his gross 44 was marred by two lost balls.

"Remember the good old days when you had a war, fought it, and the darn thing was over?"
