RETIREES

The end of this month represents the end of the Roper Bradley careers of two fine gentlemen who reached their sixty-fifth birthdays during the month after many years of faithful and distinguished service.

CLARENCE RANTZ, who has completed 38 years of service, the first seven in Assembly and all the rest in Maintenance plans a lot of traveling. He and his wife Maxine who were married 43 years ago on the 4th of July, and have two children and ten grandchildren, plan to travel to Canada and Minnesota almost immediately and spend two or three months in Florida this winter. CLARENCE who says "this place has been good to me" only regrets he didn't start at Bradley several years earlier. He is justifiably proud of his attendance record, and feels that he never was late over once or twice.

FOR SALE: Boat and trailer. 14' Berglin Deluxe Runabout, upholstered seats and side panels. Plus many extras. Bottom and sides have been fibreglassed, no leaks. Trailer is one man easy loading, new tires, rollers and light system. \$350. Phone (932-8554 after 5 P.M.) or 933-3136.

We extend sincere sympathy to the families of Retirees **DORSEY BREEDLOVE** and **ALBERT CHLUPSA** who passed away recently.
And to **RUTH ARRINGTON** Purchasing, on the death of her father.
And to **WILLARD DUFRAIN D/67**, on the death of his mother.
And to **CONRAD DAVISON D/10**, on the death of his infant son.

ELMER REICK, with 37 years of service in the Tin Shop, Forge Shop and Guard Force is somewhat undecided about his future since he has been plagued recently with back miseries. He hopes to take his annual 3 week fishing trip shortly and after that if his condition improves he will work around the house and may even use his Roper Tractor to plow gardens and cut lawns for his neighbors in Seedorf Subdivison. ELMER and his wife Frances have one son, Elmer Jr. who manages the Phillips Floral Co. in Chicago, which is incidentally owned by the family of TV star Lee Phillips.

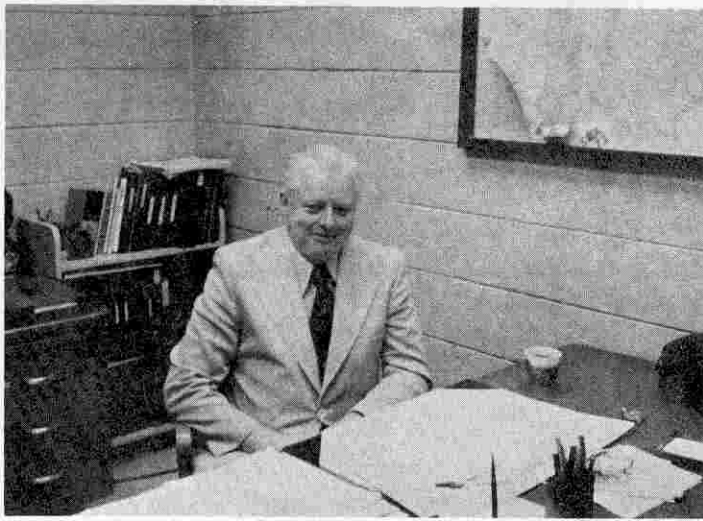

Both of these fine Old Timers will be missed here and we wish them the best of everything.

OLD TIMER OF THE WEEK

This weeks honored employee is Vice-President JAMES MALLANEY, one of Bradleys greatest success stories. JIMS official starting date is January 26, 1953 but that is not the whole story. He actually came to work at Bradley in June of 1941 fresh out of St. Patricks High School and took a job in the foundry but the war interrupted his career and a combination of circumstances resulted in his leaving to attend the U. of Illinois and embark in a farming career, returning in 1953 to work in Maintenance, Assembly and Tool Grinding before being made a Production Foreman in 1959. Since then his rise has been meteoric resulting in successive promotions to Material Control, Personnel, Sales Representative, Sales Manager, and in December of 1971 the title which he now has.

During World War II JIM spent three years in the Navy first as an Aviation Cadet and then as a Torpedo Pilot. For seven months he served on the baby flat top Steamer Bay in the Pacific and was discharged as an Ensign.

JIM and his wife Gloria have been married twenty-seven years and have six children and four grandchildren. One son Jim Jr. works here in D/10. JIM also has two stepsons, one of whom GREG DECARLO is a foreman in Receiving.

This great Irish Old Timer has very little time for hobbies, but he does enjoy farming, travel, and swimming. The MALLANEYS live on a farm in Limestone Township.

BLOOD DONORS

Since we last went to press the following employees did their civic duty by donating blood at the Red Cross: JULIUS MEYER D/15, PAUL MONTAGUE D/25, MICK PUFFER D/25 Foreman, CONNIE NICHOLSON D/35, EVERETT REED D/19, LOUIS STEFANICH, Div. Supt, LARRY JECK D/25, TRAVIS LEDBETTER D/25, DON HISEL D/35, TOMMY THOMAS D/35, BOBBY CRAWFORD D/71, JOSEPH F. GUISTI D/25 Foreman, WEBB KOHL Maintenance Superientendent, MICHAEL GULCZYNSKI D/35. We congratulate all of these "good citizens" with a special thanks to DON HISEL who reached the two gallon plateau.

THEY CALL IT GOLF By Don Snyder

The final night of the first half of the Roper Golf League ended with a tasty fried chicken buffet and other refreshments. As usual it rained again and only the brave hardy (or was that fool hardy) completed the scheduled rounds Others waited for better weather later in the week with these final results:

Low team scores were Snyder-Shell--69, Hubert-Clement--71, and Dankel-Prouty--73. Low individual scores were Pepin--34, Herscher, McKeever, LaBelle--35, and Rasmussen, McNash, Schlemmer--36. Birds were shot by Perkins, Herscher, and Woodrum.

The second half was started out with better weather and after two weeks the leaders are E. Woodrum and W. Dupuis-76 points and S. Serve and G. Seamark--75 points. The high humidity on Tuesday brought with it higher than usual scores and the only bird was by J. Legacy on #2.
