OLD TIMER OF THE WEEK

This weeks honored employee is ROBERT O'TOOL who was born and raised in Fort Dodge, Iowa and came to Bradley to work almost thirty-eight years ago, on January 22, 1936. Prior to his employment here his only jobs were in farming, so this has been his only full time job. He started in the sickle department which later merged with the cutting-in room where he still remains as a Press Operator.

BOB and his wife Vivian have been married thirty-seven years and have two children. Daughter Betty Yeates lives in Bradley where she and her husband operate "Little Petes" tavern on Broadway. Son Charles lives in Vista, California where he is manager of a Super Market. The O'TOOLS have six grandchildren.

This quiet, solid OLD TIMER likes to travel and fish in his leisure hours. He has fished in Wisconsin and Missouri, and in the last few years has tried his hand at deep sea fishing in the Pacific Ocean. A lifelong member of Local 1184 he is highly respected by his supervisors and co-workers. On the other hand he says he has certainly enjoyed the people with whom he has associated at Bradley.

IT HAPPENS ON MONDAYS

"Bowling That Is"

by Harold Siefert

Well, the first half is all over and everybody's happy. Gloria Bydalek won't have to type up this mess and I won't have to write it for awhile. The TRUCKERS are happy because they are the first half champs, and the rest of the guys are happy because they won't have to bowl for two weeks. I guess that about covers everything in a nut shell. The STORES team scared the TRUCKERS for only one game and then the Champs got the point they needed the second game and later added one more for good measure. One good thing about it though, everybodys got a second chance the last half.

The TRUCKERS ended up with 41 points, STORES with 37½, OFFICE with 36, TOOL ROOM with 36, WELDERS with 34, ASSEMBLY with 33, MACHINE SHOP with 29½ SUBURBANS with 29½, CUTTING-IN with 23½, and FORGERS with 20.

DANNY LAFOND had the high series for the nite a nice 574 and SAM RAIMONDO the high game, a 220. Congratulations to them and to the TRUCKERS.

Good games and series tonite were DANNY LAFOND 574, DOUG DANKEL 509, DON BAYLOR 537, CLARENCE STUMP 205, WILL ESSINGTON 508, SAM RAIMONDO 220, TONY STANIZESKI 510, AMBROSE HACKLEY 505, DON CHRISTER 210-571, BOB CRAWFORD 202-552, TERRY ARSENEAU 510, and GABE KEROUAC 562, also GALE ALBERS 516. That's all boys, see you next year!
