SAFETY COMMITTEE

Safety Supervisor JERRY POWER is shown presenting gifts to retiring safety committee members ORRIN KINNEY and HAROLD MARTELL, who will be replaced next month by EVERAL BRAULT & FRANCIS GOSELIN.

SHOEMOBILE

As we indicated last week, the Safety Shoemobile will be at the plant for one day only Monday, January 21 from 8 AM to 5 PM. The unit will be parked just east of the North Guardhouse for the convenience of those employees wishing to purchase safety shoes. We certainly recommend that all our people avail themselves of this opportunity to buy additional on the job protection, especially since the company is picking up part of the tab, \$4.00 to be exact. Purchases may be paid for either in cash, or one two or three payments under payroll deduction. Employees should check with their foreman before leaving for the mobile unit.

WEDDING

Congratulations to DALE BRINKMAN of D/35 and his new bride the former Terry Kuhlman who were wed on January 5.

BIRTH

It's a boy for LARRY and Carla ELUMBAUGH, their 2nd child, born January 10. Congratulations.

FOR SALE: G.E. 36" Electric Stove - Pink. In good condition, used very little. \$25.00 or best offer. Phone 933-5441.

OLD TIMER OF THE WEEK

This weeks honored employee GIL LUHRS, a native of Nebraska, came to Bradley on February 4, 1936 fresh out of Iowa State University where he earned his BS in Mechanical Engineering. He joined an engineering department which was about 1/6 the size of the present department and was immediately put to work on implement design. After a short time he worked on Stokers, and when we went into furniture it became GIL'S baby until its phasing out. He is now in charge of Roper Tractor design, specifically the new hydrostatic model.

GIL and his wife Alice have been married thirty-seven years and have one daughter Rhoda Ogden living in Bolingbrook, Illinois whose husband is employed at Caterpillar Tractor. Rhoda works at Silver Cross Hospital pharmacy.

This gifted OLD TIMER is a man of many hobbies. He is a gardener, particularly of the flower variety specializing in roses. He loves to cook but we know he has been plagued by an ulcer and the question arises; was it caused by stress, or eating his own cooking? Mr. & Mrs. LUHRS are both very active in the affairs of their church. GIL, whose only job has been right here, has liked his work and found it interesting to see the company grow and be a part of that growth. He recognizes the new Roper tractor assignment as a real challenge but finds it most enjoyable.

BLOOD PROGRAM

Maybe it was the Holiday Spirit of giving, and maybe "Tombstones" recruiters did a terrific job, and probably it was a combination of both but December was a great month for Bradley Blood Donors. Fourteen of our employees gave blood. A great way to end the old year and hopefully 1974 will be the best year ever.

Following are December's "Good Citizens:"

IT HAPPENS ON MONDAYS "Bowling That Is" by Harold Siefert

It only took two nites into the 2nd half for the TRUCKERS to jump into their familiar spot, 1st place, if only by a point. The STORES had one real bad game and it cost them the series. They settled for a split and dropped to 2nd place.

The "Star" of the nite had to be CLARENCE STUMP, who had both high game 239 and high series 586. CLARENCE had games of 202-145 and 239. The 239 game ties him for top spot in high game actual. CLARENCE'S effort made it possible for the WELDERS to grab all four points from CUTTING-IN as well as high series for the nite, 2977. The TRUCKERS took all four from FORGERS, ASSEMBLY took three from TOOL ROOM, SUB-URBANS did the same to MACH. SHOP, and STORES and OFFICE settled for 2 each.

Good games and series were BOB SHOFF 201-504, AL GUENETTE 200-537, CLARENCE STUMP 202-238-586, AMBROSE HACKLEY 208-518; BUD MENARD 508, BUTCH NEUMAN 550, DON BLANCHETTE 568, and BOB CRAWFORD 520. Splits picked up were by BOB CRAWFORD the 5-7 and RON HIRT the 5-10 and 5-7-9.
