CORRECTION

The bottom portion of the notice which appeared in the Feb. 1 issue of the Roper Bradley News was worded improperly and mistaken by several.

It read:

Also:
Filing of claims procedure has been changed. All claims must be in by monday morning preferably Friday night. All claims will be processed on Mondays only.

It should have read:

Also:
Filing of "Illness Allowance" claims has been changed. All "Illness Allowance" claims must be in by Monday morning preferably Friday night. Claims will be processed on Mondays only. Thank you.

OLD TIMER OF THE WEEK

This weeks honored employee is TOM TRAVIS who recently, on November 18th, celebrated his 37th anniversary with Roper's.

TOM started at Roper's in 1936 when he was just 16 years old. His first few years were spent going from department to department missing only the Tool Room and Experimental. TOM finally decided on the Warehouse where his work was then interrupted by Uncle Sam. He spent 3½ years in the Air Force during World War II. TOM then returned to Roper's and the Warehouse, where in 1954 TOM was put in supervision and has remained thus.

TOM has other activities outside the plant. TOM spent 9 years as deputy sheriff, where he was greatly admired, also TOM has been with the Bradley Volunteer Fire Dept. since 1946 where he is Assistant Chief.

TOM has one daughter, Roberta Keltner, who has given him a great group of grandchildren. There's (Mikey) Richard Michael, and triplet girls, Rochelle, Renate and Regina who reside in Park Forest.

Our "Old Timer" is an avid outdoors man. TOM likes guns, trap shooting, hunting, fishing, and is a great golfer.

IT HAPPENS ON MONDAYS

"Bowling That Is"

by Harold Siefert

The count-down has begun in earnest now with only seven more Monday nites remaining before the roll-off. The point spread from top to bottom of fourteen, and twenty eight points still to be won, it could be anybody's win. The standings didn't change at all from last week, so that means everybody's still chasing the MACHINE SHOP, their lead however has suddenly shrunk from four points to two because they could hardly hold the TRUCKERS at two points.

The CUTTING-IN has been moving up lately, and the steady-bowling of GALE ALBERS has had a lot to do with it. Steady GALE came up with the high series tonite, a nice 573. His 204 game also tied AMBROSE HACKLEY for high game. GALE had games of 204-169-200 to make up that series. The CUTTING-IN took that effort to take 3 points from the SUBURBANS, the WELDERS took 3 from TOOL ROOM, STORES did the same from ASSEMBLY, OFFICE took all four from the FORGERS and TRUCKERS and MACHINE SHOP divided four.

The good series were very few tonite but here they are. DON CHRISTER 517, THURSTON JONES 507, ALEX MCINTYRE 512, AMBROSE HACKLEY 204-529, WILL ESSINGTON 203-555, RON HIRT 501, DAN LAFOND 507, and GALE ALBERS 204-200-573. The 5-10 split seems to be getting very popular because it was made no less than 3 times again tonite. Turning the trick was RAY GERBER, THURSTON JONES, and ALEX MCINTYRE. TOM HENDRIX picked up the 3-6-7-8 whatever that is.

WEDDING BELLS
