### IT HAPPENS ON MONDAYS

"Bowling That Is"

by Harold Siefert

With the count-down at six, the MACHINE SHOP put even more day-lite between them and their pursuers by increasing their lead to four points. When your trying to catch someone, the weeks seem to fly by all the faster. The STORES team actually helped them out by taking all four points from the OFFICE boys who only last week were only two points behind. Thats the way it goes when things start to fall into place for you as they are for MACHINE SHOP now.

Well let's see, I think there's a few other teams tonite, the FORGERS and the TRUCKERS were real palsy because they bowled to a stand-off with two points each. The CUTTING-IN took advantage of the OFFICE teams misfortune and moved up to second place by beating the WELDERS for three points, TOOL ROOM took three from ASSEMBLY, MACHINE SHOP also took three from the SUBURBANS, and the STORES stole all four from OFFICE.

The high series tonite was 534 by BUD MENARD and high game was by our DAN LAFOND with a 209. He was right behind BUD with 532 also. Other good games and series were WALT DUPUIS 516, JOE ARBOUR 522, WILL ESSINGTON 523, BUD MENARD 534, DAN LAFOND 209-532, GALE ALBERS 202-530, DON CHRISTER 505, RAY MCNASH 501, RAY FORBES 505, and DON BLANCHETTE 513. Splits converted were by PAUL GIBSON the 5-9-7, LEO RICHA the 5-4, JOE ARBOUR 4-7-9, JOHN BELL and NEAL BARSTOW the 5-8-10, BRUCE COURVILLE and WILL ESSINGTON the 5-10 and BOB CRAWFORD the 4-7-9-10.

### NOTE:

Last weeks puzzle answer to follow.

"That's it! Now just kinda fall back."
