RETIREE

Retiring June 28 at age 62 and with 31 years service is Electrician Leadman MILFRED "WHITEY" SMITH, a real "Pro" of the Maintenance Dept. WHITEY says he has enough work stacked up at home to keep him busy for a good long time, but is also planning to purchase a motor home and do a lot of traveling to places like California, Florida and Oklahoma. The SMITHS have a daughter in Oklahoma and also own property there, but no oil.

VACATION

Due to shutdown for Inventory and Vacation there will be no newspapers for the next three weeks. We hope that all employees who are on vacation during that time will enjoy a much needed rest.

Also a boy and 1st child for PAUL D/15A and Elizabeth COFFMAN, Paul Austin Junior was born June 25th.

RETIREE

It wasn't easy but we persisted and finally were able to get the above picture of EMMIE OWEN. EMMIE was hired on August 4, 1942 as temporary help for "a week or ten days." That temporary job will end on June 28 when EMMIE, whose Bradley career has been spent almost entirely in Timekeeping, takes early retirement. Her reasons are twofold: 1. To take care of her mother who is almost 89 and suffers from arthritis and 2. Her daughter Jacqueline, is completing her studies at DeVry Institute of Technology in Chicago and will be on her own. Other future plans depend almost entirely on her mother's health. We wish her a very happy retirement. She's earned it.

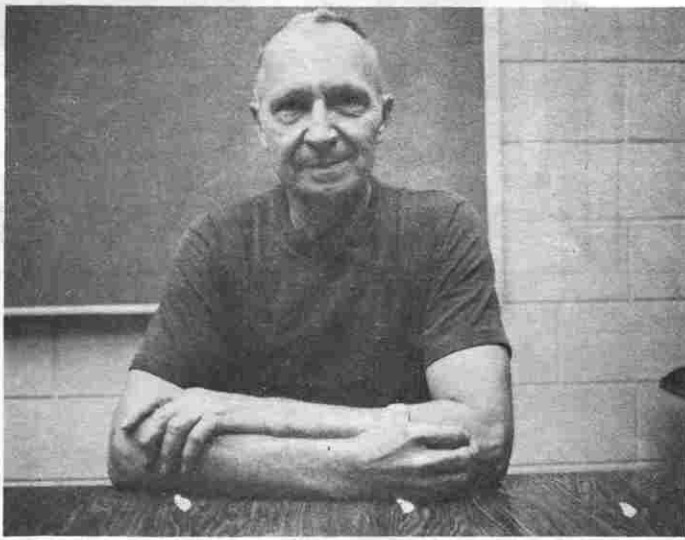

PROPER FOOTWEAR

The Company would like to see all employees wearing safety shoes at work, but this is not mandatory. However the wearing of "tennis shoes," "sneakers," etc. is strictly forbidden for all employees whether male or female. This has been a rule for many years, but lately there have been instances where new employees reported for work with such footwear and had to be sent home.

WEDDING BELLS

Congratulations and best wishes to PAMALA HARMS, Accounting who was married to RANDY RABIDEAU of D/67 on June 22.

Also, KAREN CLARK, Shipping became the bride of Eldon Surprenant on June 8.

RETIREE

FRANK SCHULTZ of the Machine Shop has worked here at Bradley since 1939 and is 62 years old. He is also tired, so on June 28 he is calling it a day and is taking an early retirement. **FRANK**, who enjoys good health, plans to do very little of anything except fish and hunt and work around the home at 254 No. Fulton in Bradley. Since he has relatives all over the country in such pleasant places as California, Arizona and Minnesota there will be quite a bit of traveling at a later date.

RETIREE

He certainly doesn't look it, but **CHARLEY THEMER** reached his 62nd birthday last November and has decided to retire effective June 28. This highly efficient repairman has only been with us for 12½ years but spent almost 25 years at Kroehler before coming here. **CHARLEY** says he is just tired of working and plans an initial period of rest after which he plans some fishing. He farms 32 acres of land and lives just west of the Oak Springs Golf Club. We wish him well.

GOLF LEAGUE

The first half of the season ended Tuesday and the first half champions are **DON SNYDER** and **BILL HARTLEY** who finished with 265 points and later will play the second half winners for the league championship. Finishing behind the champs were the following:

- 5. **GIL BERGMAN & TOM LAFLAMME** 224 pts.

Low Team Net was won by **JOHN GRIMES** and **DON LANDREY** who had 64. **DON JENKINS** and **MIKE PUFFER** had 65 and **FRED DUST** and **CHUCK LABELLE** had 69.

Next Tuesday the league will play, but then there will be a two week layoff due to vacation shutdown.
