ROTO-SPADER PROGRESS REPORT By J.F. Mallaney-V.P. Sales

So far we're right on target. We made our schedule in February and again in March. By the way, the schedule called for building 7,000 spaders during March. In 1971, we shipped 6,034 all year. To show you how the spader business is growing, we will ship over 20,000 from January 1 through March of this year. Isn't this great!!!

Let's not slack off though. April schedule calls for 7,700 units to be produced.

As a result of this fine effort on everyone's part, we will be making another new model spader next year for Sears and Roper Sales.

This is another example of how Bradley Roper people can get a job done when they make up their minds.

Keep going!!! Keep up the good work!!! and,
"THINK SPADERS"

GOLF LEAGUE

The Roper Outdoor Products Golf League will begin play on Tuesday, April 22, with 22 teams as follows:

"A" PLAYER		"B" PLAYER
Team No.

19. Tommy Brown	&	Bob Gibson
20. Wayne Rasmussen	&	Art Prouty
21. Pat McKeever	&	Bill Woods
22. Bob Mulvihill	&	Elmer Pahnke

IT HAPPENS ON MONDAYS

"Bowling That Is"

by Harold Siefert

The Maintenance crew made a mighty bid to overtake the "Welders" but only ended up just breaking even. Both of these teams grabbed three points tonight and both will meet next week which will be the final position night. All the "Welders" need to do to take the 2nd half championship is take one (1) point. After the way "Maintenance" burned up the place tonight that might take some doing. "Assembly" had a 2963 series and still ended up 51 pins behind "Maintenance" who came up with 3014 series. Four members of the "Maintenance" crew had a 500 series or better. RICH CLODI did all he could to stop them with a very nifty 613 series which I understand was the first time he has reached that 600 mark. RICH had games of 199-190-224, and needless to say that was the high series for the night. TERRY DUPUIS who bowled opposite RICH came up with the high game a nice 236. Also having a real good series was CHUCK BRINKMAN who had a 583 series. Here is the way the two top teams will match up.

	PTS.	W.	L.	TEAM AVE.	TEAM HCP.
WELDERS	36½	27	18	754	- 164
MAINT.	33½	25	20	790	- 140

As you can see "Maintenance" will be fighting up-hill all the way because they will be spotting the "Welders" 24 pins a game or 72 pins for the three game series. That's a lot when your three points behind on the last night.

The rest of the teams will be working hard to improve their positions and here is what they did last night. The "Welders" took three from "Forgers", the "Dispatchers" the same from "Stores", "Office" also took four from "Tool Room", "Maint." also took three from "Assembly" and the "Truckers" and "Suburbans" ended up with 2 each.

Good games and series were rolled by WILL ESSINGTON 204-537, ERNIE PERKINS 543, DAN LAFOND 526, BOB CRAWFORD 517, AL GUENETTE 502, LOU CONOVER 508, DON BAYLOR 218-515, RON HIRT 506, JERRY FORBES 535, GALE ALBERS 523, VIC WARPET 514, STAN BUTLER 507, CHUCK BRINKMAN 221-583, TERRY DUPUIS 236-571, PETE GERACI 506, and RICH CLODI 224-613. ERNIE PERKINS and PETE GERACI picked up the 5-7, BOB CRAWFORD the 4-9, RON HIRT the 5-7-9, and MYRON TAMBLING the 6-7-10.

BLOOD PROGRAM

WANTED TO GIVE AWAY: Female Chihuahua. House-broken. To a Good Home. Call 697-2412.

Due to Holy Week the Red Cross did not accept donors last week.

OLD TIMER OF THE WEEK

This week's honored employee ART DENTON has completed 34 years of service as of April 7, and will be 64 years old on July 2. Prior to coming here in 1941 and ever since he has done a little bit of everything. He has farmed, worked on the railroad, driven a truck and done construction work. Here he has worked in the foundry, been an assembler, crane helper, material handler, watchman and fork lift operator. But about fifteen years ago he found a home in Maintenance and has been there ever since being currently a bricklayer helper. During his travels around the plant he has belonged to three different unions.

ART and his wife Alice have been married forty-four years and have three children, four grandchildren and two great grandchildren. Daughter Rita Smith lives in Highland, Indiana and her husband is a supervisor at Inland Steel. Son Jerry lives in Watseka and is employed by Western Electric. Son William lives in Momence and works at Manteno State.

This fine Old Timer likes to travel, but prefers many short trips to fewer long ones. He is proud of the fact that, in 34 years, he has only suffered one short layoff and that was due to a coal strike.

FOR SALE: 64 Chevrolet Biscayne - 4 door - 283 Engine. \$100.00. Phone 933-7815 anytime.

BIRTHS

Congratulations to JOHN (Dispatching) and Pam SKIMERHORN on the birth of their first child, a girl Tanya Jean born March 26.

Congratulations goes to RICHARD (35) and Nancy THOEMING on the birth of their first child, a girl, Kira born March 25.
