NO PAPER

Due to the inventory and vacation shutdown this week's paper will be the last issue until production is resumed. The next issue will be published on August 1. It is the hope of the staff of the Roper Bradley News that all employees enjoy a safe vacation holiday.

We apologize to MEL BOULE, Vice President Manufacturing for inadvertently omitting his name from the list of those celebrating anniversaries in June. MEL started his Bradley career on June 11, 1935 and completed 40 years service this month.

"A promotion! How marvelous! I'll run right out and buy a pound of hamburger so we can celebrate!"

BLOOD PROGRAM

On Thursday June 19, the following employees were blood donors:

RON HIRT D/70
BILL SIKES D/35

MYRNA ROLPH D/35

evidence of how the blood program works to the benefit of all employees, we have received thank you notices from Mrs. RENE SUPRENTANT whose husband received replacement blood and from JOANNE HUMPHREY of Timekeeping whose mother also received replacement blood recently.

NO PICNIC

Due to the fact that so many people are on layoff and might be for some time, it has been decided that the annual picnic will not be held this summer. It takes a tremendous number of people to successfully put on a picnic on the scale to which our employees have become accustomed and there are just not enough people available to help. The decision to eliminate the picnic only affects this year's affair. Next year, if conditions are more normal, it will probably be reinstated.

This year instead of the picnic there will be something done for all employees later on, probably during the Thanksgiving or Christmas holiday season. Exactly what has not yet been determined, but a decision will be made in the near future.

BLOOD PRESSURE PROGRAM

Since the advent of the Blood Pressure Testing Program a total of 402 employees have had their pressure checked by the nurses. The areas covered have been: the Main Office, Dept. 10, Dept. 15, Dept. 15A, Dept. 35 and Dept. 93. If any employees in the above departments were missed, they should come down to the 1st. Aid at their convenience to be checked out.

WEDDING

Congratulations to PERRY REGNIER D/79 on the occasion of his recent marriage to BETTY JEAN DAVID. The couple were married on June 7.

We extend sincere sympathy to LOUIS G. MARCOTTE D/35 on the death of his mother.

OLD TIMER OF THE WEEK

This week we honor a quiet man who shows up for work every day, does his job well and is never one of those who makes a dash for the gate as soon as it is time to go home. This man is CLARENCE STUMP, who started his Bradley career on May 7, 1941. He started in the Tin Shop and early in his career worked in the Steel Yard and operated presses, bulldozers and drop hammers in the Forge Shop. About twenty-five years ago he suffered a serious illness that caused him to miss over a year of work and when he returned he transferred to Central Trucking which has been his home department ever since. His current classification is Leadman.

CLARENCE and his wife Juanita have been married thirty-eight years and have one daughter Rose Mary Richard. They also have four grandchildren and one great grandchild.

This great Old Timer is an avid bowler and has bowled in the Roper Outdoor Products league for many years. He is both a Cub and Sox fan and also likes to watch football and basketball. A former fisherman and hunter he has had to give up both activities in recent years.

"I'm not worried about the gas shortage, I have 500 gallons stashed away in my garage!"

GOLF LEAGUE

Hail to the Champs! The first half is over and the champions are BOB MULVIHILL and THURSTON JONES. Tuesday was position night and the champs had to battle the team of LEE HERSCHER and WALT BISHOP. The match was a complete standoff with each team scoring 25 points, but the twelve point lead held by MULVIHILL and JONES remained the difference. The champs now must await the end of the second half to see who they play for the league championship.

The top five teams are as follows:

1. BOB MULVIHILL & THURSTON JONES	315 pts.
2. LEE HERSCHER & WALT BISHOP	303 pts.
3. FRED DUST & MIKE PUFFER	285 pts.
4. PAT MCKEEVER & BILL WOODS	281 pts.
5. FRANK MCNASH & GENE SEAMARK	275 pts.

Low Team Net for the evening went to ERNIE PERKINS and HAROLD SAGE who had a 77. JERRY ALLIE and BOB FAENGER had 80 as did ROL SCHLEMMER and JERRY KINNEY.

In individual competition three golfers tied for Low Net in Class A with 35. They were FRED DUST, RON TANNER and MEL BOULE. Class B was led by THURSTON JONES 38, followed by 39's by ROL MADDIN and TOM SEYMOUR.

ERNIE PERKINS got the only birdie of the evening. The best Low Gross score in Class A was the 41 scored by MEL BOULE, while THURSTON JONES had a Gross score of 52 to lead all Class B golfers.

The first day of the second half will be Tuesday July 1, after which the league will take a two week layoff returning to the links on July 22.
