RETIREE

Pictured is ARNOLD "BUD" TREPANIER whose Total and Permanent Disability Retirement has recently been approved. BUD is only 52 years old, but has completed 32 years of service. His troubles started about 3½ years ago with a heart attack but he has continued to work until February of 1975 when he underwent open heart surgery. His recovery has been great and he feels better than he has in years but is no longer able to do his job as a Machine Operator.

BUD is now doing a lot of walking and plans some traveling later. He may be gone but the name remains with son Ron, who is currently on layoff from Dept. 35.

SYMPATHY NOTES

After 31 years of faithful and dedicated service, it is with deep regret we must announce the passing of AY-LING BURGESS, Department 35, Assembly, perhaps better known to us as "Flat Top". We express our deepest sympathy to his family and he will be missed by all of us.

We wish to express sympathy to the family of Retiree, JOSEPH HEBERT, on his recent death.

Also to HAROLD SIEFERT, on the death of his father-in-law.

OLD TIMER OF THE WEEK

This week we honor AL BARHAM one of the real Old Pros of the Machine Shop who started his Bradley career on May 16, 1941 at the age of 19. His only previous work experience had been two years at the Bear Brand. Other than the first couple of months here his entire service has been in Dept. 25 where he currently operates a grinder.

During World War II AL spent three years as a combat infantryman and attained the rank of Corporal. He was part of General Patton's army on the advance into France, Belgium and Germany.

AL and his wife Harriet have been married twenty-eight years and have four children and six grandchildren. Daughter Winnie Mae Sippel lives in Cabery. Daughter Karen Marek, whose husband is an ex army helicopter pilot lives in Phoenix, Arizona. Son Chuck, following in his dad's footsteps, is also in D/25 where he is currently on layoff while youngest son Barry is a freshman at Gilman High School.

This great Old Timer, who, in the last five years has missed only one day of work because of illness, has been a great fisherman and hunter for years but has cut down on both activities because he's beginning to feel his age. He still raises Brittany Spaniels for sale, but has discontinued raising Labrador Retrievers. However, he doesn't show his dogs in competition anymore.

SHUT MY MOUTH!

Of those I ask "How are you?"
Too many are inspired
To bare their ills and leave me
Bereft that I inquired!
