RETIREE

September 2, was officially the last day on the job for second shift nurse JANET RICE who reached her 65th birthday on August 8. Actually she has been on layoff since the end of July and has just a little less than three years here at Bradley. However, her career in nursing goes back to 1931 and one of her daughters is presently a R.N. at St. Mary's.

While JANET is technically retired she will still be available to substitute here as needed. She plans an extended trip to Wyoming and points west in the very near future and otherwise her only plans call for some babysitting for her grandchildren. This could keep her busy since the grandchildren number ten.

We wish her the best of luck.

OLD TIMER OF THE WEEK

This week we honor GIL LAREAU who started his employment at Bradley on August 23, 1955. He had actually worked at Bradley in 1939 and '40 but was then laid off and spent eleven years at Paramount Textile and four at Tait Mfg. Co. before returning here. He started as a machinist in the Tool Room but since 1961 has been a Tool and Die Maker.

GIL and his wife Maxine have been married for thirty-eight years and have one son and one grandson. Son Wesley lives in Antioch, California where he is an official at the local community hospital.

This friendly Old Timer has only one hobby, his music. For 40 years he has been a member of the musicians union and has played in many orchestras including those of retirees ROSS MILK and NAP LAFRANCE. He plays electric bass and banjo, and at present plays in a group called the Mello Tones.

Low net "A" was RAY DAUGHENBAUGH with 34, GIL BERGMAN 35, and VERN KRABBE at 36.

Low net "B" was ROL MADDIN with a 35, and a tie with FRED STEVENSON & THURSTON at 38.

Low gross "A" was MEL BOULE with a 39, and MIKE PUFFER low gross "B" at 43.

JOHN COFFMAN scored the only birdie on No. 1.

"NOBODY MISSES THE "5" PIN?"

The Bowling League is off and running as of last Monday night. After much discussion as to whether or not we would have a league the turn out was excellent.

We will however, operate with nine teams. The tenth being filled in from another source. The reason being we did not want to lose any of the alleys and the prime time. We have had a bowling league here for over thirty years and we want to continue.

For those who apparently practiced all summer, 200 games were turned in by BOBBY CRAWFORD 203, GEORGE FISHER 203, and DOUG DANKEL 200.

Super series were scored by BOBBY CRAWFORD 582, followed by GEORGE FISHER 513, JIM HAMPTON 512, STAN BUTLER 507, RAY MCNASH 505, JOHN JOHNSON 503, and DOUG DANKEL 500.

The 5 - 7 split was picked up by LARRY FORBES, AL GUENETTE and PAUL GIBSON.
