The Golf League completed its regular schedule last Tuesday and the only thing remaining is the final outing at the South Shore Golf Course on Saturday, Sept. 20.

The final standings for the second half are:

### AFTERTHOUGHT

It's a foregone conclusion that not enough foregone conclusions will be foregone.

## SUPER IMPORTANT

As you probably have heard, we have been recalling some of the laid off employees, not as many as we would like, but a few.

Its extremely important for you to let us know of any change of address or change of phone number. Simply call or stop by the Personnel Department if there has been any changes.

Also super important, don't forget to pay your insurance and hospitalization by the end of the month.

## 20 YEAR CLUB

The annual "20 Year Club Picnic" was held on Friday Sept. 12 at the Bradley American Legion. A ball park figure would be that 250 Old Timers attended. Refreshments were served before and after the dinner. Games were played and who got the money?

### OLD TIMER OF THE WEEK

Thirty-four years ago, last may 23, WILBUR LAFOND started to work here. He has spent his entire career in the Forge Shop area. Prior to coming to work here, WILBUR worked in St. Anne, at the Brick and Tile yard. He has spent his entire life as a resident of that town. Our guess would be that he hasn't missed 34 days during his employment, except for 1973 when he was off because of illness, and of course the twenty-two months he served in World War II with the Navy.

WILBUR and his wife Bernice have been married for 45 years and have seven children. Stanley, presently on layoff from Assembly, Richard, Heat Treat Operator in the forge shop, Jack, presently temp. disabled and Daniel who works for General Mills.

They also have three daughters all housewives, Sheryl, Pamela and Cynthia.

They have been blessed with six grandchildren and have spent some time as baby sitters.

WILBUR, likes to work in the garden and around the house, travels a little, and can take the Cubs and Sox or leave them.

### DEVOUTLY TO BE WISHED

The ship's steward stopped at the rail of the ship during a particularly rough ocean crossing and gazed compassionately at the man whose slumped position over the rail and whose intensity of gaze toward the depths betokened all too well the ravages of seasickness.

Gently, the steward patted the man's shoulder. "Cheer up, sir", he murmured. "I know it seems bad, but really, you know, nobody ever dies of seasickness."

The afflicted gentlemen lifted his greenish, tortured face to his comforter and gasped in hoarse accents, "Don't say that, man. For Heaven's sake, don't say that. It's only the hope of dying that's keeping me alive."

### BOTANY LESSON

A woman touring California for the first time saw a tree she didn't recognize. The guide told her it was a fig tree.

"Oh, that can't be a fig tree," the woman protested.

"Yes, ma'am," the guide said, "that's a fig tree."

"Well," she said, "I thought the leaves were much larger than that."

### "NOBODY MISSES THE "5" PIN?"

Again this week we still do not have a 10th team bowling. Therefore, there will be no sheets out as the, would not be right anyway.

Sept. 15th seemed to be a very good day for picking up splits. BOB CRAWFORD & LES MCQUILLIN picked up the 5 - 7, WALT DUPUIS 3 - 7, TONY STANISZESKI 5 - 10, AL GUENETTE 4 - 5 - 7, and HANK REITMEIER 4 - 7 - 10, & 5 - 9 - 7.

JERRY FORBES was top man with a very nice 232, TERRY DUPUIS 212 and LOU CONNOVER 204. The top series men were TERRY DUPUIS 562, LOU CONNOVER 522, and RAY FORBES 502.

Stores was the only team this week who seemed to be really going strong. They took 4 points from the Truckers.

"I see they've improved the price 15 cents a box, too!"
