OLD TIMER OF THE WEEK

This week we honor RICHARD SOMMER who came to work at Bradley on November 19, 1945. He had previously worked as a farm hand, had worked at the Kankakee Foundry and had finished his military service. He started here in the Forge Shop, but, after a few months, went to Welding as a trucker. For the past 29 years he has been a welder.

During World War II DICK was one of those who didn't wait for Pearl Harbor to get into the fray. Drafted on May 28, 1941, he served four and a half years in the Army with most of it in the Pacific. An anti-craft gunner, he saw action at Eniwetok, Saipan and Iwo Jima.

DICK and his wife EVELYN, who was widowed while he was in service, have been married 30 years and have five children and five grandchildren. The oldest daughter is DELORES HEDGE, whose husband MARION formerly worked here. The second daughter is LORRAINE PRESTON. Living at home are RICHARD JR., JUANITA and RONALD. The SOMMERS live in rural St. Anne.

This quiet, dependable OLD TIMER likes to tinker around his car and saves a lot of money by doing all his mechanical work. He also likes to work around the house and yard. He says this is the best place he has ever worked.

According to DON there are 371 people eligible to attend this year's picnic of which 154 are retirees and 217 are still on active payroll.

MR. BLANCHETTE announces that cards will be mailed this week to all and stresses that it is most important that these be returned promptly in order that proper arrangements may be made for the number who will attend.
