ROPER SCHOLARSHIPS

By now all of our employees should have received a letter explaining the scholarships to be awarded in 1978 to children of Roper Corporation employees. Over the years we at Bradley have been very fortunate with at least one recipient each year and several times two or three.

It is important to note that those hoping to qualify this time must be boys or girls who are entering their Junior year of high school this fall. They should contact their high school principal immediately since it is absolutely necessary that they take the National Merit Scholarship Qualifying Tests next month.

We hope all employees will take this opportunity to have their children compete and possibly win a four year college scholarship.

CHAIN SAW SALE

The Roper Sales Corporation is offering, to all employees, a special sale on the new extra light, extra quiet, electric chain saw. Originally priced to retail at \$89.95 the sale price has been marked down to \$35.18 including sales tax. Specifications are included in the circulars posted throughout the plant. This is a limited offer and employees who wish to take advantage of the sale should bring the necessary payment to the Personnel Department.

"... then I wonder what I did with my briefcase?"

FLU SHOTS

This fall as usual Roper Outdoor Products is offering to all employees on active payroll the opportunity to receive flu vaccine at no expense. Tentative plans call for administering the vaccine on Wednesday, September 22, 1976, here in the plant. Bulletin board notices will be posted shortly and it is most important that all who are desirous of receiving the shots sign up in advance. This is the only way an adequate supply of the flu vaccine can be ordered.

It must be noted that these are the same shots that have been given for the past many years and have nothing to do with the much publicized swine flu shots. However, the swine flu shots will be given later and supervised by the government. Present plans call for the swine flu vaccine to be given during the latter part of October. There should be at least a four week interval between the two shots.

OLD TIMER OF THE WEEK

This week's honored employee is our Industrial Nurse, **MARJORIE RYAN** who has just completed the twenty years of service necessary to qualify as an Old Timer, having started her Bradley career on September 6, 1956. She thus became Bradley's second nurse, replacing **MAE GALLAGHER**, who left to join the convent after sixteen years here. **MARGE** was born and raised in Cabery, Illinois, taking her nurses training at St. Mary's Hospital after graduation from Cabery High School.

MARGE was not an Army nurse during World War II, but she was certainly the next thing to it. In 1942 she was married to her husband **ED** shortly before he entered the service and worked at hospitals in New Orleans and Pittsburg, California while he was stationed there. When **ED** was overseas in Iran, **MARGE** worked two years at Billings Hospital in Chicago. **ED** returned to his job as an engineer for the I.C. Railroad in 1946 and **MARGE** did not work again until coming here except for a year of private duty nursing.

The **RYAN'S** have two children and one grandson. Daughter **JUDY**, an ex-teacher and stewardess for TWA is now **MRS. RAY SCHALE**. Son **BOB** has just completed work for his Master of Fine Arts Degree from Illinois State University and is looking forward to a theatrical career.

This capable **OLD TIMER** loves to play golf and knit. She is one of the better women golfers at the Elks Country Club and manages to play several times during the season. The **RYAN'S** have also managed to travel extensively during the last several years, both in the United States and abroad.

BIRTHS

Congratulations are in order for **RICH D/25** and **Sandra O'CONNOR** on the birth of their third child, a boy, **Eric James**, born September 1, 1976.

Also to **BOBBY D/66** and **Beck ELUMBAUGH** on the birth of their first child, a boy, **Jason Robert**, born August 20, 1976.

And to **MIKE D/25** and **Karen LARSON** on the birth of their first child, a girl **Erica Lynn**, born September 3, 1976. This makes **HOWARD LARSON D/25** a grandpa.

GOLF LEAGUE

With only two weeks left in the 1976 season the standings of the leading teams is as follows:

- 1. **TOMMY BROWN & OLIVER MILLER** 253 pt
- 2. **MEL BOULE' & LARRY POWER** 238 pts.
- 3. **BOBBY CRAWFORD & BILL LUSTIK** 234 pts.
- 4. **DOUG DANKEL & GUS LAROCHE** 227 pts.
- 5. **ROL SCHLEMMER & TOM LAFLAMME** 220 pts.

CRAWFORD & LUSTIK had a 73 to win Low Team Net for the evening. They were followed by **STEVE SERVE & GARY KINNEY** who had 76 and **EARL MASSEY & BOB FAENGER** with 77.

In Class A individual competition, **CRAWFORD** had the Low Net score of 35. **SCHLEMMER & MASSEY** had 36's. In Class B, **BOB BELL's** 37 was low while **GARY KINNEY & LUSTIK** had 38's.

WAYNE RASMUSSEN had the lowest gross score among the A golfers, a 42. **BELL's** 46 was the low gross in Class B.

Birdies were scored by **JOE DOMINICK, GEORGE BINGLEY, RASMUSSEN** and **CRAWFORD**.

League officials announce that the final golf outing will be held on Saturday, September 25th at the Dwight, Ill. Country Club. On that day **DANKEL** and **LA-ROCHE**, the 1st half champs will play the 2nd half winners for the league championship, unless they also win the 2nd in which case it would all be over. It is no too early for the regular and alternate golfers to make their reservations for the final outing with either **ROL SCHLEMMER** or **RON TANNER**.
