OLD TIMER OF THE WEEK

This week's honored employee is STEVE FORGACS, who was born and raised in Nokomis, Illinois near St. Louis, a town known as the home of Hall of Famers, Jim Bottomley of the Cardinals and Red Ruffing of the Yankees. However, STEVE left as a young man to come to this area to work at Kankakee State Hospital. He later worked at Elwood Ordnance for three years before coming to work at Bradley on November 27, 1945. Like many of the OLD TIMERS, STEVE helped to close two departments, Foundry and Furniture before finding his present niche in the Machine Shop where he now operates the Gear Hob.

STEVE and his wife MAY, who is Paul Legris' sister, have been married thirty-five years and have six children and three grandchildren. MARY BETH BYRNE, a registered nurse works at Lutheran General Hospital in Park Ridge, JOHN, a graduate of Southern Ill. U. is a railroad engineer for the Chicago Northwestern R.R., STEPHEN, a graduate of the U. of Arizona, is a counselor for the State of Illinois Dept. of Vocational Rehabilitation, KATHY CASPAR works for Kankakee Electric Steel, LEONARD owns his own rug cleaning service in Arlington Heights and SUSAN is a student at Kankakee Community College.

This fine OLD TIMER is an accomplished gardener and every year exhibits his products at the county fair. This year he had twenty entries in flowers and vegetables and won eighteen prizes. A great sports fan he got mad at the Cardinals when they traded Dizzy Dean and ever since has been faithful to the Cubs and Notre Dame.

We extend sincere sympathy to the family of BRUCE KARR D/67 and especially to his father BOBBIE, D/70 on his recent tragic and untimely death.

And to ARDELL HANNOVER, Purchasing, on the death of his mother.

And to INGE TILLEY D/15 on the death of her mother.

"THE BIG SPLIT" By Terry Dupuis

For the second week in a row we've only had one person to reach the 200 game, and that was by ROGER VOIGT who had a 225 and a 607 series. This is the first year ROGER has bowled in the Roper League, and so far he's "done it all".

There are three teams battling it out for first place but it's still early and they are ASSEMBLY, ENGINEERS, and WELDERS all with 10 points.

Tonight STORES shutout TOOL ROOM, WELDERS shutout TRUCKERS, ASSEMBLY took 3 from MAINTENANCE, PAINTERS took 3 from OFFICE, and ENGINEERS took 3 from DISPATCHERS.

Good games and series were bowled by: ROGER VOIGT 225-607, MIKE METZ 521, BOB HISEL 510, WALT DUPUIS 508, RAY FORBES 506, GALE ALBERS 505, GEORGE FISHER 503, and DANNY LAFOND 503.

There were a few splits picked up and they were by: TONY STANIZESKI the 5-10, LOU CONNOVER the 3-6-7-10, BOB GURZINSKI the 5-10, WILLARD ESINGTON the 6-7 and RALPH DOERHING the 5-10.

FLU SHOTS

One hundred and eighty-two employees received the flu vaccine shots last week at the plant. MRS. RYAN says there is still a limited amount of the vaccine available for active employees who missed getting the shots and would like to come down to First Aid.
