## BOWLING

The bowling Banquet took place on Friday, May 6th at the Homestead. The evening started with a cocktail hour and lead into dinner. After dinner, trophies and winning money were distributed. The meeting was then opened to discuss the bylaws for next year.

The turnout was quite good, the beer did not run out until after the meeting and the steak was tasty. From the editors side, I think all attendees had a good time.

Retirees participating in the Bowling League: LEROY MATHEWS, SAM RAIMONDO, HANK REITMEIR, WILLARD ESSINGTON.

**OLD TIMER OF THE WEEK**

This week's honored employee is RICHARD LEGRIS. RICHARD started to work at Bradley on March 3, 1952 after a brief employment at Florence Stove Co. and American Telephone and Telegraph. His first department here was in the Warehouse, where he found himself working with his older brother, GEORGE. After about six months he transferred to the Inspection Department where he remains today as a Group Leader Inspector.

DICK and his wife EDNA have been married twenty-eight years and have six children and one grandson, MAX. Daughter MARY PEERBOLTE is employed by Kankakee Federal. JOSEPH is a plating operator at Kankakee Plating. KATHLEEN is graduating this week from Illinois State University, Majoring in Biology. She also obtained a secondary teaching certificate while attending I. S. U. LINDA and SHERRY are sophomores at Bishop McNamara and STEVE is a sixth grader at St. Anne Academy.

This fine OLD TIMER admits the children have kept him pretty well occupied but also, he has found time to be a rabid sports fan and attends many McNamara games. Much of DICK'S time has been centered around the children and they enjoy traveling. When he finds free time, he enjoys the relaxation offered by fishing.
