**RETIREE**

ADAM LEROY BEACH will be retiring in August 1977 with his last working day being June 10th. LEROY began his career rather late in life on February 5, 1963 but prior to joining us, he spent thirty-one years with Bear Brand Hosiery Company. LEROY did mention that he worked here in the Wood Shop for a year at age fifteen, but who can verify those records! LEROY'S first assignment was as an Assistant Checker in Department 80. He also worked as a furniture assembler, machine operator, assembler, one year on the office payroll, and lastly as an Inspector. He has been in the Inspection department since November of 1969.

LEROY at present is not married, but from a previous marriage had one daughter, SANDRA, who lives in Chicago.

LEROY, after retirement, plans to take it easy and do a little yard work. He enjoys watching athletic events of any kind and considers himself to be a Cubs fan.

He states he has enjoyed working here and feels that he will miss the friends that he has made.

### INSURANCE NOTE

A few of our employees have received insurance cards thru the mail. Any of those employees who have not returned them to the personnel department, we are asking them to do so as soon as possible.

If any problems or questions arise, feel free to give us in personnel a call or drop by to see us.

We extend sympathy to FRED GIFFORD D/35 on the death of his father-in-law.

Also, to WAYNE SMITH D/35 on the death of his mother.

### LADIES GOLF

At approximately 5:15 p. m., 8 brave girls defied temperatures in the low, low 50's and winds at 70 mph with wind gusts up to 150 mph to prove that not all of the patients are locked up - some are still at large. The following girls participated:

Donna Kiedaisch, Kathleen Benoit, Carol Rabideau, Delma Burkhalter, Kathy Dupuis, Jean Gurzinski, Jessie Manns, and Mary Frink.

Points were awarded as follows:

LOW GROSS:			LOW NET:		
DONNA	46	3 pts.	DONNA	36	3 pts.
KATHY	55	2 pts.	KATHLEEN	37	2 pts.
DELMA	57	1 pt.	CAROL	39	1 pt.

### TOTAL POINTS AWARDED TO DATE:

DONNA	20	2/3	pts.
JANET	12	1/6	pts.
KATHY	9	1/2	pts.
CAROL	4		pts.
DELMA	3		pts.
JEAN	3		pts.
KATHLEEN	2	1/2	pts.
SANDY	2		pts.
MARY	1	2/3	pts.
MARION	1	1/2	pts.

The first Birdie of the season was scored by DONNA on number 6. I wonder if the wind was gusting at her back. Congratulations DONNA!

### PERSONNEL COMMUNIQUE

For the past few weeks, nurses, MARGE RYAN and DIANE PECHAUER have been giving blood pressure checks throughout the plant and also in the First Aid Station. The final push for all employees to have their blood pressure taken has been done and 650 employees have been checked.

Due to the retirement of PETE LAFFEY, our previous editor, and the lack of newsy items in the summer the newspaper will begin to be published on a bi-weekly basis.

Once again the Personnel Department has turned into an answering service for our employees. We must again remind families and friends of our employees, messages left for our employees should be for emergencies only. We are asking our employees to inform their families and friends to use discretion when calling them. As we have done in the past, a log is to be kept on all incoming calls to the employees.

### OLD TIMER

This week's honored employee is LOIS REYNOLDS who has been with us since June 9, 1952. She reported for work three days after graduation from St. Anne High School as a clerk-typist in the Repair Parts section. She has spent almost her entire career (twenty-five years) in Repair Parts and has been classified as a stenographer, Junior Service Parts Control Clerk and now as a Clerk-Specialist. The exception consisted of two years in the Print Shop.

For the past fifteen years, LOIS has been married to DR. JACK REYNOLDS, a local chiropractor. She spends the majority of her free time helping him and has been qualified as a Chiropractor Assistant.

The prior article on LOIS mentioned that her main hobby was playing the electric organ and that she was all "wrapped up" in it. Since, she has been assisting her husband more now than in the past, she decided to sell the organ. With the leisure time she has, she enjoys bowling and playing golf, although she does not participate in any Roper Leagues and boating.

"This is the greatest day of my life, I've been expelled!"

### MODERN MATH

The shortest distance between two points is always under construction.
