APPRENTICES

ictured above our four apprentices are shown receiving their Certificate of Completion from their respective supervisors.

The picture on the left shows Dennis Allen, model Maker and Les Puffer, Robert Crawford, Model Maker, (who completed training as a Tool & Die Maker) and his former supervisor Ray Schnell. The picture on the right is Don Peters, Millwright and Rodney Legro, Pipefitter receiving their awards from Webb Kohl Superintendent of Maintenance.

RETIREMENT SEMINARS

Just a reminder for those that signed up to attend the Retirement Seminars, mark your calendar - the two dates are Saturday, October 22, and Saturday November 5.

UNITED WAY

Once again we are asking our employees to give their FAIR SHARE to the United Way.

By giving your FAIR SHARE you will be helping those less fortunate people throughout the country.

For the past eight years the employees of Roper Outdoor Products have been awarded the Campaign Award for pledging their FAIR SHARE.

When your representative of the United Way committee contacts you please remember the goal of \$577,239 and give your FAIR SHARE.

Richard Schultz	D/35
Betty McKeever	D/35

IN THE GAME of life, as in other sports, you can pick out the winners—they're the ones who aren't complaining about the officiating.

—Bill Vaughan in Kansas City Star

OLD TIMER OF THE WEEK

This week's honored employee Walter Dupuis came to Bradley on January 7, 1953 after three years at Kroehler & Florence Stove.

He started in the Machine Shop, went to Inspection then Receiving and in "55" went to Furniture, moved to assembly work on the Chain Saw Line when Furniture closed, and in May, of 75, moved to D/20 as a Powdered Metal Press Operator.

During the Korean conflict, Walt spent a total of three years between the National Guard and Active duty was as a Pfc., all of his duty was in the United States.

Walter and his wife, Rose (also a Roper Outdoor Products employee) have been married twenty-five years and have two children, Cathy 22, is a book-keeper at Fred's Standard in Bourbonnais, and Mark 20, works at Kroehlers.

This friendly OLD TIMER has an identical twin, Wallace, who works at Roper Appliance. Both attended St. Rose Grade School and St. Patrick High School. I have been told that they really confused the opposition when playing baseball and basketball. Walter still enjoys athletics but is limited to golf and bowling where he participates in the Roper Outdoor Products leagues. He, after all these years, is still dissatisfied with his average but mostly the non-consistency of high scores. He also enjoys athletic events as a spectator.

EMPLOYEE SALES

Apparently there have been some questions raised as to how to purchase Roper Merchandise.

The Personnel Department has available the special prices that have been established on Roper Brand Products. They will give you an authorization letter to purchase the merchandise. In the future, only Roper Brand Products will be sold to employees. If you have completed your probationary period and are interested in purchasing Roper Products at a discount, drop by the Personnel Office.

BUSY DAY

"No, I can't give you an appointment; I have 18 cavities to fill," said the dentist.

"But, Doctor," exclaimed the nurse, "you don't have any appointments for this afternoon."

"Oh, yes, I have," answered the dentist, picking up his golf clubs.

BOWLING

This Monday night brought Marv Stanley his first 600 series and the first of the 77-78 season with a nice 203 - 200 - 199 - for a 602, other good games and series were put together by Jerry Hartman 215 - 56, Terry Dupuis 211 - 556, Doug Dankel 202 - 513, Bu Wagner - 555, Jerry Reagan 553, Hank Reitmeir 519, Dan Lafond 205, and Bob Crawford 202.

Splits were picked up by Tony Staniszeski the 5 - 7, Harold Siefert 4 - 10, and Lou Connover the 3 - 10.

FLU SHOTS

As of October 10th, 189 employees have received their flu shots. We have approximately 50 employees who signed up but did not come in for the shot.

If you are one of these 50 employees who did not receive the shot, please drop by First Aid.

Even if you have now decided not to receive the shot, please let Marge know so that some other employee who did not sign up would be able to get the flu shot.
