MEDICAL COVERAGE

It appears that some of our employees may have a misunderstanding about dependent coverage and have been paying insurance for dependents who do not qualify for insurance, the policy reads that Medical Care Benefits are available to your spouse and un married children over seven (7) days and under nineteen (19) years of age. Children nineteen (19) to twenty three (23) years of age are also eligible if they are un-married, full-time academic students and are primarily dependent upon you for support.

Even if you are paying for their coverage and they are not full-time, unmarried academic students, coverage will not be given.

If you have any questions, please drop by the Personnel Department.

FEATURED OLD TIMER

This weeks honored employee is Clarence "Bud" Huff who started to work at Bradley on January 28, 1953. Prior to this date, Bud worked at Kroehlers, Florence Stove and Turks. Since coming here, he was quite a rover, starting in the Steel Yard and then going to Receiving, Cutting-in, Shell Line, and Plater before going to the Forge Shop where he is currently listed as a Heat Treat Operator on the second shift. Bud seems to have settled down, since he has been in the Heat Treat area now for ten years.

During World War II, Bud spent two years in the Navy. Most of that time was spent on sea duty in the South Pacific where he was an Armed Guard. In other words, he was a member of a gun crew on a Merchant Ship, a rather hazardous duty, they tell me.

Bud and his wife Bernice have been married twenty-two years, last October, and have a daughter Judy, 17 a senior at BBCHS. He also has three step children.

This fine Old Timer has two main hobbies, gardening and fishing. This year he was quite proud of his carrots, beets and tomatoes.

FOR SALE

Boys 24" Schwinn "Sting Ray" Bike, very good condition. \$30.00. New Yamaha Guitar \$80.00.

Call: 932-0695 after 5:00 p.m.

HOSPITAL INSURANCE CLAIMS

Just a reminder.

To all those who have insurance claims, it is your responsibility to come to the First Aid Station to sign the necessary forms that are required in order that the claim may be processed.

NOTE

Please report any change in your address, phone number, or insurance promptly to the Personnel Office.
