NUMBER 4

M. E. WINS 30-28 IN GREAT GAME AGAINST ST. JOE

Just what was expected in the way of an interesting battle when the Holy Name and Bradley M. E. basketball teams met Monday night, materialized in every respect. The players of both teams gave a fine exhibition of all-around playing which thrilled the spectators from start to finish. Both teams fought with such intensity that the score was never safe for either side, and the final whistle found the count knotted at 28 to 28. Two overtime periods had to be played, and "Timmy" Book proved to be the hero, by sinking a nice shot which gave the M. E. quintet the victory by a 30 to 28 score. This triumph gives Art Book's boys two victories in the last three years of competition between the two rivals.

Some nice passing gave M. E. the lead in the early stages of the game, which however, was constantly threatened by the Holy Name basketeers. J. Book and Chartier combined their basketball skill to keep their mates in front, while their opponents seemed to have difficulty sending the ball through the hoop. Their close in shots would totter on the edge of the rim and fall to drop in, and with the M. E. defense making it tough to break through, the St. Joseph boys found it necessary to resort to numerous long distance shots. Paul Toliuszis sparkled in this respect, while the "dynamic midget" Jerry Powers, was making his presence keenly felt by playing a bang-up ball game in every department. The youngster accounted for two field goals and two free throws. Paul chalked up four baskets and one free throw.

Exciting Finish

Individual scoring honors for the winners were shared by Book with nine points and Chartier with eleven. Lustig made good on five attempts from the free throw mark.

With four minutes left to play and the score tied at 26 to 26, Chartier furnished a field goal which looked like the deciding factor of the game. The minutes were quickly speeding by, when with less than a minute left Toliuszis sent a long shot whizzing through the air from the middle of the floor. It found its mark. The first overtime period failed, to result in a score although Chartier had an excellent chance on one occasion when he dribbled the length of the floor and kicked the ball as he parked under the basket.

Several minutes elapsed in the second overtime period before a score was chalked up, although both teams took numerous shots at the basket. Book finally relieved the suspense.

Local Gals Win

In the opening game of the evening the Bradley M. E. Girls defeated the Y. M. C. A. girls 18 to 13, requiring an overtime session. "Billy" Lock starred for the winners while "Fat" Schultz was the standout for the losers. The local gals led all the way until the last five minutes of play, when the Kankakee girls crept up to tie the score. Lock supplied the winning points in the overtime period.

St. Pats CYO team handed the Kankakee Lutherans a 39 to 30 defeat in the second game of Monday night's games. Volkman with 10 points was high man for the Lutherans and Tammen made five field goals to cop individual honors. He played for only a brief time.

FAIR SEX OF M. E. CHURCH ALSO FAIR IN BASKETBALL

Bradley M. E. Girls basketball team, coached by Miss Vera Larsen, has been showing fine improvement since entering into competition with other girl's teams at the start of the 1933 season. In that year they won five games while losing seven. To date, this year, they have won four and lost four. Only a few of the girls had basketball experience before receiving instruction from Manager-Coach Larsen. The photograph does not include Gladys Travis and Elinor Kamman, who have joined the team since the picture was taken.

DART BALL NEWS

Three games were played last Thursday night at Trinity M. E. Church. The boys lost the first game 3 to 28, won the second game 6 to 1, and lost the third game 5 to 4. The first game went twelve innings.

A new star was uncovered at this game in the person of Charles Prue, even to the extent of making a better record Thursday night than his son Leslie, having made a two-base hit and a home run. Being his first game, we wonder whether it is the proverbial beginner's luck or whether Charlie is naturally a dart ball player. Future games will tell.

BRADLEY HIGH GYM TO BE SCENE OF FOUR DAYS OF BASKETBALL COMPETITION

The Seventh Annual Kankakee County High School Basketball Tournament will be held in the local high school gymnasium on the evenings of February 6, 7, 8, and 9. Bradley is fortunate in being centrally located and having a gymnasium suitable to hold the tournament, as it is a convenience to the local fans to see the games without traveling to another town.

This year's tournament should be the best ever held in the county as all of the teams are very evenly matched, as indicated by the scores of regular scheduled games.

In former years the entries have been Grant Park, Chebanse, Manteno, Bradley, Herscher, Reddick, Momence, and St. Anne. This year Bonfield has entered a team, and Peotone was admitted. The increased number of teams will make it necessary to play fourteen games. There will be four games on Wednesday evening starting at 6.00 p. m. On Thursday there will be three games and the remaining games will be played Friday and Saturday evenings.

Outstanding Officials

Harlow Sutherland of Bloomington and Nathan Wesserman of Chicago will referee the games. Both of these men have the highest ranking in the State Officials Association, and are otherwise known as officials of the highest order.

The honors of past tournaments have been well divided. Herscher, St. Anne, Bradley, and Momence have each won one tournament and Manteno has won two championships.

The free throwing tournament will be held again this year, on the same plan as last year. Chartier, a local boy won last year with 66 out of a possible 75.

BLANCHE WORMAN MARRIES

Mrs. Clara Worman of Kankakee announces the marriage of her daughter Blanche, on January 19, to Dr. A. Seaborg of Chicago. The ceremony was performed by Rev. Nel Seguire in the couple's new apartment at 1604 Woodlawn avenue, Chicago. After the ceremony a dinner was served at the Wedgewood Hotel for the bridal party. Mrs. Seaborg is a graduate of Bradley High school, class of 1925.

TWO GAMES FRIDAY

Bradley Factory plays the Victor Chemicals of Chicago Heights at the local gym Friday night. The games will be played between the regulars and reserves of both teams.

AMERICAN LEGION NEWS Bradley Post 766

Rehearsals have been started for our minstrel show which will be presented in a few weeks at the Bradley High gym. Much enthusiasm was shown by the Legionnaires at their meeting. The boys were in good form and the audience will be treated to some very fine singing and repartee. With able and well known choristers like Jack Rivard, Ross Saltsier, Judge Hassett, Chick DeLong and Roy Erickson we have the nucleus of a splendid choral aggregation. With Rev. Bob. Chapler to tickle the ivories our preparations for the great event promise a decided musical treat.

Our Post basketball athletes met some impressive opposition at the Orange Crush gym recently. The well seasoned basketeers from Kankakee Post defeated us by the score of 26 to 6. Capt. Rivard was our main cog and while some of his pet combinations failed to succeed, he was glorious in defeat. Hassett at center (Ripley please note) played through the game without touching the ball, if that isn't a record then this scribe doesn't know his spinach. Chick DeLong and the other members of the squad made things fairly hot for the Kankakee crowd. Coach Mur-laire was aided by George Mulligan in priming the boys. What we need at the games on our schedule is a larger number of rooters and we ask all our Legion buddies to come out and root for your Post.

The following names of members of the Bradley Post of the American Legion did not appear in the list published last week; as the list furnished for publication, it was stated, had not been brought up to date at that time.

Ronald Bleau
John Briscoe
Harry Baltazor
Perry Chamness
Nathan Chamness
Frank Evans
Charles Greenstreet
Fritz Hertz
Edward Houzik
Ben Johnson
Harry Kassman
Arthur Lagesse
Walter Lagesse
Walter O'Conner
John Pechaur
Raymond Ryan.

IMPORTANT NOTICE

Our plans are to move all of our equipment into the Woodmen Hall building this week end. If there should be some unavoidable delay, it may mean that there would be no issue of the "Times" the coming week. However, we shall strive to publish a paper, if at all possible.

We ask that news items be submitted as usual for next week.

PERSONALS

Ed Lefine was pleasantly surprised Wednesday evening at his home by a number of friends and relatives, who came to help him celebrate his birthday. Cards were played with honors going to Mrs. J. BRADLEY UNITED BRETHREN

H. I. Newell, Pastor

"Christ came not primarily to live His life but to give His life. We are saved by atonement not by attainment."

BIBLE SCHOOL 9:45 A. M.—Every spiritual awakening that has taken place during the Christian era has been the result of fearless, uncompromising, God-called men who would preach the Bible as it is to men as they are. If the present tide of lawlessness, immorality, and self-righteousness is to be overcome, it will be brought about only through the preaching and teaching of God's message to man—the Bible. Our Bible School teaches the Bible to boys, girls, and adults as God's message to them. If you believe in this type of religious instruction, bring the entire family and study with us.

MORNING WORSHIP 11 A. M.—What does the Bible have to say about the rewards of believers? Come next Sunday morning and hear, what, "Thus saith the Lord." The subject of the message will be, "The Judgment Of The Believer's Works."

EVENING SERVICE 7:30 P. M.—The subject of the message will be, "The Man Who Waited For Something To Happen." Invite your friends and join us in this evangelistic service. The mid-week prayer service is held each Wednesday evening at the home of Arthur Anderson on Broadway.

BRADLEY M. E. CHURCH

Robert Frederick Chapler, Pastor
9:45-10:00 OPENING EXERCISES of the Sunday School. William Shreffler, Superintendent. Mrs. William Knox and Miss Frieda Larsen, pianists.

10:00-10:30—SUNDAY SCHOOL BIBLE CLASSES. There were 203 in the Bible Classes last Sunday morning. This is the first time in the history of the church that the Sunday school attendance has been over two hundred on consecutive Sundays. The average attendance for the month of January was 192, the highest average of any month recorded in the Sunday School. Four members were awarded the Bronze Pins last Sunday: Arthur Book, Everett Butts, Norma MacKenzie, and Mrs. William Knox. A number of new pupils have entered the School since the first of the year. This is a family Sunday School and we urge every father and mother to bring their children to Sunday School. Forty men attended the Men's Bible Class last Sunday, which class averaged 38 during the month of January and is the largest class in the Bible School. A cordial invitation is extended to any man and boy in Bradley to attend this class, and who does not attend elsewhere.

10:30-11:15 — MORNING WORSHIP SERVICE. Rites of baptism will be administered at this service. Any adult or any parents who have children to be baptized, please notify Rev. Chapler sometime during the week. "Give us this day, our daily bread, and forgive us our trespasses as we forgive them that trespass against us" is the topic for the sermon. New members will be taken into the church.

6:30 — EPWORTH LEAGUE PROGRAM.

7:30 — EVENING WORSHIP SERVICE. Epworth Leaguers will have charge of this service and the entire evening will be devoted to these young people. The membership and their friends are urged to be present.

James Virgil Topliff, son of Mr. and Mrs. James Topliff, and Robert Warren Stuck, son of Mr. and Mrs. Orlando Stuck, were baptized last Sunday morning.

Making your plans for 1935 will mean little if you don't get busy and begin carrying them out.

Sarah Ann's Cooking Class

In the South rice is served often, few foods have as dainty a flavor. It has about the same food value as white flour, cornmeal or macaroni. Rice blends ideally with vegetables, meats, eggs, cheese, fruit and milk. The most important of all rice dishes is boiled rice as it is the basis of most rice recipes, therefore it is important that the cook knows how to properly cook rice before attempting any rice recipes.

Boiled Rice

Wash the rice in cold water several times. Have ready boiling water—8 times as much water as rice—adding one teaspoon salt to each quart of water. Add rice to the water slowly, taking care not to let the water stop boiling. Let cook undisturbed for 25 minutes or until the rice is tender. When done empty the rice in a colander and pour hot water through it until the grains separate. Drain, place the colander in the saucepan. Cover with a clean towel and let stand on the back of the stove 5 to 10 minutes.

Chicken and Rice en Casserole

1 green pepper shredded
2 cups cooked rice
1 1/2 cups chopped cooked chicken
1/4 teaspoon salt—paprika
1 cup milk
1/3 cup bread crumbs.

Saute green pepper in a little shortening until tender but not brown. Put a layer of cooked rice in bottom of greased casserole. Cover with a layer of chicken and green pepper. Repeat layers until all is used. Season with salt and paprika and pour milk over all. Cover top with crumbs and dots of butter. Bake in an oven 350 degrees for 15 minutes.

Creamed Eggs with Chili and Rice

To two cups of well seasoned medium white sauce, add 1 teaspoon chili powder and 6 hard boiled eggs cut in quarters. Meanwhile, cook one cup of rice, season it and arrange it in a border around a platter. Pour egg mixture in the center.

Creole Rice

Have hot 1 cup of cooked rice, Melt 4 tablespoons bacon fat, add 1/2 cup sliced onion, 1/2 cup dried celery and 1 green pepper shredded. Cover the pan and cook slowly for 10 minutes. Add 1/4 of a clove of garlic, 3 cups canned tomatoes, 1 teaspoon sugar, 1 teaspoon salt and a little pepper. Cook slowly for 25 minutes, thicken with 2 tablespoons flour mixed with a little cold water and stir into the rice. Mix lightly with a fork and turn out into a hot dish. Sprinkle with a thick layer of Parmesan cheese just before serving. Green beans and braised celery make a good combination for this dish.

Rice Croquettes

2 cups cooked rice
3/4 teaspoon salt
3 tablespoons milk
1 egg, beaten
2/3 cup grated cheese
Cayenne
1 egg
1 cup bread crumbs
Mix rice, salt, and milk together, add beaten egg, cheese and cayenne. Shape into small rolls. Beat egg and add 2 tablespoons milk. Dip croquettes in egg and roll in crumbs. Fry in deep hot fat until a delicate brown. Serve with roast lamb and currant jelly.

We Have 'Em

Habeed—So your wife quarreled with you? I thought you said she was blind to your faults.
Coyimjoglu—She was blind to them all right, but wasn't deaf, and the neighbors posted her.

Different

The prodigal son had returned. "Father," he inquired, "are you going to kill the fatted calf?"
"No," answered the old man, looking the youth over carefully; "no, I'll let you live. But I'll put you to work and train a lot of that fat off."

Wise Old Mose

Judge—Now, Uncle Mose, you always tell the truth, don't you?
Uncle Mose—Yassuh, Ah does. Ah Alwuz sticks to de trufe even effen Ah has ter stretch de facts a little to do it.

Should Say Not

Housewife—I'm afraid you're not fond of work.
Hobo—Why should I be? Work is what killed my poor wife.

Comment

By the Editor

There are many people who have not had the privilege of attending college. Some of them, no doubt,

have the idea that they are not "educated." They may be right, and they may be wrong. Education is not a question of going through any school or college, or university. One of the prime accomplishments of an educated man, as we see it, is to be able to cooperate intelligently with his fellow man. This means a willingness, as well as an ability, to get along with other members of the social group. No matter how much a man may know or how many degrees he may have, he is far from educated if he is unable to meet his neighbors on common ground and work together for the common good.

There are readers of "The Times" who have never seen the inside of a college, who, nevertheless are better educated than many degree-holders. They may be a little bit short on intelligence, of a certain type, but they are long on common sense and they have picked up enough information to be able to cooperate.

This article is not to disparage education. It is rather to encourage those who cannot go to college. Let them keep up, as best they can, with current affairs, read as much as they can about subjects they do not know and never forget that true education is what a man learns and makes his own, not what he gets out of a book merely for the purposes of making a recitation that will pass him.

Some well meaning people have pointed out where this paper might be improved, particularly, with regard to its reading matter. No suggestion that I have received, however, has differed from my own ideas of improving the "Times." I ask that the public be patient. My promise to the people is that I will give them AN INTERESTING newspaper; but naturally it takes a little time to get around to all of the details.

Everybody agrees that there are too many highway fatalities in Illinois but the living do nothing about it and the dead can't.

The real triple A is advertise, advertise, advertise.

One way to get your name in the paper is to write a letter to the editor telling him how good he is.

"The Times" will be glad to receive news items, or letters, from its readers. Sign your name for identification; it will not be published if you request us to omit it.

U. B. CHURCH NEWS

A large number attended the church at St. Anne Tuesday evening where the League of Nation group from the Bible college of Binghamton, N. Y. held its services. Bert Norman a former member of our young peoples class, who is attending the college, was present.

Mr. and Mrs. John Flint entertained about 35 friends Saturday evening. Everyone missed James Englehart, as he is one of the laughs at a party, but Margaret Hackley, Roy Erickson, D. Bilyard and Chick DeLong proved to be very capable entertainers. A late lunch was served, which was both welcomed and enjoyed.

Regular month board meeting will be held Friday evening at 7 o'clock at the home of Frank Erickson on N. Cleveland avenue.

Rev. and Mrs. H. L. Newell, accompanied by a lay delegate, attended a special conference of the United Brethren church in Bloomington, Wednesday of this week.

Bradley High School: A regularly Recognized and Fully Accredited Four-Year High School

HEAVIES DROP TWO GAMES; LOSE TO ST. PATS AND RED- DICK; LIGHTS WIN TWO

Last week saw the local high school basketball team in action in two of their hardest games on the schedule. On Friday night the locals played St. Patrick of Kankakee on the local floor, and although the dope had it that St. Pats would win by a lopsided score the Bradley team went into the game with all they had and were successful in piling up a score during the first three quarters of the game 19-13 that gave them great hopes for victory. However, four of the Bradley regulars were ejected on fouls and it was then that St. Pats were able to pass up the locals and win 24-20.

The greater bulk of local fans agreed that Bradley outplayed their opponents in every department of the game except at the free throw line. St. Pats were at a loss to gather infield baskets making only two such tosses during the first three quarters.

Lose to Reddick

The following evening the team played at Reddick, there they showed the effects of the hard play of the night before and were ineffective against the exceptionally tall Reddick team employing a tight zone defense on the small

floor, the locals were unable to get in for short shots and they had very poor luck on longs.

At the end of the third quarter Reddick was leading 26-9. In the final frame Bradley came to the front when Lock was successful on four field baskets, it looked for a time that they might overcome the almost impossible lead but the game ended 28-19.

This week the team plays at Mazon on Friday evening. They defeated Mazon on the Bradley floor early in the season. It is expected, however, they will meet a stronger team and on their own floor the game should be a toss up.

Second Team Still Winning

Even though the first team has run into some tough luck this year the second team has run along, gathering in the glory of victory.

Over the week end, they ran their string of consecutive victories to fourteen by defeating St. Patrick 26-25, and winning from Reddick 32-25. In these games Magruder, DeLonais, Pechauer, Gillen, and Hubert played the bulk of the game, as Damler the regular center is substituting on the first team while Toliuszis is off the squad with a bad knee.

Do little things now; so shall big things come to thee by and by asking to be done.
