Principal's Message

Bradley-Bourbonnais Community High School

S. A. SMITH, Principal
North Street and Center Avenue

BRADLEY, ILLINOIS

To the Students:

You are privileged to be a citizen of a great country, in one of its greatest periods of development. America is now taking its place as one of the leading powers, if not the leading power in world affairs.

America is great because of the manner in which it was organized as a democracy, because of its natural resources, because of its tradition, because each citizen has been recognized to have equal rights and privileges with all others, because each citizen could see the value of improving himself and his community, and also because many persons have been jealous of these privileges and have learned to assume their obligations as citizens. America has had to learn that along with rights and privileges to be enjoyed, obligations have had to be assumed and met.

Your high school is one of the agencies that assists you to be prepared to better take your place in such a society. Good citizenship in your school is the best preparation to help you meet the challenge of the future.

It is fortunate that we always have Young America with us. That is what perpetuates our vigor and growth. Each generation has grown to maturity and has met the problems of their day, as well or better than the preceding ones. We have the utmost faith that your generation will carry on the tradition of America in its position of world leadership.

Sincerely,
S. A. SMITH, *Principal*

THE SENIOR CLASS OF 1953

HAPPY OVER OUR BEQUESTS!

Prophecy

After 10 years of extensive travel during which time I saw some fascinating places, I was returning to Bradley for a short stay. Driving down highway 54, I discovered a familiar looking little woman hanging out washing. It couldn't be—but, yes—it was Terry Africano, now a little housewife taking care of her husband Al and Al Jr. We chatted for a while and she mentioned Leon Andreina, who is making out very well in the fur trading business up north.

As I left Terry, I decided to go to some exclusive place for lunch, but being rather tired, I thought a drive inn seemed best. Coasting in my Cadillac down East Avenue I heard someone shout my name, I turned and there was Lois Benoche, car-hopping at Queens.

Butch Arseneau was in the car next to mine lunching too. He introduced me to his wife—and nine children. She was the former Madonna Heinze!

Since it was early in the afternoon, I thought a stroll around town would be refreshing. As I was coming out of Sears and Hasemeyer Company, now under the management of an old friend, I noticed a moving van stuck on the Schuyler Avenue hill. I knew I'd seen the driver somewhere. Well of course it was "Bobbie Boy" Pippin. Seems that he's moving Ozzie and Jackie Peters' new furniture into their new home. He also conveyed the choicy bit of news that Maurice Shumaker now owns his own camera shop. Maurice is really in the money! He even has several employees. Larry Troutman and Gerald Kray are developing pictures for him. Arlene Frechette is working as receptionist and errand girl. I've always had a feeling that Arlene and Maurice would work well together. Something was certain to develop in that Photographic Studio!

As I was window shopping, I saw Mary Josephine Book in Stark's Hat Shop. The old girl has long black

hair now and she has her own beauty shop. She told me that Norma Rantz and Joyce Osenga were in the other day with their two little girls. Mary said that Norma and Jim Walters, Joyce and Ted Powell had a double wedding three years ago.

She just had loads to tell me! It seems that Nancy Simms, Lou Januski, and Bev Erickson are all happily married.

"Toady" Larsen and Nyla Nelson have been engaged for 10 years and any day now she expects him to pop the question.

Bill Sikes and Bill Travis have made a career of the Navy. They have a leave coming up next month, though, and there are rumors that Freddie Johnson is rounding up a big party for the boys. Seems that that Navy career is all that those boys are interested in these days. According to Mary, Fred is aging rapidly.

Gerald Kray and Bill Floyd have a partnership in a big riding stable. It seems that someone has been stealing horses. I was sorry to hear that Merlin Demaray is a suspect. He always did such daring things in school.

At the stable there is also a huge restaurant and a dancing pavilion. Mimi and JoJo Drummond have a cute little number they do as part of the act. It's some sort of ballet, I guess. JoJo always was light on his feet.

There certainly were a lot of old acquaintances out there. It must have taken away all of Rickett's business. A few of the couples were Phyllis Pierson and Ken Calabria. After 10 years, they're still in love! What really surprised me though was big, muscular Fred Krause, still single and living with mother. He always was such a "Casanova" in school.

Prophecy

What a surprise! Loisjane Simonich and Lu Lu Safiran just strolled in. By the looks of these girls, life in Bradley has really been an adventure during the past 10 years. They look ravishing! Social leaders of the city—people are saying.

We thought a drive would be nice, so we left, and now found ourselves heading toward Meadowview. As long as we were here, we thought that we might as well stop at Carol Chapmans. Her son, Johnnie Jr., is having his fifth birthday. Carol's so worried, she had just discovered three gray hairs.

I didn't realize so many of my classmates would be married. Bob Gibson and some little gal seemed deep in conversation. Why, it's Barb McGruder! She certainly has changed. Barb tells me Bob owns a cigarette factory now. That's swell! He once rolled his own, in Geography Class, back in '53. Bob told me that Bob Pasel is making millions from his Truck Stop. Bob went to Hawaii on his vacation and got a little involved when a wet fire to some girl's grass skirt.

Everyone seems to be getting along fine. There are a few unhappy ones, though. Without much thought of the future years back in '53, Pat Gulczynski and Pat Rittmanic ran away and joined the Waves for 15 years. Only five years more and they'll be out.

Their two old friends Rene Martell and Lyn Renfro started school at the University of Illinois the fall of '53. Lyn has been out for about six years now. Rene should be out soon.

A handsome, talented Bradley boy by the name of Dick Pettit is now a professional basketball player. He's center for the Minneapolis Lakers. That boy will go far.

Don Bilyeau is a traveling salesman selling nylon hose. Good old Don hasn't changed a bit!

JoAnn Robbins is a tap dancer in one of the nation's biggest carnivals.

Earl Witthoft is in movies doing emotional roles. Thanks to Miss Stelter's training, Earl is doing very well.

Glen Martin is getting fabulously rich in the Motel business and is planning a new string of motels for construction in Labrador soon.

Don Huggans and his Music Makers are playing at the Chez Patee. Darlene Palmer and Pat Martin, his vocalists are terrific, and have broken all past records for long engagements.

Poor old Rogie Dennison! I just can't believe that dignified boy is actually mopping floors in the Court House. Poor fellow. Seems he wanted to get down to the bottom of politics.

I'm glad to hear that Larry Kirchner and Phil Eby are distinguished lawyers. Our old schoolmate Hooker seems to be in need of one. That shy mouse, after 10 years, has finally gotten up enough nerve to break a window at Bradley High School. Oh well, everything can't go smoothly.

But the person that really surprised me was Paul Martin. He's now the principal of Bradley-Bourbonnais Community High School. Good old Paul is particularly rough with students who tap their feet on the floor in Study Halls.

So after 10 years, I found that my old classmates have drifted apart, and I hope they've all found happiness in whatever they are doing, but I also hope they'll never forget all the fun they had as kids together in "dear old BBCHS."

Student Council

On September 12 the school seemed to be rocking with noise. Yes, it was the big day. The Student Council election was being held. Some of the features were parades, campaigns, speeches and platform banners posted throughout the school. The vote was taken and on Monday the results were posted. Elected were: president, Jack Beaupre; vice president, Ken Calabria; secretary, Carol Chapman; treasurer, Robert Davis. This was the beginning of a successful student council.

Representatives were elected from homerooms and the council got right down to business. With the help of faculty advisors, Miss Fiene and Mr. Anderson, it tackled such major problems as Homecoming dance and parade. In December it sponsored a *Clean Your Locker Week*. Another new project of the council was the formation of a new intramural program. It also restored the right to vote for cheerleaders to the students.

The council feels that it has had a very successful year.

Band

The band, under the able direction of Mr. Baker, has contributed that lively musical atmosphere at the home basketball games and at some of the games of the K.V.C. tournament. The formations at football games, and especially at the Homecoming game and at the Homecoming celebration at Normal State Teachers College were outstanding. On the later occasion, Bradley acquired a second place rating.

One of the appearances of the band came with Bradley's participation in the parades for the Republican and Democratic National Nominees when they appeared in Kankakee.

'22 King and Queen

The Crowning of the 1952 Prom Queen and King

The Junior-Senior Prom

The theme of the prom was *Stardust* and although it was raining, there were stars in the eyes of the couples who danced to the melodies of Chuck Granger and his Downbeats.

The Kankakee Golf Club was the scene and the decorations were in keeping with that haunting melody, *Star Dust*.

As the orchestra swung into the theme melody, Marlene Lambert and Bill Sikes danced out on the floor, after being crowned Queen and King of the 1952 Junior-Senior Prom by Connie Weise and Leon Marlaire, Prom Queen and King of 1951. The attendants to the Queen and King were: Carol Chapman, Mary Lou Januski, Phyllis Pierson, Jackie Stowe, Don Bilyeau, Gerald Cyrier, Ozzie Peters, and Dick Pettit.

As the clock struck twelve, the couples started to leave, and the Juniors felt that all their hard work and preparations were well worth the effort.

'53 Homecoming Queen

Homecoming

The *Welcome Alumni* banners were flying at *ye old alma mater* on October 9th. The occasion of course, was Homecoming. The evening was cold and windy but the hearts of the Alumni were warm with memories of school days. Bright floats, with decorations vieing with the wind, passed in parade down our Broadway. Our big Homecoming dream was achieved when we beat Gilman by a decisive victory. Then pleasant dancing to the sweet music of Chuck Granger and the Downbeats.

The climax of the evening came when Jackie Stowe was crowned Homecoming Queen of 1952 by co-captain Ozzie Peters. The Queen's attendants were Pat Martin, Sandra Johnson, Marilyn Hawkins, and Judy Martin who were escorted by members of the football team.

A perfect Homecoming—the kind to dream about and the kind to remember.

Standing: Maurice Shumaker, Mr. Anderson.

First row: Gretchen Rapp, Teresa Petko, Jerry Messier, Eugene Tinney, David Swain, Gerald Kray, Mr. Canham.

Second row: Connie Zachary, Erna Bressner, Jo Ann Magruder, Rita Jester, John Lowey, Neil Allen, Merlin Demaray, Paul Gullet.

There are twenty-eight members in the club. The officers are: President, Pat Kinder; Vice President, Gerald Kray; Secretary-Treasurer, first semester, Terry Petko; Secretary-Treasurer, second semester, Maurice Shumaker.

Some of the projects accomplished were learning how to take, develop, and print pictures, and getting equipment for the school darkroom. Several field trips for taking pictures were enjoyed. Much portrait photography was also done.

CHEERING SECTION

Bradley Boilermakers

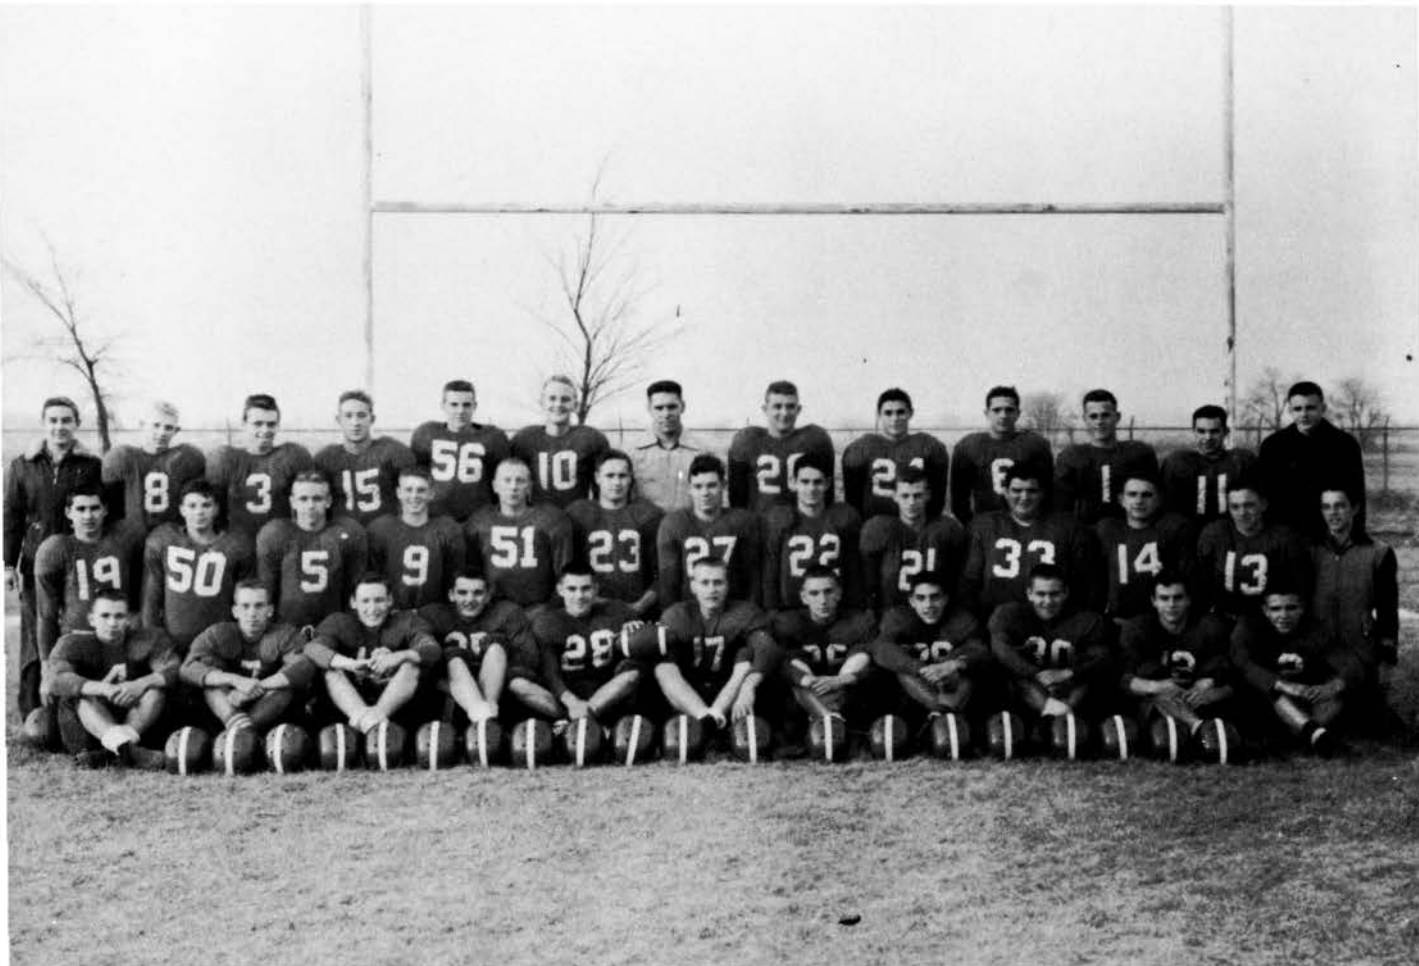

Bradley's young and inexperienced Boilermakers traveled to Pontiac for their first football game. The Indians had a good football team but the Bradley team showed them the kind of fight that was to be characteristic of them all season.

The next team that the Boilermakers met was the St. Anne Cardinals. We defeated them on "Ozzie" Peters' touchdown and Dick Pettit's extra point 7-6. The Lockport "Porters" handed Bradley its first defeat 27-20.

The Boilermakers got back on the winning trail by defeating Central 13-0. Again "Ozzie" scored both touchdowns. "Who's next, please?" asked the Boilermakers, and they grabbed the Gilman Owls and sent them home much wiser. The 14-7 victory was the perfect climax for the Homecoming. After that the team traveled to Momence and scalped the "Redskins" 27-13.

Alas, after three victories, the Boilermakers were defeated by Crete 32-0. Crete went on to win the K.V.C. For the last game of the season, Bradley played St. Pats, losing 33-6.

Although the team won no great honors, the players and Coach Butkovich spent many long hours of practice, and we should all give them a lot of credit.

First row: Glenwood Martin, Ray Boggs, Ken Cannon, Darel Larkins, Dick Pettit, Don Bilyeu, John Pechauer, Wylie Nowman, Don Metschuleite, Chuck Wolven, Ozzie Peters.

Second row: Gerald Regnier, Raymond Beach, Eldon Brickle, Lawrence Dominiak, Charles Nolte, Ken Parr, Paul Martin, Bob Pasel, Bill Sikes, Jim Allison, Ken Calabria, Jim Courtney, Bill Stuck, Manager.

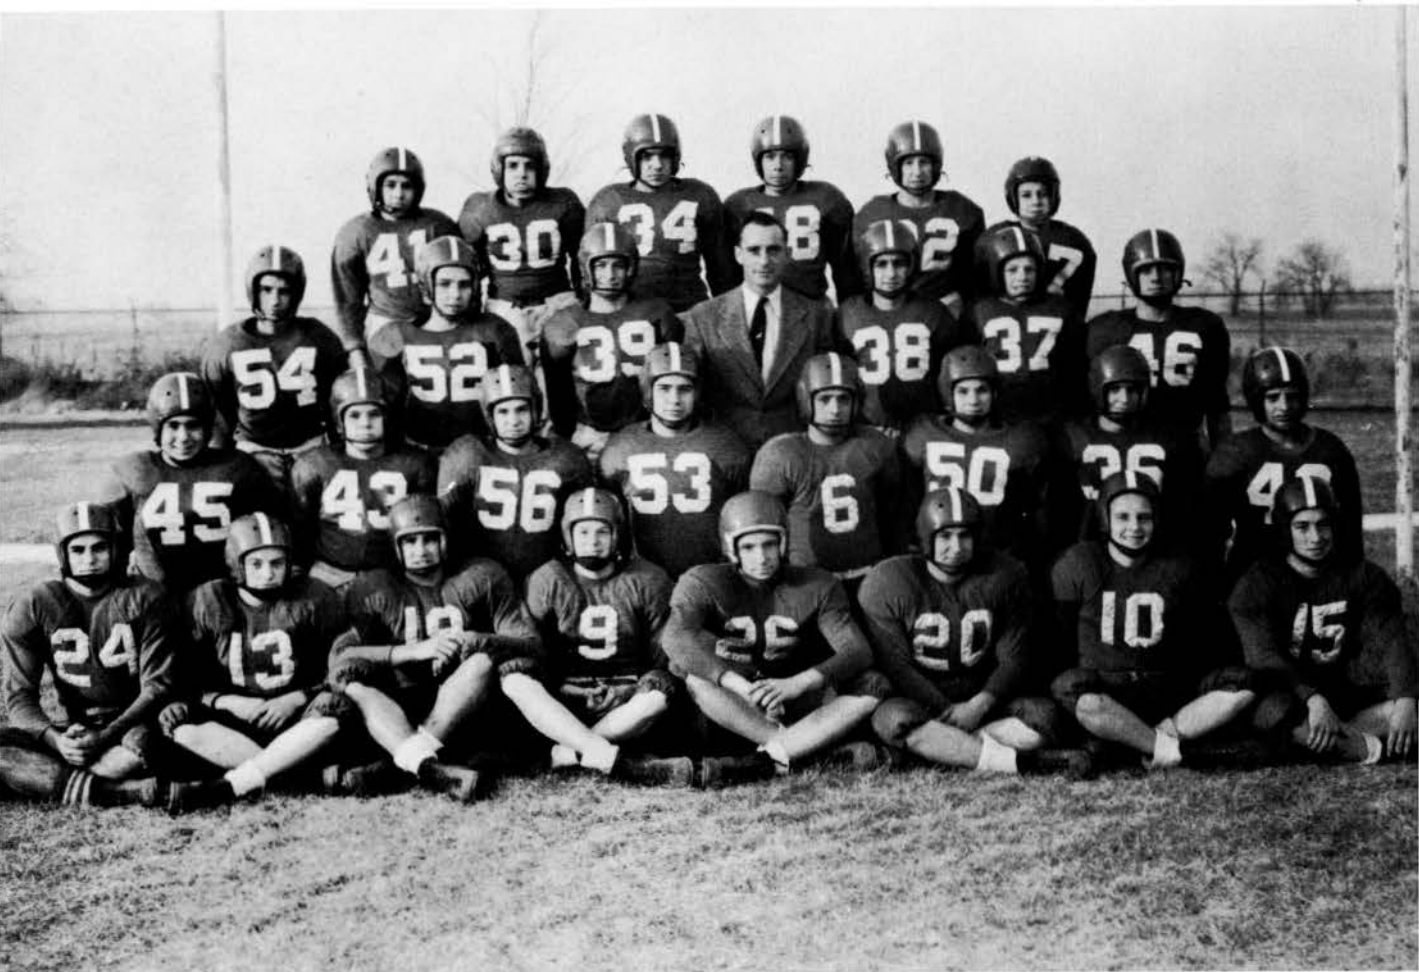

Third row: Don LeBran, Don Huggans, Chris Hebert, John Lowey, Charles Hays, Stuart Otterlee, Mr. William Butkovich, Coach; Gerald Messier, Clarence LeDuke, Paul Kerouac, Gerald Cyrier, Wayne Dressler, Tony Jamnick, Manager.

Bradley Freshman-Sophomore Squad

Bradley's Frosh-Soph team opened their season with a 0-0 tie with St. Anne. Next came the Central Comets, and the young Boilermakers defeated them 20-6. Then they tangled with East Junior High School, and the Bradleyans came out on top 12-0.

Then came the Momence team, defeated by the Boilermakers 32-0. Next came Crete's team, undefeated until we won 6-0. The last game, St. Pats defeated Bradley 12-0.

A lot of credit must be given to Coach Harry Skalsky, who took inexperienced boys and made a good team. Much is expected of these boys next year when they become varsity members.

First row: Clarence LeDuke, Jim Courtney, Gerald Regnier, Lawrence Dominiak, John Pechauer, Gerald Messier, Stuart Otterlee, John Lowey.

Second row: David Swain, Larry Johnson, Charles Hays, John Thalacker, Paul Kerouac, Ray Beach, Kay Moss, Steve Goudreau, Carl Turner, Ronald Nowman, Bob Marcotte, Coach Harry Skalsky, Bob Januaski, Donald Palisard, Lewis Schory.

Fourth row: Neal Allen, Vernon LaGesse, Joe Mills, Wayne Benoit, Jerry Lowey.

Bradley Boilermakers

Bradley opened its season against two South Suburban teams, losing a close game to Bloom and defeating Calumet City. Moving back into K.V.C. competition, we defeated Momence, St. Anne, and St. Patrick's. We dropped a very close game to Thornton of Harvey. Then Kankakee came to Bradley's gym for the traditional game. We were defeated by the Kays. Then for our final home game before the Christmas Tourney, we defeated Crete.

In our first game of the tourney, we played a big Joliet team and lost in the last few minutes. Then we played Bloomington in the consolation bracket and we lost again.

Getting underway again, we beat Crete and Gilman. Entering the K.V.G. Tourney, we lost to Peotone by one point. Then we hit a streak of bad luck and lost to Central, Bloom, and St. Anne. We traveled to Peopone and avenged the former defeat. We dropped one to St. Patricks, beat Momence, and lost to Central. Then we won two of the last three games, defeating Gilman, losing to Blue Island, and winding up our regular season by defeating Watseka.

We had a season's record of eleven wins and twelve losses. Although the team had no great honors, let's give the boys and Coach Jepsen credit for a lot of hard work.

First row: John Pechauer, Lawrence Dominiak, Stuart Otterlee, John Lowey, Chuck Hays, Paul Martin.
Second row: Coach Bill Butkovich, Jim Courtney, Tony Jaminik, John Thalacker, Gerald Regnier, Clarence LeDuke, Andy Andrews.

Frosh-Soph Basketball

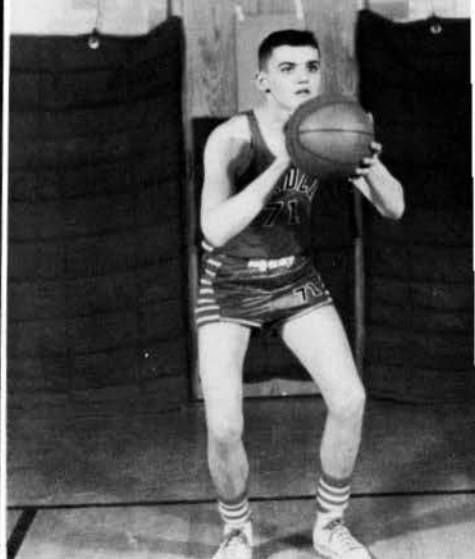

Bradley's Fresh-Soph team had a winning season, winning twelve games while losing eight. They tied for the K.V.C. Frosh-Soph Championship with Central. The boys who saw action were Chuck Hayes, Paul Kerouac, John Pechauer, Stuart Otterlee, Larry Dominak, John Lowey, Clarence LeDuke, Andy Andrews, and Willie Regnier. Congratulations on a good season fellows and Coach Butkovich.
