Dedicated to JOANNE GOODKNECHT (1937-1954)

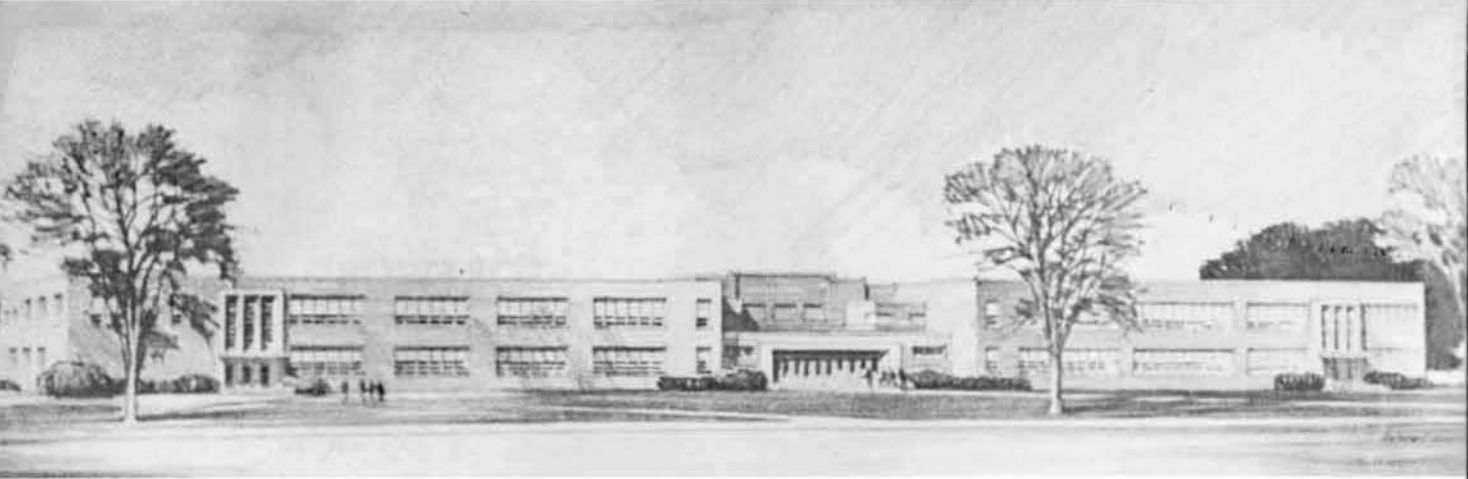

SHE IS NOT DEAD

I cannot say, and I will not say  
That she is dead. She is just away.  
With a cheery smile, and a wave of the hand,  
She has wandered into an unknown land,  
And left us dreaming how very fair  
It needs must be, since she lingers there.  
And you—oh, you, who the wildest yearn  
For an old-time step, and the glad return,  
Think of her faring on, as dear  
In the love of There as the love of Here.  
Think of her still as the same. I say,  
She is not dead—she is just away.

—JAMES WHITCOMB RILEY

## FOREWORD

We hope, through the pages of this book, to share with you typical school days . . . days made up of classes, tests, club activities, and those exciting athletic events. We hope that these pages will be today a colorful review of your year and a precious remembrance for tomorrow.

## BUILDINGS

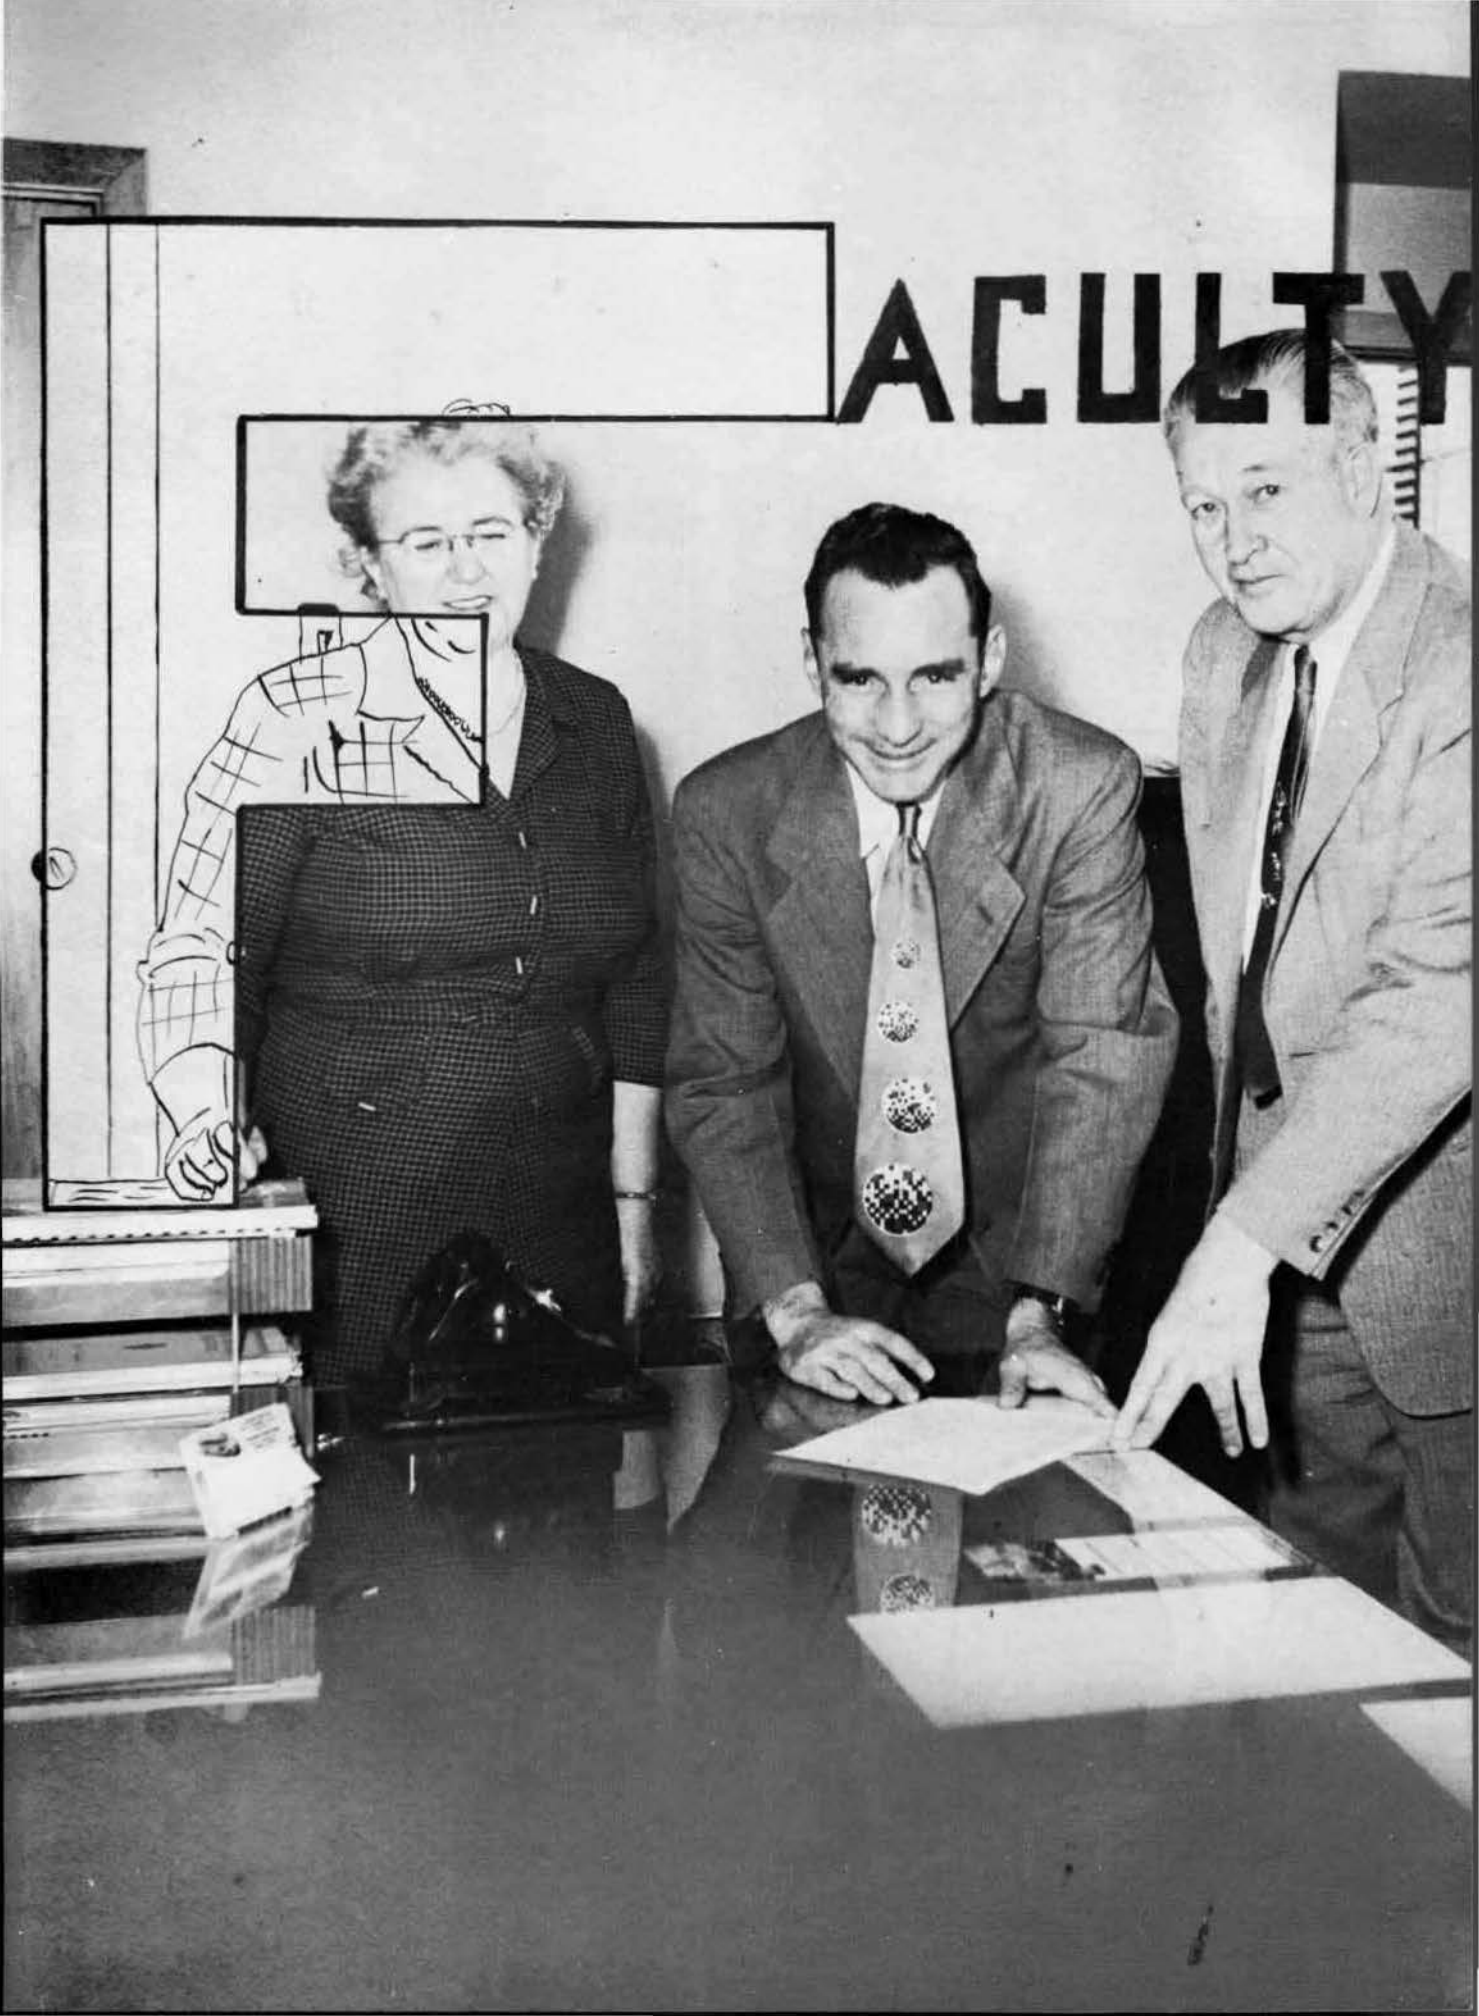

This year has seen the construction of the new West Wing of our high school. It will be available for use at the beginning of the 1955-1956 school year and will accommodate many students. There will be added space for the music department, office space for deans, a health room, several extra classrooms and a cafeteria. The construction engineers are O. L. Martin and Sons. It is a beautiful addition, and will occupy the same space as the present East Wing.

Our Building In  
Construction.

**BRADLEY, ILLINOIS**

Again it is graduation time and again members of the Senior Class, for the first time, fully realize the significance of this event to them. It is a time when one looks both forward and backward. It is a time of mixed emotions; of sorrow and of gladness; of satisfaction and of regrets; of an anticipation of the future and an appraisal of the past; a feeling of a job well done or a feeling of time lost that can never be regained.

There is one thing of which we are sure: life will be richer for experiences encountered in the high school program of classes and activities. Other things to value are the habits formed during these years, the knowledge of how to attack problems, and the acquiring of a confidence in one's self that should lead to greater successes in life.

Whether your paths lead to higher or specialized training or directly to meeting the problems of life, it is our wish for you that you achieve happiness, success, and contentment in whatever the future holds for you.

# PROPHECY

At last, I, Marilyn Hawkins, got a job! Now I can give up my present occupation of head pickle taster of the Kosher Dill Pickle factory. So here I am, working for the Radio show with a heart, "I've Got A Problem." This program takes very ordinary occupations and reviews them, and my job is to find the occupations. Now, let's see, my classmates should have some ordinary jobs, so I'll look around and find them. First I'll buy a few magazines. Let's see, "Screaming Stars," "Sports Afield," and "Who's Who of 1965." First I'll look into "Sports Afield" magazine.

Oh, I should have known. ROLAND BARON is a great success on the National Olympic Swimming Team . . . Of course, he's only a water boy. LEO ROSENDAHL is a fullback on the Galloping Gorillas' Football Team! Their last game was at the Finger Bowl. Well, here is a big feature in the Circus World. Golly, there are a lot of B.B.C.H.S. graduates in this field! There's RICHARD CLAWSON. He's the man on the flying trapeze. But I hear he's just having his "fling." SHIRLEY DEMARAH has a piercing career. She is a sword swallower. I personally think the secret of her success is that she swallows BandAids after her act. ROBERT ED has a startling act, also. He still does a daring dive into a damp dishrag. ONA POMBERT, too, has heard the call of the dangerous life! Let's see, she is a lion tamer. Her feature of the act is putting her right arm in the lion's mouth and I suppose they call her "Lefty." Enough of this exciting life. Let's see whom I can find in the "Screaming Stars" magazine.

The cover page of this magazine is JOHN LOWEY, whose act is called "Lowey's Luscious Lovelies." Say, what is this, Oh, I see. They are trained dancing seals!! TOM CARNEY is a big producer—his latest production is "Mule Train Mambo." RUBY CHEFFER works at Tom's studio. She's chief dress designer. Tom heard she could really dress chickens at the meat shop where she was butcher and so she got this job. MARY COTE is star of the newest picture "From There To Nowhere" (sequel to "From Here to Eternity"). Luckily Mary plays opposite handsome TOM SHELBY. PAT KINDER is quite the rage of the dancing world. She has invented a new dance, the Elevator Dance—"no steps." BOB JANUSKI got into the act, too, because he owns a famous night club called the "Nite Owl." This place is so exclusive that even the cockroaches are imported. CLIFF PETERS is head waiter there and still can talk any customer into an oversized tip! PAUL GULLETT was a dentist too, until he became a Senator. Bet he used "his pull." From that I'd better go to Science!!

TOM NICHOLSON feeds all his cows Mexican Jumping Beans to help with the milking. I guess the cows do all the work of jumping up and down. DON PALLISARD is a successful farmer who raises corn (just like he did in High School). RICHARD ALLEN is a leading scientist whose latest project is a no-calorie calorie. HARLEY BALDWIN is certainly making a name for himself. He's an ambitious surgeon always looking for "new openings" in his field. TERRY PETKO spent months on her trained flea circus and then a poodle ran off with her leading lady. BOB ZASADA fishes for science. He's fishing for Jelly Fish, but it has to be a Grape-Jelly Fish!!! CLARENCE LEDUKE and DUANE LECLAIR are two animal lovers. Clarence is a barber for poodles. He runs a "clip joint." Duane has a resort for penguins. JANETTE WITTHOFT and LANETTE WITTHOFT have an important job. They are psychiatrists in a pottery factory and they take care of the "crack-pots." Even CAROLINE BERTRAND has a thriving business making gloves for Octopus! I wonder if she handles them with "kid gloves." PAT SHREFFLER is busy making cups for flying saucers.

Back in the Medical Field, TERRY BERTRAND has been a doctor for quite awhile limiting his practice to ducks. I'll bet too many people called him a "quack Doctor." DAVID SWAIN has had trouble, too. He was a good eye doctor until he fell in love—and you know what they say—"Love is Blind." So there goes his career. JOHN ROSS certainly had the right idea. He inherited a million dollars from an uncle and retired at 27. JIM FLORA recently visited the Chief of Police, EUNICE ARMSTRONG, because he felt that he was being watched. The reason might be because he was a night watchman in a clock factory.

I'm tired of reading, so I guess I'll watch TV. There's JOE FAGG leading the Orchestra! He likes this long hair music because he only has one hair, but it's long. ESTHER SAGORSKE is his bass drum player. I'm missing my favorite program, with JAMES SHEAHAN, the humorist. I hope SUE NOLTE sings her latest record, "My Heart Is A Hobo" (My Liver Is On The Bum, Too). RAY BEACH recently recorded, "You Have An Hour Glass Figure, But It's Later Than You Think." I'd better catch the weatherman RICHARD MILLIGAN. (He was always a good guesser in school). And the late movie is a true case from LOLLY JACKSON'S newspaper files as editor of the Chicago Weekly Moon. RICHARD KUFFEL was her

assistant on the case of the "Missing Ice Cube or the Great Freeze." ROBERT ED works on the paper too; he's only a paper boy, but he thought he'd like to work his way up. JAMES COURTNEY is Feature Writer for the paper. His article in last night's paper was entitled "Why the man may have his girl, but the Iceman has his pick." In the Want Ads CHARLES NICHOLS advertises his Terry Cloth Teabags for Dripless Tea Sippers, but none seem to notice. He's really trying to get the interest of the big Freezer Tycoon, RONALD NOWMAN, but all he gets is the "cold shoulder." Last week, I took a walk over to the modeling agency where SHIRLEY SHAW is model. Of course, she only models model airplanes. MARILYN TOPLIFF is a hat model. I always knew she'd use her head someday. JACKIE DAMRON is trying her best to get into Harvard this year but she's having a rough time. Maybe she'll end up in a musical college like "Sing-Sing." Well, back to my reading, "Who's Who of 1965." Now certainly some of my classmates are writers—I'm right! Here's SUSAN RUCKER with her latest best seller . . . "She Ruined Her Marriage by Her Awful Coffee; at Least That Was The 'Grounds' for Divorce." So BEV LAROCHE turned out to be a poet. Here's one of her best known poems, "My heart burns for you; I hope that you have heartburn, too." Even JOANNE MAGRUDER has been famous for using her classmates' Senior pictures as the best Rat Exterminators on the market. CLAUDETTE VANDEBONCOR has a new style of painting; it looks like a blank canvas but is really a "Polar bear in an igloo eating marshmallows." DOLORES ANDREINA hasn't had as much luck. She can only draw flies. I suppose she'll go back to tying weiners together. I looked in the postoffice the other day and saw BILL CONN applying for a job. Seems he had seen a "Wanted" sign and went in and applied. I'll bet he got the job, too. JAMES VETTER is the National Chess Champion. WALTER NOLTE is running a nursery for Eskimos in Africa. JACK BERGMAN was the "rage" of the boxing ring until he let a Kangaroo get the "jump" on him and the Kangaroo "pocketed" the money and left. JACKIE KERR, I see, is the class millionaire. She makes a million dollars a day. Of course, she works in the U. S. Mint. KEN MORRIS is trying to get his picture on the penny. But Abe Lincoln is still a pretty tough competitor.

Now for the ones who have remained in Bradley. EUGENE TINNEY drives a furniture moving truck. His motto—"Oh, well, you needed new furniture anyway." GARY PATTERSON got back to Texas and drives a local stove company truck around. I knew he'd ride the range. TOM NEES and his photographic mind really have done wonders. He owns Colonial Studio. Now all he has to do is develop his mind. BARBARA KEYS is a flag pole sitter, because she was such a good baby sitter. ART LANDRY is just finishing his rocket ship to the moon. He wants to open the first Frozen Custard Stand on the moon. DONNA BILYARD has fame as the Corona Cigar Manufacturer. She sells the extra cigar bands for engagement rings. CHARLES HAYS has a little luck now and then as a mattress tester. His current problem is how to cure insomnia. Poor JOHN PECHAUER. He's making a career of the army. For the last 10 years, he's been a Private. I believe he's thought of being a General and then President. KAY MAAS spends all his time raising dandelions. SHIRLEY CHARLES has a good job. She designs Liberace's cars in the shape of a piano. IRIS CASE is a woman lawyer. She gives the judges a pretty hard time. NEIL ALLEN combs Rock Creek with a geiger counter . . . he's quite an explorer. CAROL LEBRAN and MARGARET MOWERS conduct an excursion steamship ride from Bird Park to Alpiner's Park. DONNA MULLIGAN has her own hat shoppe and she designs hats made out of cheese. Now girls can find out if their men are really mice or men. GERALD MESSIER owns his own beauty salon and he gives this advice to bald men—"Let your eyebrows grow and brush them back over your bald spot." BEV WARREN works there manicuring finger nails, finger bowls, and even finger sandwiches. Of course, there's BOB NELSON'S Loan Company for Girls. I always knew he liked to get girls "a loan." Then DIXIE PETERSON has a bakery. She really made fame with holes for doughnuts, so she and PAT PRINCE went into business together. Pat usually puts raisins in the raisin bread. MARK HEBERT is their only competitor. He always had a lot of "crust." Did you know JOHN THALACKER has made his one ambition, owning and driving a non-stop express bus from Indian Oaks to Flicker-ville, TONY JAMNIC has a restaurant and PAT WULFF is the cook. I heard her make the remark, "Here I slave over a hot stove while my husband spends his days in a nice cool sewer." The one who does the business is VIV WILLIAMS who has a drugstore next to Tony's and who sells soothing Pepto Bismo. Viv usually features such valuable things as Army Surplus Life Rafts (no home should be without one). GRETCHEN RAPP is on the radio. She is Jack Webb's assistant. They call her, "Spider Webb." Now, let's see. That about completes my list so now to write my script. I really have a lot of ordinary occupations to write about now and I knew my classmates would be valuable to the world, everyone of them!!!

# Bradleyan Staff

The "Bradleyan" Annual staff worked under the supervision of Mr. Anderson, Art; Miss Stelter, Literary; and Mr. Skalsky, Business. Dolores Andreina and Jackie Kerr were the co-art editors. Literary editors were Susan Rucker and Marilyn Hawkins, and Business Manager was Pat Wulff.

A crew of workers aided production of the book, working under one of the three divisions. We hope that the staff and the business firms who aided through their advertising have made the "Annual of 1955" one which you will cherish.

A welcome addition to the library was the newly-built section of reference shelves to aid in solving the crowded shelf problem. Ten student librarians aided in book distribution at the charging desk. Miss Agnes Stelter served as teacher-librarian, and student librarians were: Dixie Petersen, Lanette Withoft, Jackie Mills, Donna Means, Dorothy Scivally, Edith Joplin, Loretta McQuillan, Karen Lambert, Annette Sagorske, and David Ed. One party was held during the second semester for librarians and their guests.

# CONCESSION

## STAFF

As in the past year, any club or group wanting to participate in Concession profits had to submit a budget to the Student Council. Various amounts were thus distributed to groups. A permanent committee, working under the guidance of Mr. Mitchell, Sponsor, were the following students: Dixie Petersen, Jeanette Gerretse, Jack Bergman, Don Rosendahl, Leo Rosendahl, Robert Ed, Robert Prince, Joe Fagg, Vern LaGessee, Ray Longtin, and Jim LaBarge.

Our groups furnished individual club members to aid the permanent group on the night on which their club worked.

The "Fotoflashers" have enjoyed another successful year. Our main aim was to learn more about photography. Every member of the club learned the basic skills of taking pictures, developing and printing. Some advanced members learned enlarging, toning, painting and retouching. Club meetings were devoted to a study of photography and pictures. Contests were held within the club in the Fall and again in the Spring. New books, lights, and other equipment were added to our club darkroom.

## PROM – 1954

On May 15, against an "Ebbtide" background of sunken treasure chests and unique sea-shells, the 1954 Junior-Senior Prom was held. The high school gymnasium was a scene of beauty with the colorful formals blending with the lovely colors of the under-sea motif. Music for dancing was provided by Earl Betourne and his orchestra.

During the evening Marilyn Hawkins and Gary Patterson, seated in a white-spangled sea shell surrounded by mermaids, were crowned the king and queen of the 1954 Junior-Senior Prom by Jackie Gulczynski and Charles Wolven, king and queen of the 1953 Prom.

To the strains of "Goodnight Sweetheart" the guests departed with pleasant memories of their evening of "Ebbtide."

# HOMECOMING DANCE

The October night was cool and tingly when the guests entered the gymnasium for the annual Homecoming Dance. Music by the Texas Downbeats provided for smooth dancing throughout the evening. The colorful floats in the pre-game parade had helped set the mood for an enjoyable evening of dancing despite our defeat previously on the football field. It was gratifying to see so many alumni back for the festivities.

The climax of the evening was the coronation of Homecoming Queen, Lorraine Baldwin, by co-captain of the team Clarence LeDuke. They led members of the team and their partners in the Grand March which followed.

The gym was resplendent in autumnal hues. Corn stalks, pumpkins, and colored lights added to the Fall Motif. At twelve o'clock, the final notes of the orchestra brought our 1954 Homecoming to a close.

## FLAG SWINGERS

The Flag Swingers was a new organization formed this year to add more color to the band performances. In their first year, the eight members performed at many home basketball games. The group was directed by the band director, Mr. James Baker. Everyone seemed to agree that they were a valuable and colorful addition to our Band. The corps of eight members included: Carolyn Bertrand, Beverly LaRoche, Donna Mulligan, Ruby Cheffer, Pat Walters, Vivian Williams, Pat Wulff, and Dolores Andreina.

## BATON TWIRLERS

The Baton Twirlers, the oldest of our three groups which add so much to the performances of our Band, were selected in competitive try-outs early in the school year. This year's group included: Beverly Warren, Majorette, and Pat Taggart, Peggy King, Thais Swain, and Dokie Arvenetes, as twirlers.

## COLOR GUARD

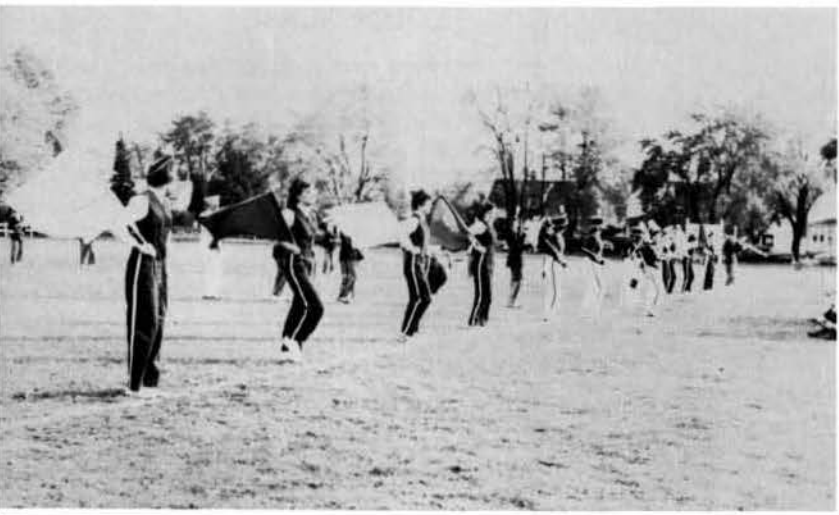

Another interesting group organized this year as a supplement to the Band was the Color Guard who presented the Colors at all our local football and basketball games. Their most significant appearance was during their acceptance of a new American flag at a special assembly when the Flag was presented to the school by representatives of the Bradley American Legion Auxiliary. The Color Guard consisted of: Terry Petko, Marilyn Bass, Elaine Hebert, and Marcia Johnson.

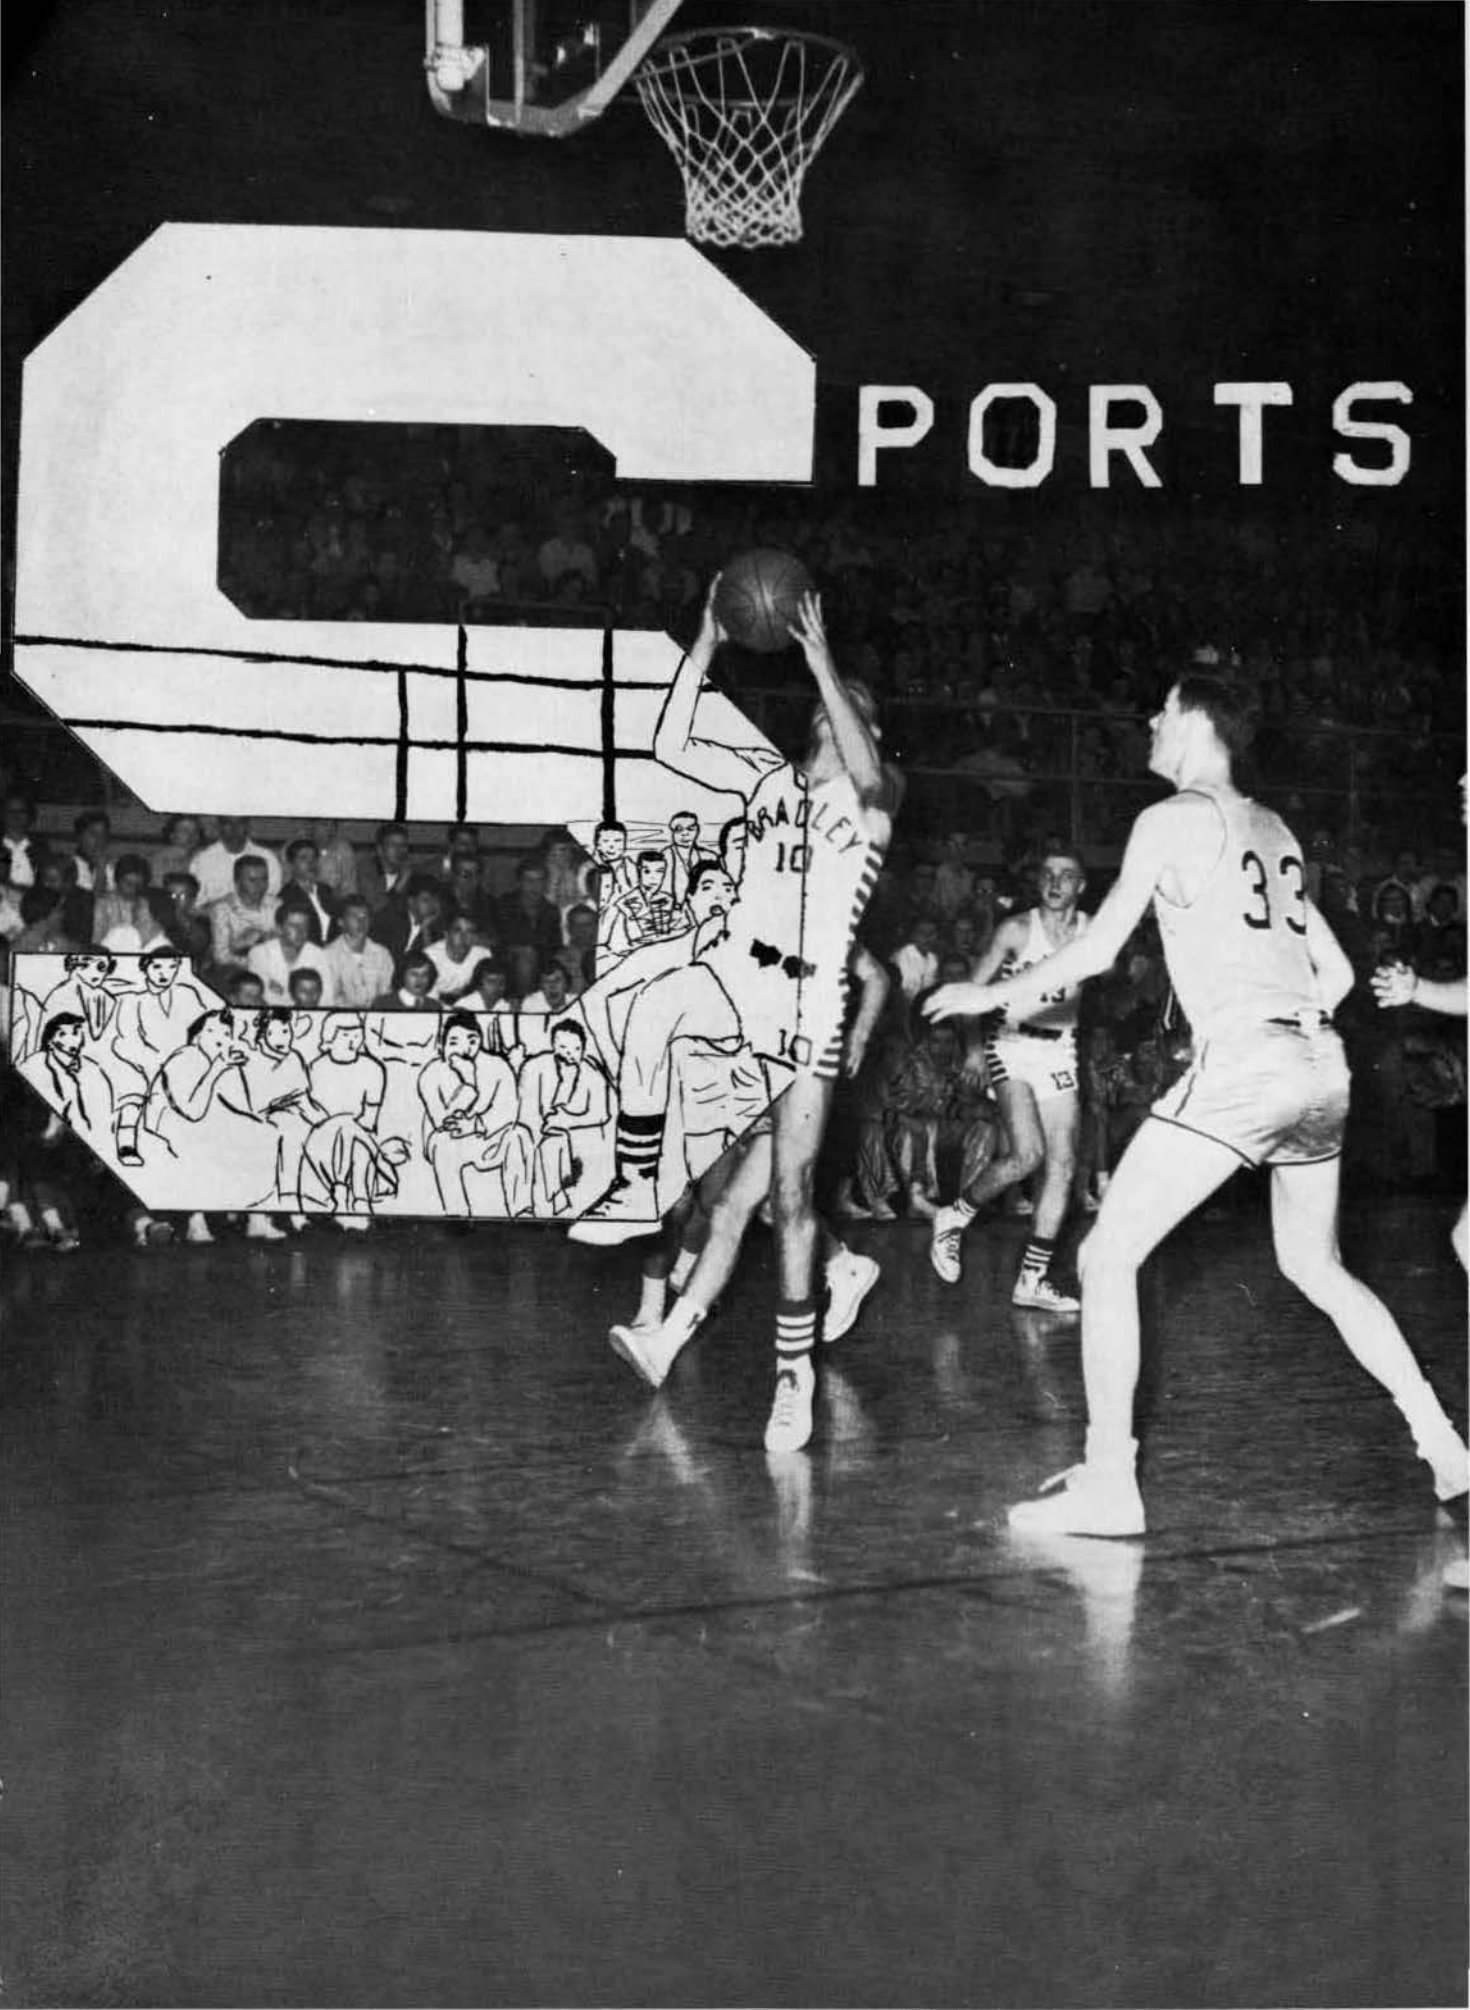

Music always adds much to our activities around school . . . be it the music that we hear during the halves of our Basketball games . . . the rhythmic refrains during the football halves . . . or the measured tempo while the flag swingers or majorettes perform. Let there be music!

# SPORTS

### VARSITY FOOTBALL TEAM

Front row: Jerry Lowey, Bob Januski, Clarence LeDuke, Charles Hays, Gary Patterson, Ronnie King, Mike Toliuszis, Bill Conn, Dave Swain. Second row: Manager Tom Wieliczko, Ron Nees, Joe Mills, Sidney Johnson, Terry Hebert, Andy Andrews, Bill Bock, John Lowey, Jim Courtney, Ed Moersch, Tom Nees, Manager Jerry Sikes. Third row: Assistant Coach Len Bujnowski, Bob Plew, Jerry Messier, Jim Sheahan, Ron Nowman, Tom Nicholson, John Thalacker, Ray Beach, John Pechauer, Don Lytle, Coach Bill Butkovich.

### FRESHMAN-SOPHOMORE FOOTBALL TEAM

Front row: Dunbar; Simms; Anderson; Guisti; Dawson; Huggans, L.; Pettit. Second row: Calabria; Latham; Huggans, J.; Peterson; McCarty; Burch; Martin; Marth. Third row: Paterson; Beck; Emme, Coach Dave Williams; Robards; Williams; Robertson.

The Bradley Boilermakers concluded the season with a unique record—a record of no victories and all defeats for our team. Although the Boilermakers came close, they didn't quite have the drive which is necessary to win.

The first three games, out of town games, saw us losing to Pontiac 9 to 6, to St. Anne 13 to 0, and to Milford 31 to 0. In the Homecoming game which followed, we lost to Gilman 34 to 13. Our next games were away from home and we lost to St. Pats, 20 to 6, to Momence, in a game which saw 8 men injured, 25 to 6. In the Crete game, we were defeated by a score of 14 to 13. Bradley then came home to finish its dismal season by losing to Central by a score of 13 to 7 and to a strong Joliet Catholic team by a score of 33 to 0.

The brightest spot in the Bradley team's performance for the season was its passing attack. The Boilermakers passed for a total of 591 yards, as compared to their opponents' 361 yards. It was much different, however, in the ground gained in which Bradley gained 386 yards, as compared to the opponents' 1846 yards.

Due to the unfortunate season which the Boilermakers had, they managed to land only one player in the "All Wil-Ro-Kee" football team. This was co-captain John Pechauer, who secured a spot as a first-string tackle.

The frosh-soph team, however, had a more successful season than the varsity. They ended up the season with a record of 3 wins, 2 losses, and 1 tie. With the good team presented by the frosh-soph squad, it looks as if the Boilermakers' prospects for the future are brighter.

# VARSITY BASKETBALL TEAM

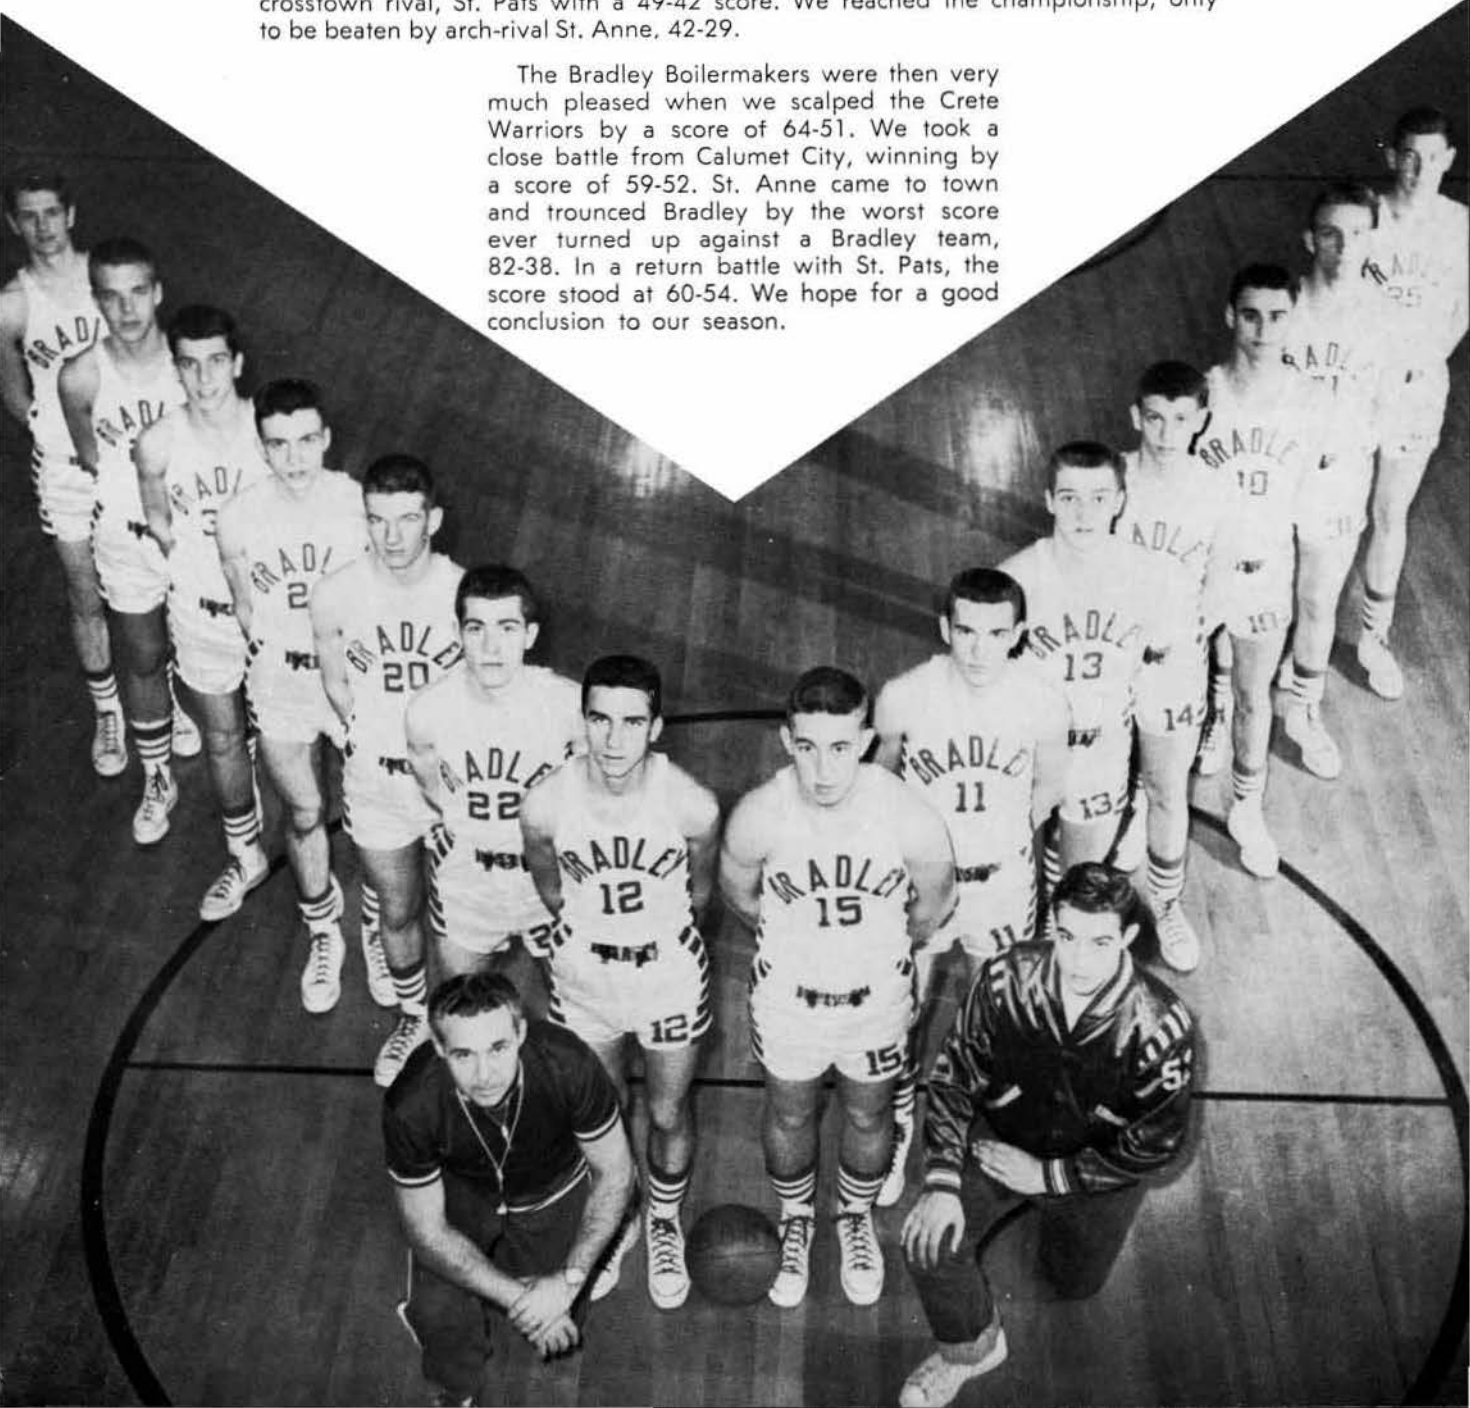

The Bradley Boilermakers opened the round-ball season with a loss to the ever-tough Bloom team, 66-47. The next game was one with an old rival, Mornence. We came out on the long end of that game with the score 76-47. The Boilermakers then travelled to St. Anne for a very thrilling contest which we won 53-51. Bradley then journeyed to Danville for an exciting ball game. The score was 33-47 in favor of Danville. We then went to Kankakee for a win over St. Pats, 61-47. Kankakee was the next victor over Bradley, the score being 59-53. Travelling to Central for a league game to establish the winner of the Wil-Ko-Ke conference, we were defeated 35-42 in a slow game.

The Holiday tourney was disastrous for Bradley. We lost the first game to Joliet 79-59. Our second game was lost to Taylorville, 64-39.

Bradley went to Crete for a heart-breaking loss 50-46. We were hosts to Gilman winning that game 85-71.

In the inauguration of the Wil-Ko-Ke tournament, the Boilermakers got revenge on the Crete Warriors by the score of 64-45. The second victory was over our crosstown rival, St. Pats with a 49-42 score. We reached the championship, only to be beaten by arch-rival St. Anne. 42-29.

The Bradley Boilermakers were then very much pleased when we scalped the Crete Warriors by a score of 64-51. We took a close battle from Calumet City, winning by a score of 59-52. St. Anne came to town and trounced Bradley by the worst score ever turned up against a Bradley team, 82-38. In a return battle with St. Pats, the score stood at 60-54. We hope for a good conclusion to our season.

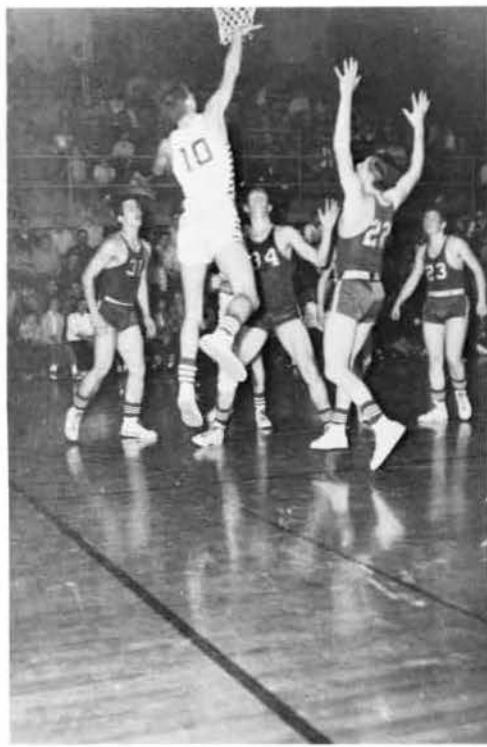

Third row: Coach Dave Williams, Asa Randall, Gerald Sikes, Harold Emme, Don Robards, Max Williams, Manager Wayne Sims. Second row: John Marth, Colin Beck, Tom Latham, Charles O'Toole, Robert McCarty. First row: Sydney Johnson, Jerry Huggans, Bob Pettit, Larry Huggans, Mike Toliuszis.

## FRESHMAN-SOPHOMORE BASKETBALL TEAM

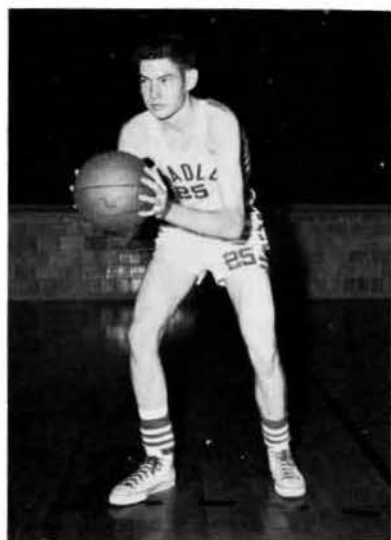

The Freshman-Sophomore team had a better than average season this year. In all-around competition, the young Boiler-makers have had an 8-4 record. Coach Dave Williams' team had victories over every conference foe as this was going to press. The four losses came by the hand of much larger schools than Bradley. They topped the Conference record with an 8-0 season. Good luck in the future as Varsity material.

Boys who saw much playing were: Don Robards, Gerald Sikes, Larry and Jerry Huggans, Charles O'Toole, Sydney Johnson, Harold Emme, and Robert McCarty.

## TRACK 1954

The Bradley Track team had a very good season with a won-lost record of 3-1. The Kankakee Valley Conference Track meet was held at Bradley with Wylie Nowman winning the shot-put and Chuck Hays winning the Broad Jump. The Varsity Relay Team, made up of Don Lytle, Don Bourassa, Ray Boggs, and Charles Hays, also won a first. Jack Beaupre entered the District and won a third place medal. The present season has been a successful one.
