"SPOTLIGHT ON BRADLEY HIGH"

FOREWORD

We hope, through the pages of this, your school annual, to evoke and to share with you the memories of typical high school days . . . days which you thought were terribly boring and days which proved to be the most exciting of your respective school year. We hope to make this annual a review and a remembrance for your future of all the fun and sorrows of your school year of 1955-56 at B.B.C.H.S.

SCHOOL BOARD

Standing: School Attorney, Armen Blanke; Board Members, Mr. William Larkins, Mr. Leonard Martin, Mr. S. J. Beaupre, Mr. Omer Tetrault. Seated: Mr. S. W. Evans, Mr. Jack Walters, Mr. Robert Martin, President, and James Topliff, Secretary.

PRINCIPAL'S MESSAGE

You have been privileged to attend high school during a time of very rapid expansion and growth in your school in many ways. You have seen the enrollment almost doubled in numbers and the building become more than twice its original size. With this growth in size has come a growth that is even more important; a growth of ideas and ideals, a general change of attitudes toward education. The growth in this respect can be seen by the number that continue their training after graduation. At the time that the present building came into use only a few went on to any type of advanced training; now almost half of those graduating do not stop their training with leaving high school.

We hope that you may choose wisely your station in life, prepare well to fill it and put forth the effort needed to succeed. If you do this you will do yourself, your family and your school honor.

A handwritten signature in cursive script that reads "S. A. Smith". The signature is fluid and elegant, with a long, sweeping underline.

AWARDS

MARY FLOYD

Mary Floyd received three of the special awards this year. During the summer she attended Girls' State as the representative from Bradley. Mary also received the DAR and the American Legion Awards. Mary has been a very active girl in various extra-curricular activities since she transferred to Bradley from Kankakee Junior High School. She has been a cheerleader her sophomore, junior, and senior years.

DON LYTLE

In the spring of 1956 the Seniors voted on two of their classmates to receive the "Four-Way Test" awards given by the Rotary Club. Those chosen were Leta Pence and Don Lytle.

Don has been vice president of the Student Council during his senior year. He is a leader in all athletic events.

Leta transferred here from Wilmington High School during her freshman year. Since then she has co-operated in various extra-curricular activities.

The Four-Way Test Awards were initiated this year and will be continued as an annual event.

LETA PENCE

PROPHECY

It is now the year of 1976. Twenty years have passed since the senior class of 1956 graduated from Bradley High School. There have been many changes in our standard of living since that time. Let's take a look at our former classmates to get a general idea of the way our standard of living has changed.

I see that we have a few famous novelists from our class of '56. BOB BARNEY just completed his first book entitled *How to Be Insane and Not Show It*. MARILYN LAGESSE wrote a joke book (her fourth) called *I Swiped Your Jokes, Too*. Say, here's a novel called *Life Among Savages or Memories of Old Bradley High*. The author of this novel is LARRY MOODY.

In the entertainment world we find KAREN EMME and BOB TURNER co-starring in their latest movie, *The Lovers' Quarrel*. JIM HANNAH now has his own TV show on station Earth Z264 called *What's My Joke?* JOHN KYROUAC seems to be doing restful TV work; he demonstrates the correct way to sleep on Sleep-Eze Mattresses. KAREN LAMBERT is John's secretary. DARRELL FENNELL is the sound-man for the show, "Sounds from Me to You." INEZ ARMSTRONG has become a torch singer for the record label, *Hot and Cool*. BARBARA VOLLMER is living up to her nickname of Bubbles; she is now a Cosmic Bubble Dancer. CECILIA TROST chews the radioactive gum and blows the cosmic bubbles for Bubbles' dance. Say, here's a new record made by BARBRA SCOTT. She's the second cat soprano in the *Come-Meow-It Quartet*. LAURIE WALTERS is Barbra's chief associate; she picks up all the old boots Barb receives as a salary. CAROL BETOURNE is now a contralto opera singer for the Space-Placer Opera Company. LARRY WILKINS is living up to his old love at parties; he is now a professional party-thrower! In the artists' world we find JOANNE SIEFERT. Her latest prize-winning picture is called *Portrait of a Ghost*. Here are a few members of the class in the famous Tschaikowsky's Jazz Band. JUDY BOUDREAU chirps on the harpoon; LYNN NICHOLS pounds the cymbals and drums; and BEVERLY OSENGA plays the tuba.

Looks like quite a few Bradleyans crashed into the sports world. I see that JANICE STEVENS and BOB MESSIER have teamed up to become Champion Wrestlers. WAYNE BENOIT is now the Olympic Champion in weight-lifting. STEVE GOUDREAU recently set a new track record; he ran the mile in one second. JEANNETTE GERRETSE just won her fiftieth medal in golf. KEVIN SCHULTZ now plays baseball on Venus's team *The Batsters*. JIM TRAVIS must have stayed in the sun too long because he now plays basketball on the *Harlem Planet Trotters*. PAT BARTRUFF is competing in the Powder Puff Racing Derby next week. MARGARET KELLY has her own two-girl basketball squad called *Kelly's Killers*. NANCY NAAS is the other member of the team.

Our class seems to have done pretty well as far as the manufacturing business is concerned. BOB BUSER operates his own beer factory. His slogan is "Booze It Up with Buser's." JOHN BROWN is Bob's chief beer-taster, and JEROME LAMBERT is the guide of the factory. Mark my words—"Those fellows will go far in this world." CATHY WRIGHT plays the bar-bells in Buser's Factory to create a livelier atmosphere. CARL KOERNER developed some new ideas and decided to manufacture girl robots to keep bachelors like himself from getting too lonesome. JIM KYROUAC does a nice business with Bradley High; he manufactures broken combinations for lockers. GEORGE WITTHOFT has a deadly job; he's the head beautician at the Corpse Factory. JEROME COYNE kept his nickname of Pickles and opened up a new pickle factory. He and JANET STUCK now have two little pickles—Dill and Sweet. Making use of his qualities, TED TOMASZWESKI now operates a *Dimple-Deeper* factory. Oh! Here's another model. It's MARY FLOYD and she now models girdles for the *Have-fun-while-you-stretch-it* company.

Other employed Bradleyans were found to be doing thriving businesses. DOROTHY BOGGS is now the chief potato-digger in Idaho. GENE DAVIDSON runs

a "Dude Ranch on Mars." GLEN DAVIS seems to have a lot of spare money to spend: I guess it's because he's treasurer of the U. S. Mint. Here's a new monkey show operated by IRENE WINGE. I see that CHUCK KAVANEY is ringmaster for a flea circus. There could be a nice team between those two! FRED HASEMEYER now has a rest home for tired Pontiacs; guess Fred worked his too hard. VERNON LAGESSE is running a *Pickle-lilly-dilly* farm. LOIS PALLISARD made use of her Navy knowledge; she's a recruiter for the Earth Navy. JACKIE MUNROE finally got a promotion; she's head dishwasher at St. Mary's Hospital. RODNEY LEASURE'S occupation has been changed since I last saw him; he now operates the first truck of the Wreck and Rebuild Company. BARBARA LAPLANTE is extending her ambition. She runs a school for the care of long fingernails. SHARON "BUTCH" MULLIGAN, too, has finally realized her ambition for she is America's official pizza-pie taster. RUTH LATHAM is living off the fat of the land; she runs a reducing gym. JUDY MARTIN is the cook at a chile restaurant. I bet she has a hot time! During this time, BARBARA PANGLE runs a "Date Bureau." Using her delicate charm to its fullest point, JOYCE PRAY is in her first year of business as owner of "Pray's Charm School." DON ROSENDAHL is really flying high these days—he sells balloons. DIANE VADEBONCOR seems to be getting around—she paints the circle around Saturn every week. DOROTHY SCIVALLY is a dart-thrower at the Weather Bureau. That explains the "hit and miss" weather we've been having. Up on the Moon we find JERRY LOWEY who is a dentist. I always knew he had a pull! There's TERRY HEBERT with one of his pupils. Terry now gives ballet lessons. MAURICE BRINKMAN is still polishing trailers. SUSIE SAGORSKE digs up the latest dirt—she's a sewer-cleaner. JIM VAUGHAN is a leading scientist; he just developed interplanetary TV. Two other leading scientists are BARBARA KEROUAC and SHIRLEY LAMONTAGNE. Barbara just completed a new "Wonder Solution" for girls with short hair. Shirley invented a freckle cream called "Freckleless for Freckles." DAVID ED just perfected a formula to frost billiard balls—should cause some real cool shots!

As usual, there are a few married couples still living in Bradley. There's PHYLLIS SMILEY. She's married to Al Torf. Mrs. Jim Walters, formerly PEGGY STILLEY, recently added another set of quints to her family. She now has four sets of quads and three sets of quints. BEVERLY BROUSSEAU, now Mrs. Denny, has a Dennekin and a Bevekin added to her family number.

In the model world we find VIVA LEE McCARTY modeling sweaters. Viva Lee always has her work cut out for her. SUSIE BALDWIN finally found a way to look taller; she now models stilts. BOYD FEES poses for Before and After ads as Mr. Before. IRIS FRECHETTE is still playing the dog's life—she models dogs' bathing suits. ED PELTIER and DON LYTLE recently competed in contests. Ed won the title of Mr. Muscles of 1976 and Don won the title of Mr. World of 1976.

On the lawful side we find TERRY CALVIN who is a traffic law judge and ROGER CASTONGIA, who is on the police force. Roger patrols the midnight shift at Meadowview Amusement Park. LARRY JOHNSON is a judge for the monthly turtle races held at Bradley Race Track on Broadway.

At last we reach the place of our budding careers—Bradley High. I see that there have been a few changes made in the staff. ANDY ANDREWS teaches girls P.E. classes, AIDA FERNANDEZ has a Cuban dance class, and FAYE ANDREWS teaches French with a southern accent. DARLENE HENSLEY is really cracking down on absentees this year; she's the truant officer of Bradley High. JOE MILLS hated to leave the school, so he applied and got the job of bus driver for Bradley High. DOROTHY ZASADA is the new Dean of Women and LEO MORRIS is in his eighth year as Principal of Bradley High School.

Hey diddle diddle! With laughs and riddles we've played you a cute little tune, and now we're all done; we hope you had fun, and now we return to the Moon.

Bev Keys and Leta Pence

Iris Frechette

The annual was constructed this year in the Journalism Department. This is the first year BBCHS has had a Journalism Department. All the students in the Journalism classes, Period III and IV, were part of the annual staff.

Mr. Joseph Zimmerman, annual advisor, appointed Boyd Fees and Iris Frechette as co-editors of the annual. He also appointed various other staff members to help supervise the making of the annual.

STAFF MEMBERS

STUDENT COUNCIL

First row: Susie Baldwin, Gene Davidson, Don Lytle, and Leta Pence. Second row: Peggy King, Francis Schultz, Gloria Stanley, Pam Metz, Gary Betourne, and Keith Rantz. Third row: Thais Swain, Lois Nees, Judy Jepsen, Marilyn Bass, Janice Wright, and Charles Stinette. There were parades and speeches in the middle of April to officially inaugurate the commencement of activities of the Student Council. When the last vote was cast and counted, we found that the results of the returns were a straight senior victory. Gene Davidson was elected president over the junior candidate, Darel Grothaus; Don Lytle was elected vice president in competition with Tom Wielitzko; Susie Baldwin defeated the candidate, Jackie Mills, on the independent ticket, and junior candidate, Marilyn Bass, to win the office of secretary; and Leta Pence won the office of treasurer over the junior candidate, Marsha Johnson. Campaign managers for the election were Boyd Fees representing the senior class, and Jerry Sikes representing the juniors.

The Student Council sponsored a Brotherhood Week and a "Better Sportsmanship" program, and promoted the saying of Grace during the lunch periods.

Sponsors of the Student Council are Mrs. Moore and Mr. Canham.

F.H.A.

This year's Future Homemakers of America organization held a very active life. They started their year with a party to introduce the new members to the old members. They celebrated F.H.A. week in November.

Two meetings on the section level were held for F.H.A. One was held in the fall and the other, a rally, was held in the spring. They also participated in two radio programs broadcast over WKAN.

A Candyland Ball was held in December. Diane Vadeboncor was crowned queen of the event to which G.A.A. was invited. A Baby Picture contest, in which students brought pictures of themselves as babies, was held. Linda Stoltz and the Huggans twins, Larry and Jerry, received the prizes, baby bottles filled with milk, for having the most votes. The money was used for a CARE package. Daddy-Date Nite and a style show were two other activities held in the spring.

A girl was sent to F.H.A. State Camp this year. Paula Naas was the representative in 1955.

The girls were busy working on degrees. The degree indicates interest and leadership. They are, in order, Junior, Chapter, and State.

Mrs. Kahn is the chapter mother.

The Bradley Fotoflashers enjoyed their fourth year of activity this year. They added to their list of new equipment a press camera. Every member learned how to develop film, print and enlarge pictures.

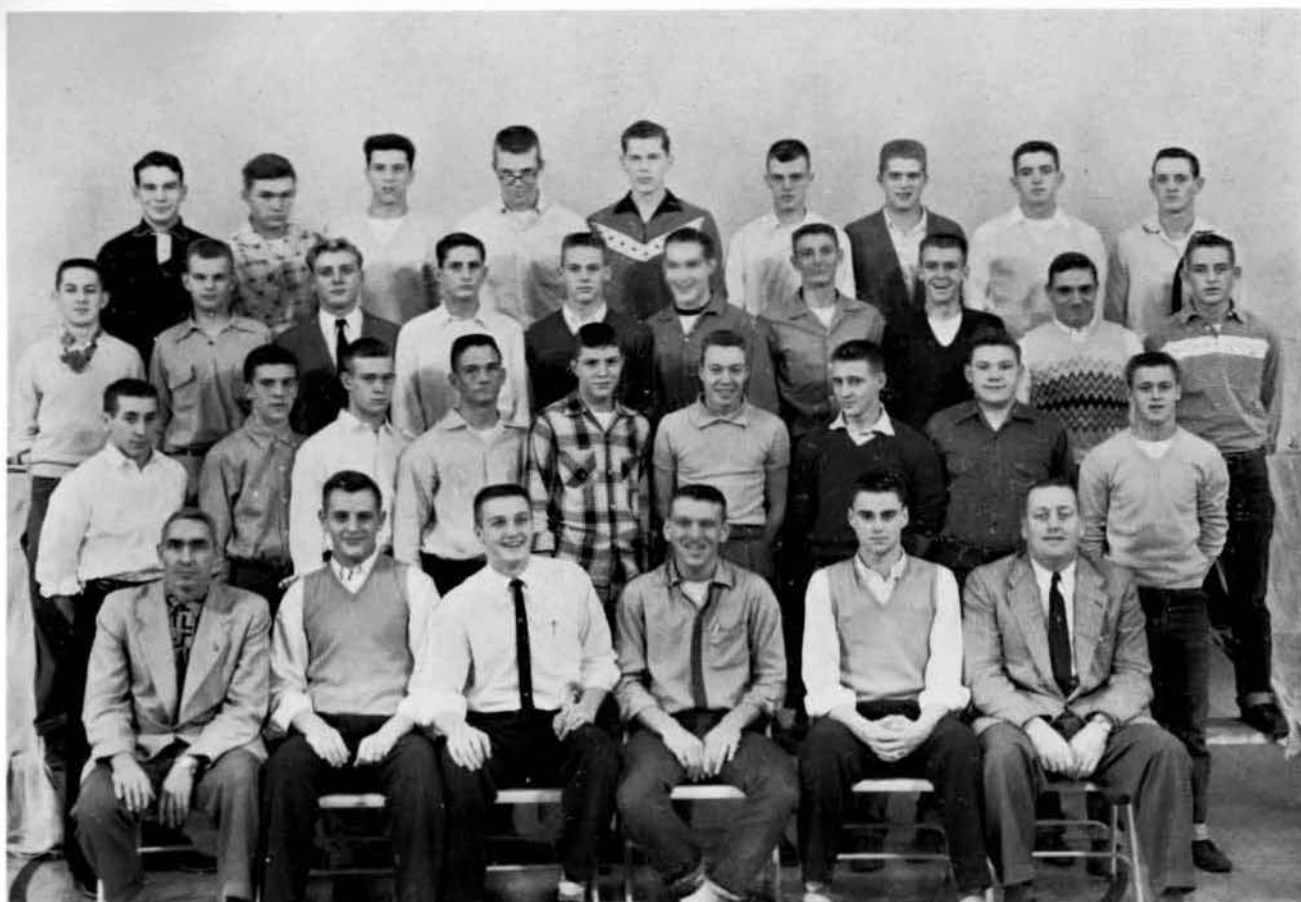

In February they participated in a contest in which they submitted their prize photos. In order to enter the contest, the contestant had to take and develop his own photo. A professional photographer judged the photos.

This year's officers were: Jim Vaughan, President; Bill Bock, Vice President; Emory Wakat, Treasurer; and Dusty LaPlante, Secretary. Mr. Canham was the sponsor of the Photography Club.

Later in the evening, Iris Frechette and Steve Goudreau were crowned king and queen of the 1955 Junior-Senior Prom by Marilyn Hawkins and Gary Patterson, king and queen of the 1954 prom. The coronation took place before a trickling waterfall surrounded by palm trees, characteristic of their native land—Hawaii.

For the first time in Bradley history, the winged T and single wing formation were introduced upon our field. Using these formations, our squad compiled a 3-5-1 record for the season. Losing to St. Anne, 21-6, and St. Pat's, 13-7, we rapped our next three conference opponents, Momence, Crete, and Gilman, with scores of 19-13, 7-6, and 13-7 in that order before bowing to Central 27-7. Hungry for a successful Homecoming week, we tied Milford on September 30th by a thrilling score of 13-13.

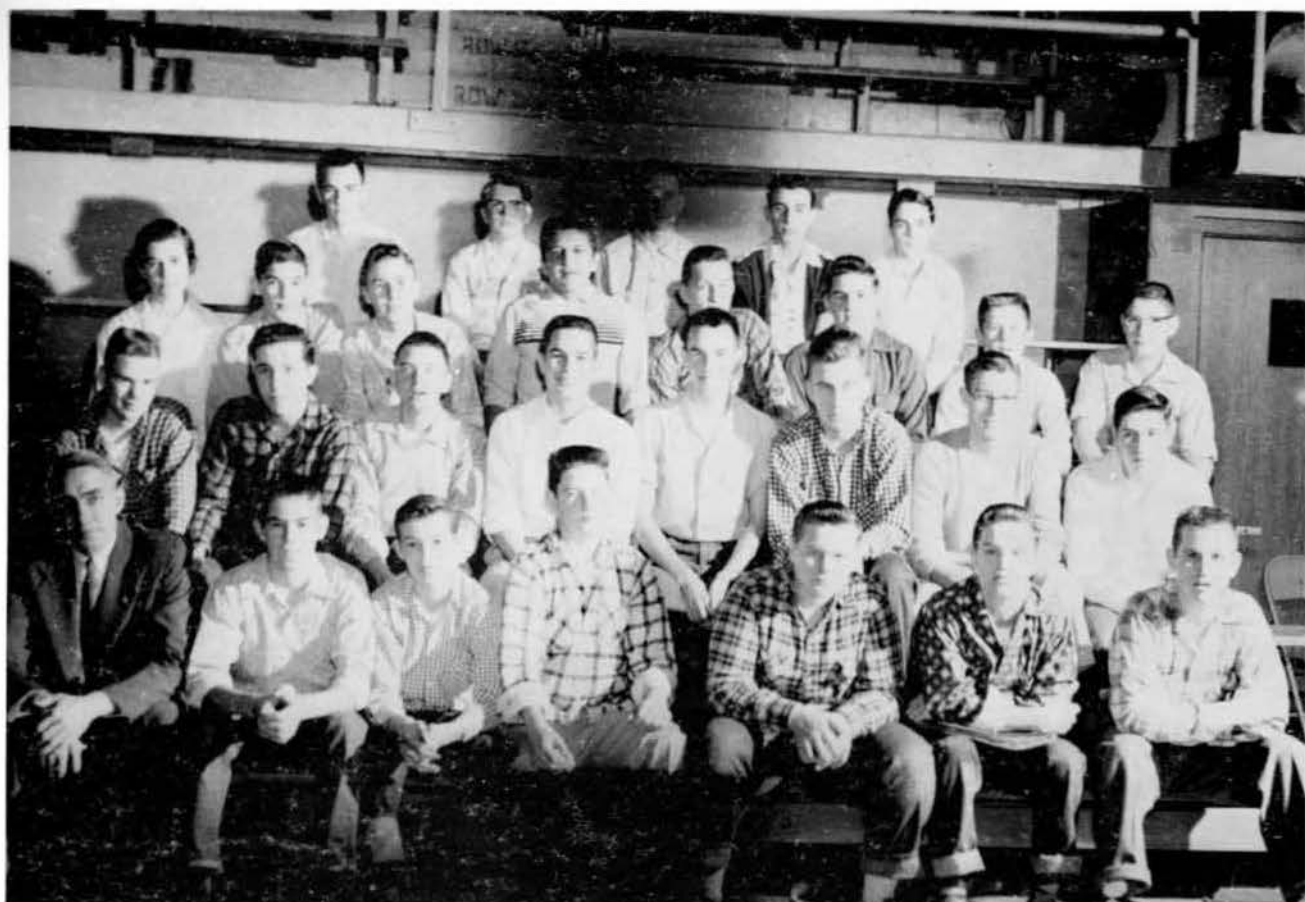

Although none of Bradley's squad received a position on the All-Conference Team, Terry Hebert was given a second team berth along with Ronnie King. Four of the Boilermaker squad were given special mention. These were Andy Andrews, Don Lytle, Steve Goudreau, and Joe Mills.

Co-captains of the 1955 squad were Terry Hebert and Steve Goudreau. Jerry Lemon, who began his first year as coach at Bradley High School, coached the team.

FROSH-SOPH FOOTBALL

First row: Coach Nafziger, Bob Mulligan, John Thaden, Tom Harris, Ed Tunks, Fred Pombert, and Larry Patterson. Third row: Charles Stinnett, Mike Rehmer, Mark Mathews, Albert Pechauer, Tom Piatt, Lloyd Sollers, Allen Hester, Darel Bertrand. Fourth row: Jerry Huggans, Donald LaMontagne, John Eby, Frank Wilson, Dick Dunbar.

The Freshman-Sophomore football team managed to come out ahead on their wins this '55 season. They ended their season with a 4 won, 3 lost record. Among a few of their games were such wins and losses as Pontiac 0—Bradley 7; St. Anne 7—Bradley 27; and Central 20—Bradley 7. This year's squad had no captains or co-captains. Bert Nofziger coached the squad.

VARSITY BASKETBALL

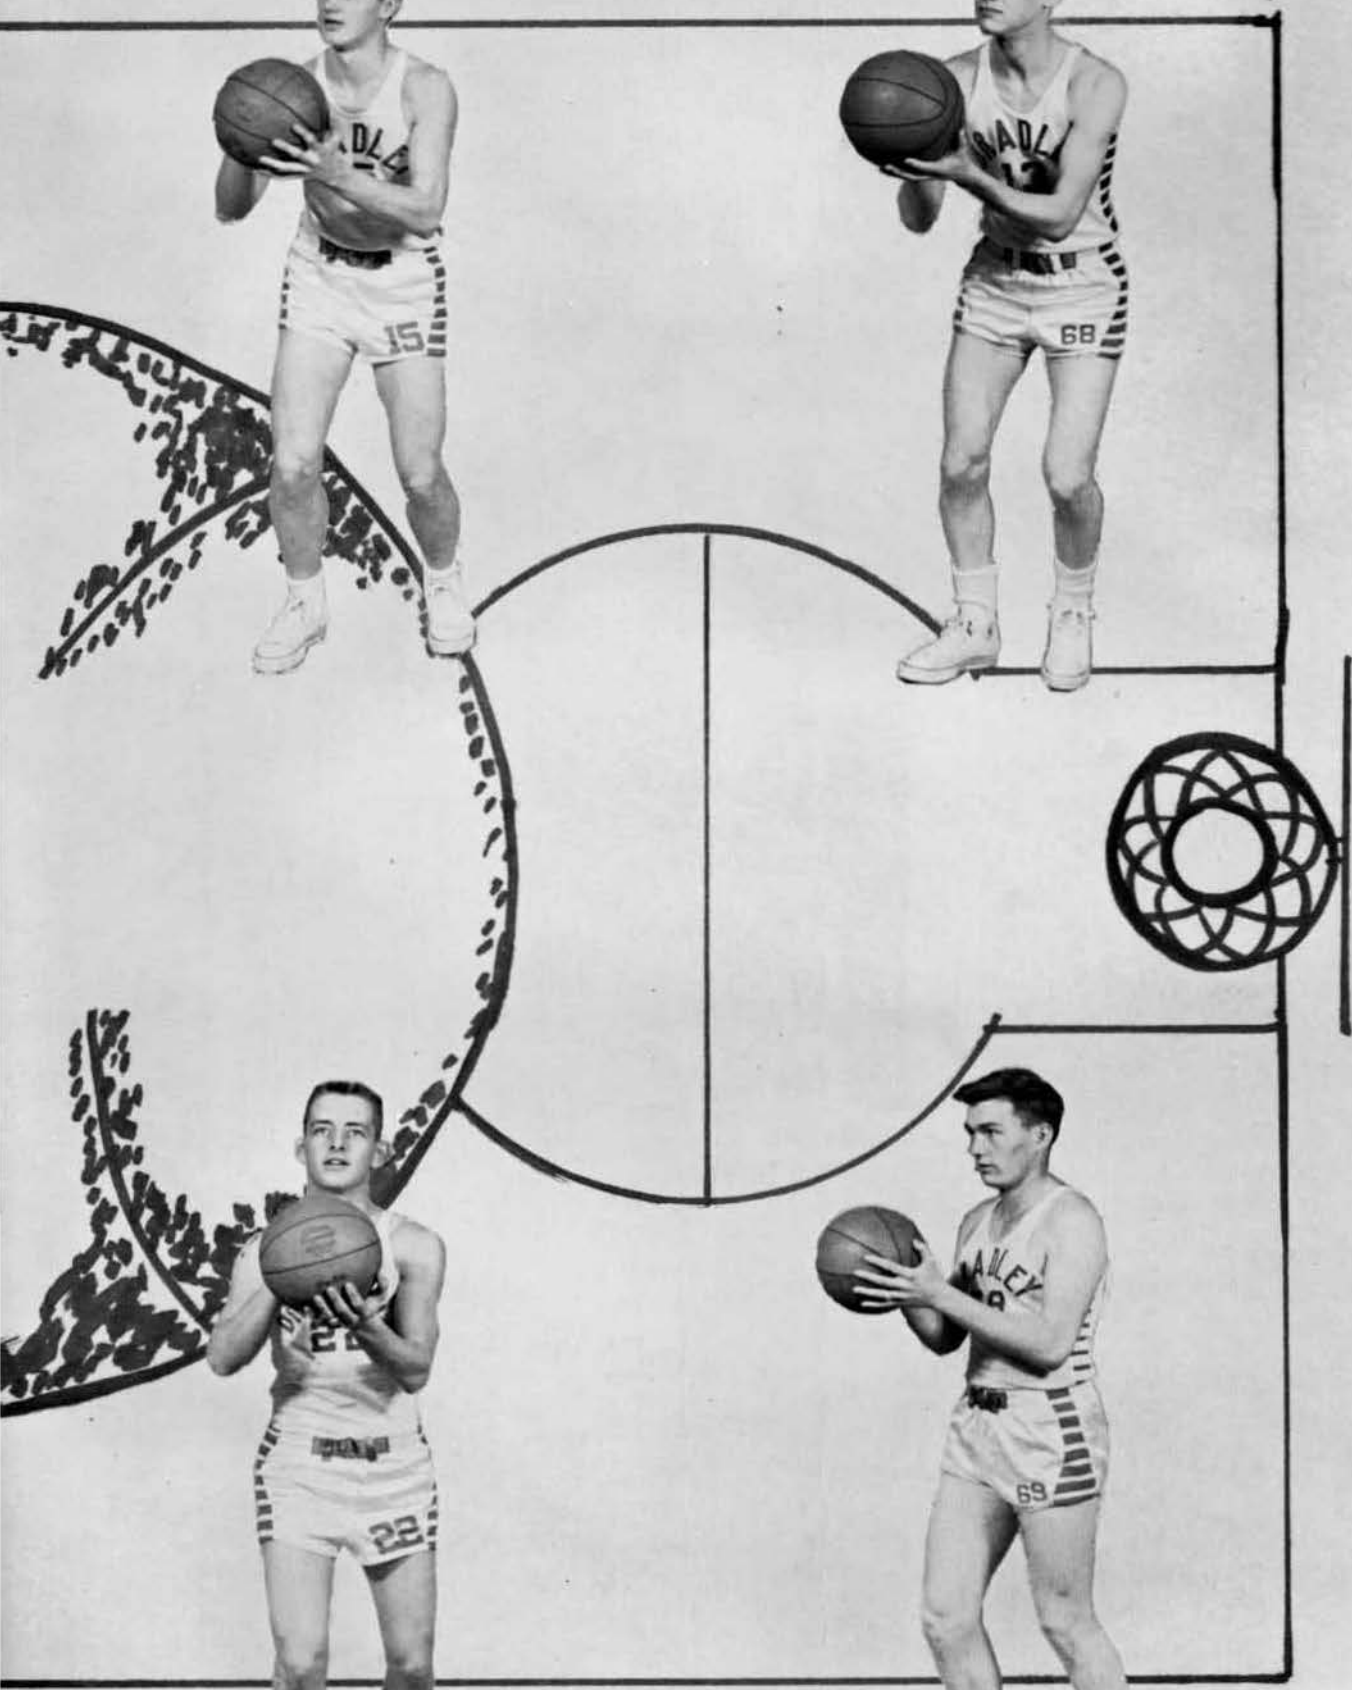

First row: Manager Bill Bock, Roger Castongia, Carl Koerner, Jerry Lowey, Ray Longtin, Gene Davidson, Walter Watt, Mike Toliuszis, Bob McCarty, Sid Johnson, Kenneth Anderson, John Marth, and Manager Pat Shultz. Second row: Jerry Lemon, Assistant Coach, Bob Plew, Bob Prince, Don Lytle, Clarence Shultz, Larry Johnson, Lynn Nichols, Jerry Sikes, Kevin Schultz, Andy Andrews, and Bert Nafziger, Coach.

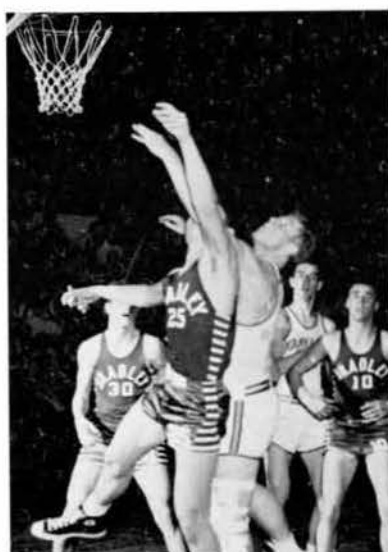

Bradley High School ended their cage season with a 12-12 record this year. However, the Boilermakers came out on the long end of the Wil-Ro-Kee Conference by tying St. Anne for first place with a 10-2 conference record. Both our conference losses came from the hands of St. Anne. Among our conference victories were such wins as 54-48 and 62-53 over Momence, 59-50 and 61-53 over St. Pat's, 62-56 and 59-45 over Central, 64-50 over Crete, and 88-47 over Gilman.

The 1955-56 cage season marked the last year which Bradley will participate in the Kankakee Holiday Tournament. This year Bradley was defeated 78-58 by Glenbard in the first round of the tourney which was won by Lincoln. February 27—March 2 marked the date of the Regional Tournament held at Bradley. Bradley was defeated by Kankakee 80-56 in the first round. Bloom, the winner of the Regional, played in the Kankakee sectional which was held the following week.

Bert Nafizer was coach of the varsity squad.

SOPHOMORE BASKETBALL

First row: Bob Mulligan, Kenny Buser, Bob Pettit, Larry Huggins, Jerry Huggins, Dick Dunbar, Noel Goudreau, and Manager Keith Rantz. Second row: Coach Jerry Lemon, Paul Eby, Max Williams, Harold Emme, Don Robards, Colin Beck, Frank Wilson and Alvin Robbins.

SOPHOMORE BASKETBALL SQUAD

This year's sophomore squad proved to be one of the most successful of Bradley High. Whenever points were sorely needed, the sharp-shooting Bradleyans proved themselves worthy. Although their two highest scorers, Don Robards and Harold Emme, were moved up to the Varsity near the beginning of the season, the sophomores maintained an 18-2 record of the season.

FRESHMAN BASKETBALL SQUAD

First row, left to right: Eddie Strickland, Allen Linnabary, Charles Stinnett, Michael Arseneau, Ronald Cerutti, Johnny Martin, Allen Hester, Selden Marquart, Tom Faford, Keith Rantz, Manager. Second row: Bob Erickson, Melvin Case, Donald LaMontagne, John Eby, Albert Pechauer, Jerry Fred, Daryle Albers, Arthur Watt, Mel Pace, Dale McClure, Coach Lemon.

The Freshman Basketball Squad opened the season with wins over Wilmington, 35-55, and Momenca 50-36. Dropping the next two games to West Junior 46-35 and St. Pat's 61-42, the young Bradleyans pulled ahead to defeat Rich twice by scores of 54-42 and 52-48. Following the same uncanny pattern, the Freshmen were defeated by Bloom 72-54 and Wilmington 56-43. However, the Bradleyans broke the jinx pattern by defeating Central 55-53, Rich 50-30, and Central 57-51, during the next three games. Starting another pattern of 3 losses—3 wins, the Bradley crew lost the next three games to East 54-36, West 72-61, and Bloom 59-34. After these losses the unpredictable Bradleyans rallied to defeat East 48-43, before bowing to St. Pat's 65-33. They won a fourth place in the Kankakee Tourney held in February. They were defeated by West 63-61 in a thrilling overtime game after defeating Thorton 68-62 in the first round of the tourney. It was St. Pat's who finally defeated the Bradleyans 60-54 in the finals of the tourney to give Bradley a fourth place. The young Bradleyans ended the season with a 10-10 record for the season and an average of 48 points per game. Coach of the Freshmen was Jerry Lemon.

TRACK

Among our high spots of the 1955 track squad were the victories of John Pechauer, Chuck Hayes, Don Lytle, and Lynn Nichols. Of the quartet both Don Lytle and Lynn Nichols, along with many others, competed in the 1956 track season. Among their victories were those in the dashes, relays, high jump, and broad jump.

Held for the first time this year was the Bradley Relay. Twelve schools competed with Watseka copping first place. Bradley received a fifth place.

Coach of the 1955 track squad was Joe Jepsen. Jerry Lemon coached the 1956 team with Bert Nafziger as assistant.
