OBLIGATION

In the presence of Almighty God, I do, of my own free will and accord, solemnly promise and declare that: I will bear true allegiance to the Government of the United States of America, and I will always be loyal thereto, and will never bear arms, nor in any way use my influence against its Laws or Institutions.

I will comply with the Constitution, By-Laws and Ritual of this Order; and I will always be loyal thereto; that I will never wrong nor defraud this Organization, nor a member thereof, nor permit any wrong to be done to either, if in my power to prevent it. I will never propose for membership any person not eligible according to our Constitution, nor one whom I know to be unworthy.

I will never make known to any one not authorized to receive it any of the work of this Order, secret or written. Should my affiliation with The Veterans of Foreign Wars of the United States cease, in any way, I will consider this pledge as binding outside the Order as though I had remained a member of the same. All this I promise and pledge upon the honor of a true Comrade and a citizen of our great republic.

OBLIGATION

In the presence of Almighty God, I do, of my own free will and accord, solemnly promise and declare that: I will bear true allegiance to the Government of the United States of America, and I will always be loyal thereto, and will never bear arms, nor in any way use my influence against its Laws or Institutions.

I will comply with the Constitution, By-Laws and Ritual of this Order; and I will always be loyal thereto; that I will never wrong nor defraud this Organization, nor a member thereof, nor permit any wrong to be done to either, if in my power to prevent it. I will never propose for membership any person not eligible according to our Constitution, nor one whom I know to be unworthy.

I will never make known to any one not authorized to receive it any of the work of this Order, secret or written. Should my affiliation with The Veterans of Foreign Wars of the United States cease, in any way, I will consider this pledge as binding outside the Order as though I had remained a member of the same. All this I promise and pledge upon the honor of a true Comrade and a citizen of our great republic.

SIGN OBLIGATION ON REVERSE SIDE

OBLIGATION

In the presence of Almighty God, I do, of my own free will and accord, solemnly promise and declare that: I will bear true allegiance to the Government of the United States of America, and I will always be loyal thereto, and will never bear arms, nor in any way use my influence against its Laws or Institutions.

I will comply with the Constitution, By-Laws and Ritual of this Order; and I will always be loyal thereto; that I will never wrong nor defraud this Organization, nor a member thereof, nor permit any wrong to be done to either, if in my power to prevent it. I will never propose for membership any person not eligible according to our Constitution, nor one whom I know to be unworthy.

I will never make known to any one not authorized to receive it any of the work of this Order, secret or written. Should my affiliation with The Veterans of Foreign Wars of the United States cease, in any way, I will consider this pledge as binding outside the Order as though I had remained a member of the same. All this I promise and pledge upon the honor of a true Comrade and a citizen of our great republic.
